2. CONSIDER THE MAY 16, 2022, MEETING MINUTES

The May Golf Advisory Committee meeting minutes were approved as submitted.

3. MANAGER'S MONTHLY REPORT

- Stella reviewed the May financials. Even though there was above average rainfall and three days without any revenue, the golf course managed to hit budgeted revenues for the month due to a fantastic turn out for Memorial Day weekend.
- Sprinkler head repairs, pond aerator installation, and drinking fountain installations took place during the month in addition to routine maintenance.
- The mini golf camp began for 5- and 6-year-olds and was very well attended.
- Regular weekday camps have also begun with the first camp sold out, but additional weeks are not at capacity. It seems many people are out of town this year compared to the prior two years.
- Golf Academy revenues are still down YTD due to the late addition of our new instructor. Hopefully, his business will pick up and he will begin to have consistent students.
- The Permanent Tee Time budget will exceed our budgeted revenue again for the year despite the reopening of Sportsman's/Heritage Oaks.
- Stella presented updates on fundraising, the existing buildings condition and funding options to the Village Board's Committee of the Whole. The members who were present showed support for the clubhouse project and seemed eager to move forward with exploring funding options.
- An introduction to croquet clinic was held at the Club with members of the Chicago Croquet Club coming out to teach the basics of croquet. Moving forward the Club has designated an area on the driving range tee line as temporary croquet courts for those interested in playing.
