Protect the Lake When Draining Pool

As we close our outdoor pools for the season, remember that City ordinance requires that swimming pools be drained directly to an approved sanitary sewer line to ensure that harmful chemicals can be removed at a treatment plant. **Discharging pool water into storm sewers, ravine streams or other natural water bodies is illegal.** Help us protect ravine streams from harmful pool chemical pollution because they drain directly to Lake Michigan.

Contractors or swimming pool companies are not authorized to access City sanitary sewer manholes or structures. Discharging a heavy volume of pool water at a high rate could cause sanitary sewer surcharges potentially causing backups on sanitary sewer service laterals on downstream properties.

Residents must contact Public Works Sewer Section 24 - 48 hours prior to drainage, Monday – Friday, 7:30AM – 4:30PM at 847.432.0807.

Disposal of Autumn Leaves

Blowing or raking leaves onto the roadway can create slippery road conditions and increase the risk of clogged inlets and street flooding. Clear leaves from gutters and dispose of them properly.

Residents are reminded that it is illegal to dump leaves, grass clippings and other debris onto the City streets or into the drainage system. Please remember that only rainwater goes down our storm drains!

Contact Public Works Sewer Section staff Monday – Friday, 7:30AM – 4:30 PM at 847.432.0807.

2018 Vehicle Sticker & Dog License Expiration Notice

City Vehicle Stickers and Dog Licenses for the 2018-2019 license year must be displayed by October 1, 2018. A late fee of $10 is applied to all vehicle sticker purchases made after September 30, 2018. Residents failing to display a current vehicle sticker may be subject to a fine of $50.

Visit [www.cityhpil.com](http://www.cityhpil.com) for additional information on renewal options.

Voter Information

Tuesday, November 6, 2018 is the General Election.

**Grace Period Registration.** Residents may still register to vote at any Lake County Early Voting Site or at the Lake County Clerk’s office, 18 North County Street in Waukegan. Grace period registration is also available on Election Day at the polling location for your current address.

**On-line Registration.** Residents may register to vote online through the State of Illinois website. This option is available from now until Sunday, October 21. Visit [ova.elections.il.gov](http://ova.elections.il.gov).

**Absentee Ballot.** Voters have four options if they choose to apply to request a ballot by mail:
- Online application available until noon on November 3
- Download a paper application from the Lake County Voter Power website, [lakecountyil.gov/351/Voter-Power](http://lakecountyil.gov/351/Voter-Power)
- Call 847.377.2406 to have application mailed
- Email a request to [votingbymail@lakecountyil.gov](mailto:votingbymail@lakecountyil.gov)

U.S. mail and electronic mail requests must be received by 5 PM on November 3.

**Early Voting in Highland Park.** Early Voting is available between Monday, October 22 and Saturday, November 3 at the Police Department Training Room, 1677 Old Deerfield Road. The hours for early voting are Monday through Friday between 9 AM and 5 PM and Saturday between 9 AM and 2 PM.

**Election Signs.** Residents may place election signs on their property; however, signs are not permitted on the public right-of-way between the sidewalk and curb. For homes where there is no sidewalk, signs must be placed more than 5 feet from the curb or street.

To report improperly placed election signs, call Code Enforcement in the Building Division at 847.432.0808.

Residents are reminded that it is illegal to trespass on another’s property to remove or deface an election sign.

**Election Day.** All polling places are open from 6 AM until 7 PM on Tuesday, November 6 and are handicap accessible. Any voters who are physically unable to enter the voting site may request voting assistance usually at curbside in a car. The voter should notify the Lake County Clerk’s office by calling 847.377.2406 at least one day in advance of Election Day.
A thriving local economy is vital to the strength of a community. As a result, one of our priorities is to support a vibrant environment where businesses can thrive. Our Business Development Strategic Plan (www.cityhpil.com/business) identifies guidelines for collaboration among property owners, businesses, retailers, brokers, consultants and others for continued local economic prosperity.

I regularly meet with business professionals and various business groups interested in working together to increase business opportunities in Highland Park. This month, I welcomed hundreds of community leaders, real estate professionals, businesses and business prospects to the City’s 6th Annual Business Summit. The Summit provides an excellent opportunity to review economic trends, discuss the local economy, enhance business retention and attraction, and facilitate economic growth. Guest speaker Larry Levy shared proven strategies and offered valuable tips to help attendees discover new business innovation approaches.

Supporting local businesses provides an economic boost for our community. The dollars earned support core City services such as infrastructure repair and maintenance, and police and fire protection. To see how critical these dollars are, visit www.cityhpil.com/annualbudget. Every purchase made in our City helps to share the burden of funding City operations and keeping the cost of living here within reach.

