

**SUPPLEMENTAL ORDER REGARDING STAYING HOME, FITNESS FACILITIES, AND LARGE
GATHERINGS MADE PURSUANT TO DECLARATION OF EMERGENCY
CITY OF HIGHLAND PARK
NOVEMBER 17, 2020**

I, Mayor Nancy R. Rotering, do hereby issue the following supplemental emergency order for the City of Highland Park this 17th day of November, 2020 ("**Supplemental Order**").

Introduction

On March 14, 2020, I issued a Declaration of Emergency pursuant to the authority granted to me by: Section 92.105 of "The Highland Park Code of 1968," as amended; Section 11-1-6 of the Illinois Municipal Code, 65 ILCS 5/11-1- 6; and Section 11 of the Illinois Emergency Management Agency Act, 20 ILCS 3305/11 to address the health threat posed by the COVID-19 pandemic ("**Declaration**").

The Declaration granted and reserved emergency powers to the Mayor during the pendency of the civil emergency, including the right to issue additional emergency regulations and orders in furtherance of the Declaration.

Since issuance of the Declaration, the corporate authorities of the City of Highland Park have, on several occasions, approved and extended the duration of the Declaration. As of the date of these Supplemental Orders, the Declaration has been extended through and until the conclusion of the regular City Council meeting on December 14, 2020.

Pursuant to the Declaration, as extended, I have, from time-to-time, issued emergency orders in an effort to address and mitigate the health threat posed by the pandemic in the City of Highland Park, many of which orders remain in full force and effect.

In Executive Order No. 2020-65, issued on October 29, 2020, Governor Pritzker directed the closure of certain business activities, and ordered limitations be placed on meetings, gatherings, and other social events for the purposes of mitigating the spread of COVID-19 within Lake and McHenry Counties ("**Region 9 Mitigation Order**").

In Executive Order No. 2020-71, issued on November 13, 2020, Governor Pritzker entered a new order, renewing and extending the Region 9 Mitigation Order through December 12, 2020.

In light of the rapid increase in COVID-19 cases in the City of Highland Park and the surrounding area, I have determined that it is necessary and in the best interests of the City and its residents to issue a supplemental emergency order as set forth below, advising residents to stay home except for the purpose of essential activities, ordering the closure of gymnasias and fitness facilities as indoor operations, and limiting the size of gatherings to 10 people or less.

In order to prevent the spread of COVID-19 in the City, and to further protect the residents of the City from disease and death, and pursuant to the authority set forth in the Declaration, Sections 11-1-6 and 11-20-5 of the Illinois Municipal Code, 65 ILCS 5/11-1-6, 11-20-5; and Section 11 of the Illinois Emergency Management Agency Act, 20 ILCS 3305/11, I find that it is necessary to issue a supplemental emergency order as set forth below.

Except as expressly provided in this Supplemental Order, nothing in this Supplemental Order modifies or limits the actions and authority previously established by the Declaration or any of the orders that I previously issued pursuant to the Declaration.

Supplemental Order

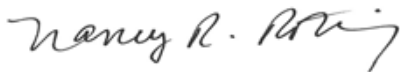

I hereby direct and order as follows:

1. All residents of the City of Highland Park are strongly advised and encouraged to stay at home in response to the rapid rise of COVID-19 cases and hospitalizations in the City and neighboring region. Residents are advised to leave home only to go to work or school, or for essential needs such as seeking medical care, going to the grocery store or pharmacy, picking up food, or receiving deliveries. Residents who leave home must wear a face covering and practice social distancing by staying six feet away from others, in accordance with the Mayor's April 17, 2020 Supplemental Order.
2. Gymnasia (specifically, fitness, exercise, workout, and dance facilities and studios) located in the City must cease all indoor fitness activities. Nothing in this Supplemental Order should be interpreted as preventing any outdoor activities by, or the attendance to basic business activities by employees or owners of, the gymnasia, business facility, or studio.
3. Meetings, gatherings, and social events in the City in excess of 10 people, whether indoors or outdoors, are prohibited, except in the cases of religious services, government operations, or emergency services.

This Supplemental Order will take effect on November 17, 2020 at 11:59 pm, and run concurrently with the term of the Declaration of Civil Emergency until December 17, 2020 at 11:59 pm, unless rescinded or superseded by my order or a majority vote of the corporate authorities at any regular or emergency meeting thereof.

SIGNED AND SEALED with the official seal of the City of Highland Park on this 17th day of November, 2020.
