CLARIFICATIONS

All Federally funded projects are subject to Section 3 unless the services provided require an advanced degree or specialized licensing. Based on the scope of work for this project, HACH has confirmed that this project is exempt from Section 3 compliance. However, HACH could use Section 3 data from exempt projects and benefit from it when reporting to HUD. If your firm would like to participate in HUD's Section 3 program, please contact Larry Johnson at ljohnson@hartfordhousing.org and he will walk you through the process.

REVISIONS