I am pleased to share that the economic outlook is positive in Highland Park, with increased development, jobs, improved sales tax revenues, and enhanced vibrancy in our city. New businesses continue to open and the city’s retail occupancy rate is at a pre-recession high. Now, let’s get shopping (locally).

Halloween Safety

Witches, goblins, ghosts and superheroes will soon appear in our neighborhoods. These safety tips are to help prepare children for a safe and enjoyable Halloween. Trick-or-treating this year is **Wednesday, October 31, 2018 from 3:30 PM - 7 PM**. Please review these guidelines with your adventurers to ensure a safe night for everyone.

- Don’t Trick or Treat alone. Stay in a group and communicate to an adult where you will be going.
- Teach children how to obtain help or call 9-1-1 if they have an emergency or become lost.
- Walk on the sidewalk, not in the street.
- Only cross the street at designated crosswalks.
- Look both ways. Listen and watch for cars before crossing the street.
- Don’t hide or cross the street from between parked cars.
- Wear light-colored or reflective-type clothing or try to affix reflective tape on costumes or treat bags to be more visible.
- Use face paint rather than masks or things that will cover your eyes. If you wear a mask, make sure that the eye-holes are large enough that your vision won’t be affected.
- Carry a flashlight with fresh batteries to light your way.
- Visit homes that have inside and outside lights on.
- Accept your treats at the door and never go into a home.
- Always have an adult inspect the candy before eating. Don’t eat candy if packaging has been opened. Remember that small, hard pieces of candy are a choking hazard for young children.
- Be cautious around pets that may come to the door or be outside.
- Eliminate tripping hazards on your porch and around your property.
- Always keep lit Jack O’Lanterns away from drapes, decorations or areas where children will be standing or walking.

Halloween guidelines for your pets:
- Secure your pets indoors on Halloween night - preferably in a room away from your front door. Between the doorbell ringing, odd-looking strangers at the door and all the children’s voices, this night is no “treat” for your dog or cat.
- Keep goodies away from pets. Chocolate and raisins can be particularly dangerous.
- Have ID on your pets - many animals slip out of the house when the door is opened.

The Illinois State Police maintains a database of registered sex offenders in Illinois. The public can access this database by going to the website [www.isp.state.il.us/sor/](http://www.isp.state.il.us/sor/). Once you are in this website, agree to the terms by clicking on “I Agree” and enter the zip code (60035), City (Highland Park) and County (Lake) for a complete listing of registered sex offenders in Highland Park. The Police encourage community assistance in reporting any suspicious or unlawful activity. Let’s all enjoy a safe Halloween in Highland Park. If you have any questions, please contact School Resource Officer Amy Hyndman at 847.926.1122.

Pumpkin Fun Facts:
Pumpkins are full of nutrients that are good for the soil. Pumpkins are 90% water. Most pumpkins processed in the U.S. are grown in Illinois.

Let’s keep the water and those nutrients here; compost your pumpkins! Remember to remove candles, yarn, plastic eyes and mouths, or other decorations before composting.

Residents may put pumpkins in compost collection bins. Contact Lakeshore Recycling Systems for more information about household compost collection, 773.685.8811. The Solid Waste Agency of Lake County (SWALCO) offers pumpkin composting events. For info, visit [www.SWALCO.org](http://www.SWALCO.org).

Domestic Violence Awareness Month

October is Domestic Violence Awareness Month across the nation. This month is dedicated to raising awareness about what domestic violence looks like, the availability of services, and the very real costs to families and communities.

Domestic violence is a prevalent issue facing every community and it takes courage for a survivor to seek help. Organizations such as The Highland Park – Highwood Legal Aid Clinic, a Safe Place and SHALVA are dedicated to keeping individuals and families safe.

For more info., visit [www.hpblegalaid.org](http://www.hpblegalaid.org), [www.shalvaonline.org](http://www.shalvaonline.org), or [www.asafeplaceforhelp.org](http://www.asafeplaceforhelp.org). Community members are also encouraged to contact the Police Department for emergencies (911) or confidential assistance (847.432.7730).

Community - Celebrate 150 Years in 2019!

Celebrate a Rich History, Celebrate a Promising Future: Get Involved!

Plans are heating up for the 2019 celebration of the 150th anniversary of the founding of Highland Park. More than 100 residents, including descendants of the City’s “First Families,” Mayor Nancy Rotering and other government officials; school, library, township and park board leaders; and volunteers from local institutions have participated in brainstorming summits of the HP150 Steering Committee.

