

The Sounds of Summer

There's nothing quite like enjoying live outdoor music. Highland Park offers music throughout the summer at Ravinia Festival, Jens Jensen Park, and Port Clinton Square. Learn more on pg. 5.

The Highland Park Boys Band and Orchestra pictured here performed in 1915. Fred E. Geiser, the young man holding the cymbal front and center grew up to be Highland Park's Mayor in 1963 - 1967.

Listen!

Frequently Asked Questions

Are you curious about the new building under construction on Central Avenue? Wondering about the status of the Karger Center? Check out these frequently asked questions for answers and more.

Pieces of the Past

The Pieces of the Past Initiative is underway. Look for puzzle pieces throughout Highland Park. Each piece will have historical information and a secret code. To play, pick up a brochure at the Highland Park Public Library.

HP150 Book PreSale

The presale for the HP150 Commemorative Book is underway. The book is filled with rich city history, historic and current photographs, and an eloquent overview of the 2019 celebrations.

National Night Out - August 6

Join the Highland Park Police for our second annual **National Night Out**. This free, fun, family friendly event will be held on Tuesday, August 6 from 6:30PM until 8PM in front of City Hall.

Highland Park at a Glance

? Frequently Asked Questions

In this section, the City will answer Frequently Asked Questions on topics of interest.

Capitol Senior Housing at 1000 Central Avenue

What is the Capitol Senior Housing (CSH) project?

86 suite assisted living and memory care senior facility.

When is the project going to be completed?

Anticipated Spring of 2020.

How tall will the building be?

Three stories, 34 feet.

Are there any public improvements as part of this project?

Yes. The developer is building a public sidewalk along Deerfield Rd. and Central Ave.

Is the blue house at 1014 Central part of the CSH development?

No. The Queen Anne style home at 1014 Central was landmarked by City Council in 1985 for its historical and architectural significance. It was the home of craftsman William Walter Witten, who built the home in 1894, after the World's Columbian Exposition.

William Walter Witten was a craftsman who specialized in in-laid wood flooring, and won an award for the parquet dance floor he created for one of the 1983 Columbian Exposition buildings. Parts of that floor were installed in the 1014 Central home, where he operated his flooring business, so he could show examples of his work to potential customers. Other parts of the Exposition dance floor were installed at the Illinois State Capitol building in Springfield.

The developer requested that the parquet floors be removed from the home and installed in the new CSH building so they could be preserved. They requested to demolish the home after the historical elements, the parquet floors, were removed. The Historic Preservation Commission denied their request. The CSH developers have since withdrawn their demolition request. They are exploring other options for the use of the structure.

Albion Highland Park Development

Is the Karger property still for sale?

The City entered a purchase and sale agreement with the Albion Group contingent upon zoning approvals. Once final develop plans are approved the sale will be completed.

What is Albion proposing to build?

161-unit luxury apartment building with a courtyard facing Sunset Woods Park

How tall will the building be?

Five stories, 63 feet.

Will the Lake County Health Center still operate from its current location?

Yes. The health center will continue to operate at its current location. Forty-seven (47) surface parking spaces will be reserved during business hours. On weekends, holidays, and during non-business hours these spaces will be available to the public.

When will the City Council discuss this project next?

The City Council will consider the final development plan in July or August.

Additional Information on these and other projects is available at www.cityhpil.com/Development

Citizen Police Academy & Citizen Fire Academy

Citizen Police Academy (CPA) and Citizen Fire Academy (CFA) applications are currently available for annual classes. CPA is held Wednesday evenings at the Police Department from 7 - 9 PM beginning August 28 through October 23 (no class on October 9; session held that week on October 10). Contact Sgt. Jennifer Olson at jolson@cityhpil.com or 847.926.1116 with questions. CFA is held on Thursday evenings from 6:30 - 9:30 PM beginning September 5 through October 24. Contact Firefighter Chris Gottschalk at cgottschalk@cityhpil.com with questions. Additional information and applications for the CPA and CFA are available at www.cityhpil.com/policefireacademy. Participants must be at least 18 years of age. Space is limited. Applications are accepted in the order received.

Local Government Collaboration and Cooperation

Nancy R. Rotering
– Mayor Nancy R. Rotering

With an eye towards collaboration and coordination, our local governments and community partners meet regularly. We know that through regular communication, synergies between organizations are identified, and benefits to the public are improved.

Last month, we wrapped up the 2019 Annual Neighborhood Meeting series. These meetings are joint conversations with the public and the City, North Shore School District 112, Township High School District 113, the Park District, the Library, and Moraine Township. Our goal is to obtain resident feedback and answer any questions residents may

have. Thank you to all who joined us.

