- March's weather was not great, the course was able to open for several days, revenues were just short of budget.
- The driving range was not able to open due to the saturated conditions and the inability to pick range balls.
- The pond intake project was discussed, staff is thankful that the work was completed prior to the heavy rainfall.
- Kevin McCann, an Associate PGA member, was brought on as an independent contractor for the academy. Kevin will teach the junior summer camp program as well as individual private lessons.
- Friends was featured in the Glencoe Compass magazine which has created some buzz around the clubhouse program through added exposure to the community.
- Friends welcomed three new board members creating a total of nine total members.
- The overcharged of \$16,000 by the credit card processor service was discussed.