HP150 events and activities are expected to include a community-wide “Big Bash,” a commemorative book on Highland Park’s colorful history, and the commissioning of a public art piece. Citizens will be encouraged to commit to 150 service projects to help connect all residents in this milestone year. Residents are also called upon to scour their basements and attics for photos and other historical relics that can be used in promotion of the anniversary.

Sponsorship opportunities have been mailed to all businesses and to all residents as a water bill insert. First Bank of Highland Park has already signed on as a major sponsor of the celebration.

A two-part HP150 Celebration Guide will be released in February and June that will promote the Sesquicentennial and generate excitement about the upcoming events and activities. The guide is no cost to the City and supported fully through advertisements. The HP150 Celebration Guide will also provide opportunities for ad-buyers to promote local not-for-profit organizations.

Highland Park was established as a city on March 11, 1869. Sponsorship and other important information is available on the city website at cityhpil.com/HP150.

Call For Artists - Outdoor Sculpture Celebrating City’s HP150

The City of Highland Park via the Cultural Arts Commission seeks proposals from experienced artists for an outdoor sculpture that celebrates the City’s 150th Anniversary.

The 150th anniversary of the City provides a unique opportunity to reflect on the rich history of Highland Park and set the stage for its future. An unveiling event will bring the community together to celebrate our vibrant city and the people who make it an outstanding place to live, work and play.

This opportunity is an open international competition for the selection of a permanent exterior work.

Goals: The 150th Anniversary public art sculpture must:
- Add to the prestige of the City’s art collection.
- Engage imaginative interaction and reflection.
- Attract and please visitors.
- Contribute to the overall livability of the City of Highland Park.
- Reflect on the innovative energies and creative values of the community.
- Consider the engagement of viewers who encounter the work in differing modes, including on foot, by bike, and in cars.

Learn more about the opportunity on the City’s website at www.cityhpil.com/HP150Art.

Highland Park High School Receives Grant from Ravinia Garden Club

After 90 years of monthly meetings, the Ravinia Garden Club conducted its final official public business on September 25 with the presentation of a $6000 grant to the Highland Park High School Environmental Science teachers and students. The grant, awarded to environmental science teachers Howard Hill, Christine Hill, and Lizbeth Peterson, facilitates the development of a pollinator and native garden on the HPHS campus.

The space will supplement both Environmental Science and AP Environmental Science courses by serving as an outdoor space in which students can practice the principles and concepts taught in the course. The school will have a plaque placed near the on-campus prairie to commemorate the donation.

The Ravinia Garden Club was organized on August 16, 1927, by a group of gardeners in a newly subdivided area of southeast Highland Park. The donation to Highland Park High School ensures that future generations have an opportunity to pursue the goals established by the club:

- Stimulate the knowledge and love of gardening
- Aid in the protection of native trees, wild flowers and birds
- Encourage the artistic and creative use of garden materials

Arne Duncan
How Schools Work: An Inside Account of Failure and Success from One of the Nation’s Longest-Serving Secretaries of Education
Monday, October 15, 7 PM

Arne Duncan was one of the longest-serving members of President Obama’s cabinet. He has spent nearly three decades working across all levels of education, from his mother’s after-school program on Chicago’s South Side to CEO of the Chicago Public Schools. Duncan discusses his new book that throws a spotlight on teachers, principals, reformers, staffers, businesspeople, mayors, and presidents who have helped and hindered the education of America’s children.

Arne Duncan will be joined in conversation with Kate Grossman, senior editor at WBEZ, Chicago’s public radio station, where she oversees education coverage. Previously she was deputy editorial page editor at the Chicago Sun-Times where she wrote editorials on education.

Éric Vuillard
The Order of the Day
Monday, November 5, 7 PM

Éric Vuillard’s The Order of the Day was the winner of the 2017 Prix Goncourt, France’s most prestigious literary prize. Vuillard discusses his historical novel about shady business dealings behind the Nazi annexation of Austria in 1938. Through letters, historical documents, and photographs, Vuillard reconstructs the sequence of events that opened a gateway to one of the greatest humanitarian horrors in history. Presented with the Alliance Française de Chicago.

The 2018 Midterm Elections

Wednesday, October 31, 10:30 AM

The outcome of this fall's midterm elections for Congress will be the most consequential in decades. Professor Jim Marquardt from Lake Forest College will address the effect of the elections to the House and Senate on key domestic and foreign policy issues, and draw parallels between the 2018 midterms and past midterm elections that resulted in both major political parties sharing power. Presented with the Highland Park Senior Center. Sponsored by Comfort Keepers of Chicago North Shore
