INTRODUCTION

This Financial Report highlights the City's financial position as compared to the amended budget for the period July 1, 2023 through July 31, 2023 (7 months - 58% of year) and as compared to actual results for the previous fiscal year-to-date.

A left side icon is included indicating budget variances as follows:

Green - Positive variance vs. year-to-date budget, or timing difference not anticipated to result in a year-end variance.

Yellow - Negative variance of .01% to 4.99% vs. year-to-date budget.

Red – Negative variance ≥ 5% vs. year-to-date budget. See commentary below.

Executive Summary - Revenue

- Revenue is \$59.8M or 57% of budget compared to \$65M in the prior year.
 - General Fund revenue is \$30.1M or 62% of budget as compared to \$27.2M in the prior year.
 - Investment/Other Income is \$5.3M or 137% of budget compared to \$586k in the prior year. This is due to the sale of the Senior Center for \$2.5M, a one time contribution for \$1M and higher investment return rates.
 - General taxes and payment in lieu revenue is \$20M or 56% of budget compared to \$21.6M in the prior year. The change vs. prior year is driven by real estate transfer tax, which is lower due to a market slowdown in real estate sales and a lower allocation of home rule sales tax revenue to the General Fund, as budgeted.
 - Motor Fuel Tax Fund revenue is \$794k or 73% of budget compared to \$1M in the prior year. This is due to an IDOT grant of \$327k received in the prior year compared to none received in current year consistent with budget.
 - Capital Project Fund revenue is \$2.6M or 44% of budget compared to \$11.6M in the prior year. Bond proceeds of \$10M were budgeted and received in the prior year compared to none budgeted or received in the current year.
 - Water Fund revenue is \$7.4M or 54% of budget compared to \$5.7M in the prior year. This is due to higher charges for services revenue, transfers in, and a one time settlement in the current year.
 - Sewer Fund revenue is \$4.1M or 44% of budget compared to \$5.6M in the prior year. Bond proceeds of \$2.5M were budgeted and received in the prior year compared to none budgeted or received in the current year.
- Housing Trust Fund revenue is \$114k or 35% of budget compared to \$319k in the prior year.

Executive Summary - Expenditures

• Expenditures are \$48.4M or 39% of budget compared to \$45.1M in the prior year.

Executive Summary - Cash & Investments

Cash & Investments are \$95.6M, an increase of \$8.8M from December 2022.

Executive Summary - Public Safety Pension Funds

• Public Safety Pension Funds totaled \$106M, an increase of \$7.4M from December 2022, given year-to-date investment returns and contributions in excess of deductions.

- 1. Lag time is the number of months from activity to revenue receipt by the City. For example, if a sale occurs in March, the State of Illinois collects the sales tax in April, and remits the sales tax to the City in June. Therefore it is three months from the sale in March to receipt by the City in June.
- 2. Tax revenue collected by the State of Illinois and remitted to the City include sales, home rule, income, motor fuel, local use, telecommunications, personal property replacement, auto rental, and cannabis use.
- 3. Part of the increase in sales and income taxes is due to genuine growth and part is due to legislative changes. The income tax changes impact both income tax and personal property replacement taxes.
