Welcome New Business: PromptMed Urgent Care

[PromptMed Urgent Care](#) serves patients age six months and older. The clinic provides timely medical treatment for a broad range of non-life-threatening illnesses and injuries such as cold/flu, fevers, infections, sprains/strains, simple fractures, minor burns, and more, primarily to walk-in patients. PromptMed was founded to deliver patient-centric healthcare services in a convenient, affordable, high-quality setting, utilizing the latest procedures and technologies, to meet the needs of patients in the community.

Highland Park Composts: Program for Businesses and Local Restaurants

It's Compost Awareness Week, and the City of Highland Park has a dedicated composting program for businesses and local restaurants. [Highland Park Composts](#) is a collaboration between The City of Highland Park, the Solid Waste Agency of Lake County (SWALCO), and Lakeshore Recycling to support the implementation of food scrap composting at local restaurants and businesses. Local businesses and restaurants who are interested in signing up for this program should email: cityhp@cityhpil.com.

Food Truck Thursdays

Mark your calendars: [Food Truck Thursdays](#) returns to the [Ravinia District](#) this summer June 1 through September 21 at Jens Jensen Park! In just three weeks, we'll be savoring fresh flavors from a variety of food trucks, enjoying warm summer evenings, and dancing to great music every Thursday night, 4:30 PM to dusk in the Ravinia District!

Business of the Week: BlueSky Tire & Auto Service

With the summer season right around the corner, [BlueSky Tire & Auto Service](#) can get your car tuned up and ready for the road trip of your life. BlueSky is locally-owned and operated and opened their Highland Park location in 2022. The experienced team of mechanics can handle service needs from a simple oil change, to repairs on brakes, tires, transmissions, air conditioning systems, and more. Fun fact: Want to know where the BlueSky business name came from? The business prides itself on honest pricing and communication that's as clear as the blue sky.

Pride Month: Business Celebrations and Happenings

Every year, during the month of June, the LGBTQIA+ community celebrates in a number of different ways. Please let us know if your business is hosting or participating in any Pride Month promotions so we can share the news. Send your information via email to: abennett@cityhpil.com.

Sponsor-A-Planter Program

The [Sponsor-A-Planter Program](#) offers residents and businesses the opportunity to sponsor an available municipal planter during the summer and fall seasons. An annual fee covers planting, maintenance, and a 5" x 7" commemorative placard in the planter. The placard may recognize the sponsor or commemorate an individual or family. Planters are located in the Central Business District and the Ravinia District and are maintained from May to

November.

More information is available at cityhpil.com. Please contact the Office of Business Development at 847.926.1046 with questions.

Facade Grants Available to Eligible Small Businesses

The City of Highland Park's Small Business Facade Improvement Program (SBFIP) provides assistance and incentive to property owners and local businesses to improve the appearance and functionality of their property and place of business. The SBFIP is available for small business operators and commercial property owners citywide.

Eligible owners of commercial/retail buildings and small business owners operating within a commercial/retail building may apply for a City grant that may reimburse up to 50% of the approved eligible improvement(s) to a maximum of \$5,000 per project. A small business is defined as having a net worth of less than two million dollars, and as showing less than an average of two hundred thousand dollars in profit per year for two years after taxes. The following are a few examples of eligible expenses:

- Installing new awnings/signage
- Replacing, repainting, or restoring exterior doors
- Repairing or upgrading exterior lighting
- Painting building exterior

SSBCI Funding to Support Small Businesses

**Illinois
Department of Commerce
& Economic Opportunity**

JB Pritzker, Governor

The U.S. Department of the Treasury announced that Illinois will receive up to \$354.6 million to administer programs as part of the State Small Business Credit Initiative (SSBCI). The expanded program offering through SSBCI will enable Illinois to support small businesses across the state - helping them

attract more capital investment and expand or launch business operations, while supporting key sectors. All of the new programs will launch in the coming months.

- **Advantage Illinois (AI) Loan Guarantee Program (New Program)**
Advantage Illinois' new Loan Guarantee Program will support business applicants who are having difficulty gaining access to capital by using funds to guarantee a percentage of loans provided by partner lenders.

- **IN-VENT Venture Capital Program (VCP) (New Program)**
Innovation Venture Fund (IN-VENT) will operate as a direct equity program with a focus on investing in businesses in key industries such as agriculture, ag tech, information technology, life sciences, manufacturing, quantum, and more.

- **Climate Bank Finance Loan Participation Program (New Program)**
This new program will be overseen by DCEO and administered by the Illinois Finance Authority (IFA), which will partner with local lenders to issue the loans. Climate Bank funds will be available to small businesses in the clean energy sector.
