WARRANT ARREST OF VILLAGE EMPLOYEE

This morning, the Glencoe Public Safety Department received notification from the Roswell, Georgia Police Department regarding an outstanding warrant for a Glencoe Public Works Department employee related to the enticement of a minor for indecent purposes.

At 10:35 a.m., Gregory S. Dittburner, aged 34, residing at the 5200 block of Solomon Court, Gurnee, Illinois, 60031, was taken into custody by Glencoe Public Safety. He will be transported to and is scheduled for an extradition hearing at the Fourth Municipal Courthouse in Maywood, Illinois on April 6, 2024.

Mr. Dittburner has been employed as a Maintenance Equipment Operator in the Public Works Department since 2021. His responsibilities include maintenance and upkeep of various Village infrastructure and systems. In his role, he has limited interactions with the public.

All defendants are presumed innocent unless found guilty by a court of law. While there are no claims of any wrongdoing in the State of Illinois related to this warrant, due to the nature of the accusation, Mr. Dittburner has been placed on paid administrative leave pending further internal investigation by the Village.

The Village may provide updates if more information becomes available and is permissible to share.
