Business of the Week KAIZEN Electrolysis

Meet the owner

Grace Green

Grace Green is a graduate of Accurate Academy of Electrology in Hinsdale, Illinois. She is a member of the Electrology Association of Illinois and the American Electrology Association. She genuinely enjoys helping people to look and feel their best, and is honored to be able to provide her services to the community.

[KAIZEN Electrolysis](#) uses a gradual and methodical approach that results in continuous improvement in hair reduction until permanent hair removal is

achieved. The business name is inspired by the Japanese term “kaizen,” which signifies “change for better” (from KAI - change, revision; and ZEN - virtue, goodness). Inherent in its meaning is the idea of making incremental changes that can lead to noticeable results over time.

1910 First Street, Ste. 404 / 847.532.8382 / [KAIZEN Electrolysis](#)

Second Street Construction Expected to Occur Mid-March thru May

During the City Council meeting on February 12th, a contract was approved to reconstruct the Second Street surface parking lot between Michael's and Terry's Toffee. The project includes complete pavement reconstruction, permeable brick pavers for parking stalls, a new curb, gutter, and drainage structures, lighting enhancements, and installation of new conduit for future electrical vehicle charging stations. The construction work is expected to begin in mid-March and continue through May, and during this time, the parking lot will not be accessible to customers or employees. The City has already discussed the project timing with the affected businesses and property owners along Second St. and First St. It will provide further details about the project timeline and parking for customers and employees before the start of the construction.

In addition to this, the City Council discussed the broader lighting and streetscape enhancement of Second Street during the Committee of the Whole meeting. The council supported re-situating a planned bump-out slightly north along Second St. (between Gearhead Outfitters and BYG) to facilitate outdoor dining and enhanced lighting. As planning continues for this project, City staff will explore additional lighting elements to enhance the ambiance of the Second Street corridor between Central Ave. and Elm Pl. Information will also be available on the city's [interactive CIP map](#) nearer to the start of construction. If you're interested in receiving updates about the project, you can sign up for the dedicated project email list by emailing cityhp@cityhpil.com.

ComEd's New Electric Vehicle Program

Making your
electric vehicle future
more affordable.

ComEd's new EV programs are live! These new programs are geared toward removing barriers to EVs, charging availability, and furthering the goal of widespread transportation electrification, a key goal outlined in the state's Climate and Equitable Jobs Act (CEJA).

ComEd launched two new rebate programs for businesses and public sector customers.

- Electric Vehicle Rebates range from \$5,000 to \$180,000 for the purchase of electric light, medium, and heavy-duty fleet vehicles, as well as transit and school buses.
- "Make-Ready" Electrical Infrastructure Rebates of up to \$8,000 per port for installing Level 2 EV chargers and up to \$1,000 per kW for Direct Current Fast Chargers (DCFCs).

To learn more about these programs, visit comed.com/clean.

Exterior Improvement Grant Program

The **Exterior Improvement Grant Program** offered by the City is designed to provide both assistance and encouragement to commercial property owners and sales-tax-generating local businesses citywide to improve their storefronts' appearance and functionality. The program has the following key features:

- The cost of eligible improvements is shared equally between the applicant and the City.
- The maximum Grant amount is \$20,000 per year for up to five consecutive years or a total of \$100,000; however, a grant for the same improvement would not be considered within the same five-year period.
- The eligible improvements must be visible from the right-of-way.

The annual program budget is \$100,000 and is available on a first-come, first-served basis.

The program is an excellent opportunity for local businesses and property owners to revamp their storefronts, enhance their appeal, and lessen the financial burden. Please visit [Exterior Improvement Grant Program](#) to learn more and download the [Application](#).

If you have questions about the program, please contact Business Development Manager Carolyn Hersch at 847.926.1027 or via e-mail at chersch@cityhpil.com.

Sponsor-A-Planter Program

The City's [Sponsor-A-Planter Program](#) is an opportunity for businesses and residents to sponsor a municipal planter during summer and fall. The annual fee covers the planting, maintenance, and a 5" x 7" commemorative placard in the planter. The placard may recognize the sponsor or commemorate an

individual or family. Planters are located in the Central Business District and the Ravinia District and are planted and maintained by the City from May to November.

If you have questions about the program, please contact the Office of Business Development at 847.926.1027.

Community Navigator Business Support Program

[Community Navigators](#) is a support program to assist small businesses, particularly minority, women, rural, and veteran-owned businesses. They provide outreach to raise awareness on federal and state programs, and provide 1:1 technical assistance, etc. For more information, please click [HERE](#).

Made in Illinois Manufacturing Grant Program

Governor JB Pritzker, the Illinois Department of Commerce and Economic Opportunity and the Illinois Manufacturing Excellence Center launched \$1 million in funding for the Made in Illinois Grant Program. The Made in Illinois program provides up to \$50,000 in matching grant funding to small and mid-sized Illinois manufacturers.

Applications are open through March 31, 2024, and manufacturers are encouraged to explore the benefits offered by the Made in Illinois Grant Program by visiting www.imec.org/madeinillinois.

Hello Alice Small Business Grant Program

Discover small business grants for every stage of your small business adventure. Grant opportunities are recommended based on your unique profile and delivered to your inbox weekly. Art In Bloom: A Student Art Walk Experience

On behalf of the 112 Education Foundation, the District 112 Art Teachers and the PTO President's Council, your business is invited to participate in the first "Art in Bloom" Student Art Walk Experience. Spring forward with the talented emerging artists in District 112! By displaying students' artwork in your windows, you can help harness senses of creativity and pride for our town's youth. If you would like to participate in this community initiative, please email danajweiss@gmail.com by February 14.

"Take Care Packages" To Support Newly-arrived Migrants

"TAKE CARE"

PACKAGES

Highland Park student volunteers with SaLT (Service and Learning Together) are working to collect donations for ["Take Care" packages](#) for newly-arrived migrants while they await transfer to the Chicago Processing Center. SaLT volunteers are partnering with the City of Highland Park and the Rotary Club of Highland Park/Highwood to collect donations that will be used to create these thoughtful "Take Care" packages.

Donations may be dropped off at City Hall (1707 St. Johns Ave.) and [other convenient locations](#) throughout Highland Park, including First Bank of

Contacting the Office of Business Development

This newsletter is produced by the City of Highland Park's Office of Business Development. The City encourages business owners and managers to share information regarding upcoming events, promotions or news for possible inclusion in the City's marketing modalities, including [The Weekender](#), [Enjoy Highland Park](#), and [social media](#). Please send these items to the City via email to: businessdevelopment@cityhpil.com. The City reserves the right to edit and/or filter submissions.

For general business inquiries and assistance, contact Business Development Manager Carolyn Hersch at chersch@cityhpil.com or 847.926.1027.