In addition to our annual neighborhood meetings, I meet regularly with elected officials, local government staff, and community partners. We also hold quarterly intergovernmental meetings: candid conversation between sister governments where we share plans, ideas and concerns. In addition, I appoint City Council members to serve as liaisons to the school districts and the Park District. They meet with representatives of the respective boards as well as attend board meetings.

Each government or organization has its own mission, purpose, budget

and operational goals. However, we all prioritize collaboration to best meet the short- and long-term goals of our community. Projects include public safety, flood mitigation, student experiential opportunities, environmental sustainability initiatives, cost sharing opportunities, and more.

Each individual government welcomes your thoughts, questions and ideas. For the City of Highland Park, please be in touch at council@cityhpil.com.

We all benefit from cooperation and coordination on the many initiatives that serve our community. This truly is representative government at its best.

2019 Vehicle Sticker Renewals

Watch your mail – 2019 vehicle sticker renewal applications are on their way!

Renewal applications for City vehicle stickers are scheduled to be mailed to residents in August. Stickers cost \$55 per passenger vehicle and must be displayed by October 1. For an additional \$30 donation, residents may upgrade their sticker to support the 112 Education Foundation.

2019 vehicle sticker renewals will also be available for purchase online via the City's website in August. Residents are strongly encouraged to renew online at www.cityhpil.com.

Look for additional information in the August edition of the Highlander or contact the Finance Department at **847.432.0800** or finance@cityhpil.com.

Water Conservation Tips

Summer's rising temperatures often lead to rising water use for lawn irrigation. "Peak" water use occurs this time of year, usually June through September, when residential water use is highest due to an increase in outdoor water use.

Overwatering lawns and landscape areas may increase the average residential water use from 260 gallons per day to 1,000 gallons per day. One simple way to reduce water usage is to step on your grass, if it springs back, the lawn doesn't need more water. If your lawn needs water, irrigate in the cooler hours of early morning or evening. Also, direct or adjust sprinklers to spray the lawn and not the sidewalk.

Please follow the odd and even sprinkling restriction for the summer months. For more tips on water conservation, please visit www.cityhpil.com/waterconservation.

Student Parking Permits

City Student Parking Permits (S-permit) are available for the 2019-2020 school year beginning August 1. The S-permit allows students to park in designated spaces in the Moraine Park Lot, in any available, non-handicapped space in the 1987 Second Street Lot, as well as designated on-street spaces on First Street north of Elm Place. The S-permit is only sold per semester for \$125.

Students must provide copies of their current driver's license, vehicle registration and insurance. Permits are sold at the Finance Department on a first-come, first-served basis. A total of 95 S-permits will be available. For more information, contact Jennifer Dotson at **847.926.1006** or jdotson@cityhpil.com.

Lightning Safety

Thunder and lightning storms are a fairly common occurrence. It's important to realize how dangerous lightning can be and the damage it can do. To keep everyone safe, the Fire Department recommends that you follow these safety guidelines:

- Unplug appliances and other electrical items, such as computers, and turn off air conditioners. If you are unable to unplug them, turn them off. Stay off corded phones, computers, and other electronic equipment that put you in direct contact with electricity or plumbing. Avoid washing your hands, showering, bathing, doing laundry, or washing dishes.
- When you see lightning, count 30 seconds until you hear thunder. If that time is 30 seconds or less, the thunderstorm is within six miles and is dangerous. Seek shelter immediately. Wait at least 30 minutes after the last sound of thunder before leaving your shelter.
- Stop outdoor activities at the first clap of thunder and get inside a house, large building, or a hard-topped vehicle. If you are in open water, go to land and seek shelter immediately.
- If a person is struck by lightning, call 911 and get medical care immediately. Lightning strike victims carry no electrical charge; attend to them immediately. Check the person's breathing, heartbeat and pulse.

These simple precautions during a lightning storm can save lives and decrease the chances of injury and damage.

Floodplain Information and National Flood Insurance Program

The City in partnership with Lake County Stormwater Management Commission (LCSMC), Illinois Department of Natural Resources (IDNR), and Federal Emergency Management Agency (FEMA) administer the floodplain management program. FEMA designates the floodplain areas through its Flood Insurance Rate Maps (FIRM). Within our City, floodplain areas are primarily designated along Skokie River and Middle Fork of the North Branch of the Chicago River. The common floodplain area, Special Flood Hazard Area (SFHA), is defined as the area that will be inundated by the flood event having a 1-percent chance of being equaled or exceeded in any given year. The 1-percent annual chance flood is also referred to as the base flood or 100-year flood. SFHAs within the City are typically labeled on the FIRM as Zone A. Whereas Zone X (shaded) are areas between limits of the base flood and 0.2-percent annual chance flood or 500-year flood. Additional information is available on FEMA's website at: www.fema.gov/flood-zones.

