OUTDOOR DINING & OUTDOOR ACCESSORY USE PERMITS

The outdoor dining season is quickly approaching! Restaurants that choose to offer outdoor dining on public or private property are required to have an outdoor dining license.

City staff will be discussing the Outdoor Dining Regulations at the Committee of the Whole meeting on Monday, April 11, 2022. The agenda for this meeting will be posted to the City's website at www.cityhphil.com the preceding Thursday. The purpose of the discussion is for City staff to share municipal research on other community regulations and to ensure the City's operating procedures and practices align with City Council policy.

Adopt-A-Planter & Sponsor-A-Planter Programs

The City of Highland Park offers two opportunities for businesses to take part in the beautification of our business districts.

The Adopt-A-Planter Program is only open to Highland Park Business and Property Owners in the Central Business District. As an Adopter, you must commit to the summer and fall

seasons each year and you are responsible for the provision of plants as well as care and maintenance of the planters. This includes but is not limited to planting, watering, and weeding.

The Sponsor-A-Planter Program offers community members the opportunity to sponsor an available municipal planter during the summer and fall seasons. An annual fee covers planting, maintenance, and a 5" x 7" commemorative placard in the planter. The placard will recognize the sponsor or an individual or family chosen by the sponsor. Planters are located in the Central Business District and the Ravinia District and are maintained from May to November.
