VILLAGE OF GLENCOE
FINANCE COMMITTEE

Meeting Minutes
September 15, 2011

1. CALL TO ORDER AND ROLL CALL

The Finance Committee was called to order at 6:30 p.m. in the Conference Room at Village Hall. The following members were present:

Keki Bhote
Andrew Hayek
Lawrence Levin
Joel Solomon,

Trustee Cowans was absent.

The following Village staff was present:

Paul Harlow, Village Manager
William Jones, Assistant Village Manager
David Clark, Director of Finance

2. APPROVAL OF AUGUST 18, 2011 MINUTES

Trustee Hayek moved, seconded by Trustee Levin, to approve the August 18, 2011 minutes. The motion was unanimously adopted by a roll call vote.

3. PUBLIC COMMENT TIME

There were no comments from the public.

4. REVIEW MONTHLY FINANCIAL REPORT FORMAT

The Director of Finance introduced a suggested monthly report modification to provide the Village Board with greater detail about various revenue and expense items included in the various tables included in the monthly report. The Director of Finance also provided an explanation concerning the method for developing the monthly revenue and expenditure budget. He explained that the monthly budget is calculated by taking the total budget for each item individually and multiplying it by a 4-year average of historic activity during each month. The summary pages of the new report will be included in the monthly financial report in place of certain other tables presently included.

5. DISCUSS GASB 54 RELATED TO GOVERNMENTAL FUND BALANCES

The Director of Finance introduced an illustration of the current fund balance practice with the required GASB 54 practice. The change in fund balance practice will introduce a greater level of specificity in fund balance classification and will also include items previously not included based upon policy intent to expend the items for a certain purpose. The impact of the change is a decrease in “unreserved” fund balance. The illustration will be shared with the Auditors and is therefore subject to further refinement prior to implementation. The amounts illustrated were used as the beginning balance in the long range financial forecast.

6. CONSIDER PREPARATION OF AN ARTICLE FOR THE GLENCOE MEMO ON THE STATE OF GLENCOE PENSIONS

This item was deferred to the next meeting.

7. ADJOURNMENT

There being no further business to come before the Finance Committee, upon motion made and seconded, the meeting was adjourned at 7:00 p.m.

VILLAGE OF GLENCOE

MEMORANDUM

TO: Paul M. Harlow, Village Manager

FROM: David A. Clark, Director of Finance 

DATE: October 13, 2011

SUBJECT: Preliminary Actuarial Results for 2011 Tax Levy

Attached is a summary of the 2011 Actuarial Results for the Police Pension Fund. This information is based upon audited financial data as of February 28, 2011. The policy of the Board is to report actuarial results in the annual financial report based upon assumptions used by the State of Illinois, but to actually fund pensions based upon more current assumptions.

The 2010 report included \$1,216,128 based on State of Illinois assumptions but the Fiscal Year 2012 budget actually includes \$1,626,363. Typically the difference between the figure in the report and the amount budgeted is contributed to the Police Pension Fund during February of each year. Since adopting this policy, the Village has funded Police Pension obligation at the budget level.

The 2011 report includes \$982,468 based on State of Illinois assumptions. There are various alternatives listed for the annual budget amount. The financial forecast includes \$1,463,727. I recommend the following for the 2011 contribution:

1. Continue to report based on present policy at \$982,468.
2. Change interest rate assumption from 6.5% to 6.0% (actual average since 1993 is 6.1%)
3. Change salary assumption from 5.5% to 4.5% (actual average since 1998 has been 3.5%)
4. Establish Fiscal Year 2013 Budget contribution at \$1,465,318.
5. Continue practice of contributing difference during last month of fiscal year.