The City is a certified National Flood Insurance Program (NFIP) community. FEMA provides residents with subsidized flood insurance rates as a good standing member of the NFIP. The NFIP program aims to reduce the impact of flooding on private and public structures. It does so by providing affordable insurance to property owners, renters and businesses and by encouraging communities to adopt and enforce floodplain management regulations. More information about the NFIP can be found www.floodsmart.gov.

To determine if a particular lot is in the floodplain, please see options below:

1. Visit the FEMA Map Service Center website, msc.fema.gov. Type in an address to view the map online. Scale your lot on the map to see the limits of floodplain.
2. Visit the Lake County website, <https://maps.lakecountyl.gov/maponline> and under Layer List click on National Flood Hazard Layer and zoom in to your property.
3. Visit the City website, www.cityhpil.com, under Quick Links click on Interactive Maps and turn on Highland Park Floodplain Layer. Zoom in to your property. Or contact Public Works' Engineering Division at **847.432.0807** for floodplain information. City staff does not disclose the FEMA flood zone information over the phone for lots, which are close to the floodplain areas (adjacent to water bodies). You can view the FIRM maps at the Department of Public Works located at 1150 Half Day Road. Please call ahead if you plan to visit.

The City regulates all development within the floodplain lots per the requirements of Lake County Watershed Development Ordinance (WDO) and City Code, which requires properties to comply with both City and FEMA floodplain requirements. Typically, City floodplain elevation is a foot higher than FEMA floodplain elevation providing additional protection to the properties. For information on development within the floodplain, please contact Manny Gomez, P.E, City Engineer at **847.432.0807**.

Park District of Highland Park Names Brian Romes, CPRP, as New Executive Director

The Park District of Highland Park Board of Commissioners is pleased to announce the selection of Brian Romes, CPRP, as the new Executive Director. Brian has over 20 years of experience within the parks and recreation field including various positions of increasing responsibility at the Park District of Highland Park. He joined the Park District in 2009 as the Recreation Manager. In 2012, he was promoted to Assistant Director of Recreation and in 2017 was named Director of Recreation

and Facilities. Brian was a key contributor to the development of the District's GreenPrint 2024 Master Plan and its Strategic Plan. He played a significant role in project renovations at Rosewood Beach, the Recreation Center of Highland Park and Sunset Valley Golf Club.

"Over the past ten years, Brian has brought unique ideas and leadership that align with the mission and goals of the Park District of Highland Park," said Park Board President Brian Kaplan. "We're confident he will continue to position our organization for future growth and success serving the Highland Park community."

BOOKS!

Looking for books to add to your "To Be Read Pile"? Here are upcoming titles that generated buzz at Book Expo, the publishing industry's conference where publishers share news of upcoming books.

Looking for more book recommendations? We've got you covered!

TRY PERFECT PICKS

Fill out the online form at hplibrary.org/online-readers-advisory and we will email you a customized list of suggested titles compiled by our librarians.

Visit hplibrary.org/online-viewers-advisory for film and TV recommendations.

SIGN UP FOR OUR NEW BOOKS ENEWSLETTER

Visit hplibrary.org/newsletters to subscribe.

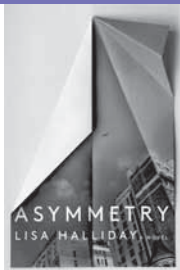

Receive news of new fall titles each week, from September – October, the big publishing season, along with occasional emails throughout the year.

STOP BY READERS' ROUND TABLE

Tuesday, July 30, 2 PM

Meet fellow bibliophiles, find out what others are reading, and share your recommendations. Pick up ideas for what to read next! Leave with an advance copy of an upcoming title. Meets monthly on the last Tuesday of the month.

Book Discussions

Asymmetry
by Lisa Halliday

Thursday
July 25, 7 p.m.

Davis Schneiderman, English professor at Lake Forest College, leads the discussion.

Sponsored by the Friends of the Highland Park Public Library.

Library At Your Door

If you are eligible for a Highland Park Public Library card, but can't visit the Library due to age, illness, or temporary or permanent disability, we will bring the Library to your door!

Once registered for the delivery service, place holds on materials that you would like to receive by calling the Library or using the online catalog. The materials will be checked out to your account and delivered every other Tuesday. Materials will be picked up

in two weeks' time, and any additional materials that have been requested will be delivered, depending on availability. Materials may be kept in a designated sheltered area when you are not available to answer the door.

Late fees do not apply, but you will be responsible for lost or damaged materials.

Call 847-681-7031 to register for Library At Your Door.

Explore More Illinois

Access free and discounted tickets to museums, science centers, sporting events, zoos, park districts, theaters, and other fun and local cultural venues with your Highland Park Public Library card. Attractions include the Chicago Children's Museum, the Discovery Center Museum, the Illinois Holocaust Museum, the Abraham Lincoln Presidential Library and Museum, and more.

