

**DECLARATION OF EMERGENCY
VILLAGE OF GLENCOE, ILLINOIS
MARCH 17, 2020**

I, President Lawrence R. Levin, do hereby issue this Declaration of Emergency for the Village of Glencoe, this 17 day of March, 2020 (*"Declaration"*).

Introduction

The United States Centers for Disease Control (CDC), the United States Department of Health and Human Services (HHS), and the World Health Organization (WHO) have each determined that the SARS-CoV-2 virus causes the COVID-19 respiratory disease. The SARS-CoV-2 virus is a new strain of coronavirus that had not been previously identified in humans and is easily spread from person to person. The COVID-19 disease can result in serious illness and death.

Dozens of confirmed cases of COVID-19 have been identified in the State of Illinois; to date, most of the confirmed cases are in the greater Chicagoland area. At least one suspected case of COVID-19 has been reported in the Village. On January 31, 2020, the Secretary of HHS declared a public health emergency for the entire United States of America concerning COVID-19. On March 9, 2020, Governor Pritzker issued a disaster proclamation concerning the spread of COVID-19 in Illinois. On March 11, 2020, WHO declared that the spread of COVID-19 is a global pandemic. On March 13, 2020, President Trump declared a national emergency concerning the COVID-19 pandemic.

The Illinois Department of Public Health has now confirmed localized community person-to-person transmission of COVID-19 in Illinois, significantly increasing the risk of exposure and infection to Illinois' general public and creating an extreme public health risk in the Village and throughout the State. As has been experienced in other locales in the United States and around the world, the SARS-CoV-2 virus has the potential to infect large numbers of people in a short amount of time, placing extreme burdens on the health care system and the economy.

In order to prevent the spread of COVID-19 in the Village, and to protect the residents of the Village from disease and death, I find that it is necessary to issue this Declaration to implement emergency regulations and orders, all as set forth in this Declaration.

This Declaration is issued pursuant to the authority granted to me by: Section 2-2D of "The Glencoe Village Code (2011)," as amended (*"Village Code"*); Section 11-1-6 of the Illinois Municipal Code, 65 ILCS 5/11-1-6; and Section 11 of the Illinois Emergency Management Agency Act, 20 ILCS 3305/11.
