

2024 Budget Information

The City of Hesston held the mill levy in the 2024 budget to the same level as 2023 despite increased inflationary costs in all levels of the organization. Any change in property taxes for the city (2023 budget vs. 2024 budget) is a result of an increase in county assessed property valuations.

Below is a list of tax entities and their associated mill levy rate changes between 2023 and 2024 budgets.