REACHING ACROSS ILLINOIS LIBRARY SYSTEM

Visit hplibrary.org, click on the tab for Books, Movies, Music and More and the tab for Museum Passes. Make a reservation and print or download the pass.

Business And Career Resources

Revamp Your Resume

Thursday, July 25, 6 – 7 PM

Discover online Library resources that will enhance your resume such as Harvard's Extension School Resources and Brainfuse JobNow. The latter offers live resume help and interview practice to Highland Park Public Library cardholders! Please note that resume editing will not take place during this program.

Business Mentoring

Tuesday, 1 – 3 PM, Thursdays, 5 – 8 PM

Register for a one-hour one-on-one mentoring session with a SCORE Chicago business mentor. SCORE is a nonprofit organization dedicated to helping small businesses through education and mentorship. Register at hplibrary.org/events/score-chicago-mentoring-1.

AMERICANS AND THE HOLOCAUST

Wednesday, July 17, 10:30 AM

Northwestern University history professor Daniel Greene recently curated an exhibition on Americans' response to the Holocaust for the U.S. Holocaust Memorial Museum in Washington, D.C. The exhibition examines what Americans knew about the persecution and murder of European Jews as it occurred, and it prompts visitors to think about Americans' responsibilities to refugees and persecuted peoples abroad. Greene will lead a discussion about the exhibition and the difficult questions it seeks to raise. Sponsored by the Elaine Kaplan Memorial Fund.

Chicago YIVO Society 2019 Summer Festival Of Yiddish Culture

CONCERT Vanishing Worlds: Music in the Diaspora

Wednesday, August 7, 2 PM

Steve Gibons and his band perform music of the Jews, Muslims, and Roma peoples from North Africa, Spain, and Eastern Europe.

This program is part of the Chicago YIVO Society Summer Festival of Yiddish Culture.

Raise A Reader!

Fall Storytime Sessions

Fall storytime sessions, with activities designed to foster pre-reading skills for newborns to six-year-olds, begin in September and October. Registration required. Register beginning Monday, August 19, in the Youth Services Department or by calling 847-681-7030.

Highland Park Public Library

847.432.0216 hplibrary.org

Please note that this page is submitted, written and edited by the Highland Park Public Library and does not reflect the views or opinions of the City.

New Media

Get Healthy with Technology

Thursday, July 18, 6 – 7 PM

Discover the many apps and wearable devices that can help you track your steps, practice good sleep hygiene, calm your mind with meditation, motivate you with great music, and more!

Game On! Super Smash Bros. Tournament

Saturday, July 20, 10 AM – 1 PM, ages 14 – 18.

Compete against others in the latest release of Smash Bros. Ultimate. A ticket is required and can be picked up at the New Media Services desk. The first 32 participants to pick up a ticket are guaranteed a spot to play.

Sculpt with 3D Clay

Tuesday, July 23, 7:30 – 8:30 PM

Learn how to use free CAD software to make a 3D object with virtual clay. Your sculpture will be printed using the Library's 3D printer and will be available to pick up at a later date. Registration required. Register at hplibrary.org.

Tech Trivia

Saturday, August 3
10:30 – 11:30 AM

Show off your tech knowledge and learn new fun facts! Coffee and snacks will be served.

Cross Stitch Club

Thursday, August 15, 3 – 4 PM,
ages 14 and older.

Learn how to create a unique cross stitch pattern online and then get started on your project! Supplies for projects will be provided on a first come, first-served basis. Needle workers of all skill levels are welcome! Already started a project? Join us to share knowledge and have fun!

MISSION: READ **SUMMER** **READING CLUB** **READ BOOKS AND EARN PRIZES!** **THROUGH AUGUST 3**

For babies through students entering 9th grade. Register in the Youth Services Department or at storytime. Preschool and grade school readers can also register at hplibrary.beanstack.com or reactivate last year's account. Middle school readers can pick up a bingo card at the Youth Services desk.

The last day to select prizes is Sunday, August 4.

FIND A GALAXY OF FUN WITH THESE SPECIAL EVENTS!

PIZZA TASTING

Wednesday, July 17, 4 – 4:45 PM,
entering grades 6 – 8.

Who has the best pizza in town? Middle school students decide at our blind taste test! Try pizza from six Highland Park pizza joints and vote on the best tasting, best sauce, and best cheese! We'll reveal the results on our social media pages! Registration required. Register at hplibrary.org.

ASTRONAUT CAMP

Friday, July 19, 1 – 2:30 PM.

Do you have what it takes to be an astronaut? Families — stop by and try our NASA-inspired activities to test your endurance, hand-eye coordination, and more!

CAKE POP WORKSHOP!

Tuesday, July 23, 11 AM – 12 PM,
ages 4 – 6.

Thursday, July 25, 3:30 – 4:30 PM,
