TOWN HALL PLANNING UPDATE

Member Moses shared an update on the next Town Hall presentation on ableism, with speakers focusing on education on several aspects of ability. She asked for feedback on two potential titles for the Town Hall. A working title is “Understanding (Dis)ability: Moving Toward a More Aware and Inclusive Community for All.” Member Young suggested that the Council share information about the Town Hall with interested organizations.

Chair Clark asked if the Council would like to discuss whether Town Hall panelists might be paid. Members of the Council expressed differing perspectives on whether to pay panelists and speakers. Assistant Village Manager Tanner suggested that if the Council wishes to pay panelists or speakers, that the Council have discussions regarding pay amounts and types (e.g. fee, mileage, etc.) to help inform future budget conversations. Chair Clark asked Council members to share their preference with Assistant Village Manager Tanner to discuss further at the next meeting.

SPEAKER SERIES

Member Bjork shared that he and Member Mysel had initial conversations regarding a future speaker series. They shared a preference for planning a speaker in lieu of a Town Hall presentation rather than in addition to a Town Hall in a given month, and a discussion regarding objectives for speakers that are different from a Town Hall presentation. Member Bjork asked the Council to think about goals and ideas for the speaker series for the next meeting.

V. MARKETING

Member Guzman suggested that the Council develop marketing materials, such as flyers with QR codes directing individuals to the Council’s page on the Village’s website, as well as resources defining diversity, equity and inclusion. Assistant Village Manager Tanner stated that artwork designs that were previously created for the Community Relations Forum, and would be shared as a starting point for the Council’s

She shared that the Village does not have a public forum and suggested that if the Council would like to have further dialogue on this topic, that the Council place it on a future meeting agenda and begin the discussion by receiving information about legal issues related to religious displays and public forums.
