## Adopt-A-Planter & Sponsor-A-Planter Programs

The City of Highland Park offers two opportunities for businesses to take part in the beautification of our business districts.

The Adopt-A-Planter Program is only open to Highland Park Business and Property Owners in the Central Business District. As an Adopter, you must commit to the summer and fall seasons each year and you are responsible for the provision of plants as well as care and maintenance of the planters. This includes but is not limited to planting, watering, and weeding.

[View the Adopt-A-Planter Program Brochure](#)

The Sponsor-A-Planter Program offers community members the opportunity to sponsor an available municipal planter during the summer and fall seasons. An annual fee covers planting, maintenance, and a 5" x 7" commemorative placard in the planter. The placard will recognize the sponsor or an individual or family chosen by the sponsor. Planters are located in the Central Business District and the Ravinia District and are maintained from May to November.
