Arbor Day Celebration

The Arbor Day Celebration will take place on Saturday, April 28 from 9 AM to 1 PM at Jens Jensen Park. More than a dozen environmentally-friendly organizations and local businesses will offer activities and projects. The City will give away 500 free oak tree seedlings ready for planting. The event is free, family friendly, and open to the public.

2018 Capital **Improvements**

The City's 2018 Capital Improvement Plan is underway with an aggressive schedule to complete over \$17 million worth of infrastructure projects. Learn more www.cityhpil.com/ construction.

Neighborhood Meetings

The City, SD 112 & 113, the Park District, the Library, Moraine Township and Lake County will host several Neighborhood Meetings in convenient locations across town this spring to meet with residents to discuss Highland Park community priorities.

Spring Clean-Up/ **Donation Drives**

Lake Shore Recycling System's Annual Spring Clean-Up begins April 28.

The City is coordinating two Donation Drive events April 28 and May 19 to help increase waste diversion rates.

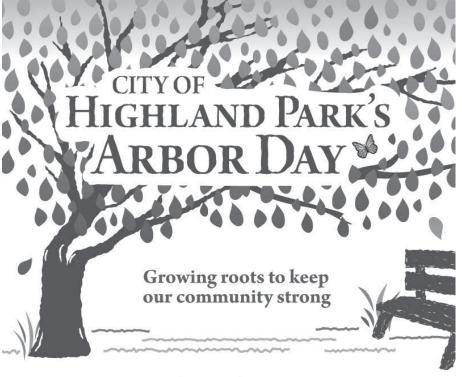

Please consider donating items that can be reused.

(III) City of Highland Park

2018 Capital Improvements

The City's 2018 Capital Improvement Plan (CIP) is underway with an aggressive schedule to complete over \$17 million worth of infrastructure design and construction projects. As one of the city's four core priorities, infrastructure investment is a major component of Highland Park's annual, five-year fiscal year budget and work plan.

A major CIP project scheduled to begin in May, 2018 is the Asphalt Street Rehabilitation Program. This project is designed to extend the life of our existing pavement and provide a new smooth riding surface for motorists.

In addition, sidewalk repairs and replacements will begin in June. The annual repair program addresses tripping hazards and replacement of deteriorated sidewalk panels.

Residents will be notified in advance of the construction schedule and any planned road closures.

The capital improvement projects can be reviewed with project descriptions and mapped locations on the City's website at www.cityhpil.com/construction or call the Department of Public Works at 847.432.0807.

Prioritizing Infrastructure

Manuy R. Rotering

As Mayor, City Council and staff, our focus is on our core priorities: fiscal sustainability, public safety, investment in our infrastructure, and community vibrancy. Every decision we make considers these priorities and considers improving the efficiency and quality of City operations.

Our capital assets include our roads, sewers, water mains, equipment and machinery, and more than two dozen city-owned buildings. As the weather improves, we move into construction season where you will see our investment in action.

Go to www.cityhpil.com/construction to visit our interactive map detailing our many capital improvement projects. Over the last seven years, we have consistently increased investment in Citywide infrastructure to ensure public health and safety now and for years to come.

Our Asphalt Street Rehabilitation Program will be underway as soon as the asphalt plants open in April. Potholes will be filled and repairs will be made to extend the life of our existing pavement. New sidewalks continue to be added, allowing us to safely and easily reach our neighbors and visit our businesses. Decades-old dangerous gaps on major roads continue to be filled providing for safe passage, making our town more attractive and connected.

Our goal is to identify solutions as we balance wants versus critical needs. We recognize the importance of maintaining a vibrant community while mitigating the financial impact associated with owning and maintaining our assets now and for the future. See something that needs fixing? Let us know on our request tracker at www.cityhpil.com/requesttracker.

Briergate Business District Redevelopment

The City is considering land use and redevelopment options in the Briergate Business District (BBD) which is located along US 41, along Deerfield Road, Old Deerfield Road, and Old Skokie Road.

City staff presented land use and redevelopment alternatives for the BBD at the February 26 City Council Committee of the Whole Meeting, which included six different potential strategies for redevelopment within the District.

The City invites residents to attend a Neighborhood Meeting where they will have an opportunity to meet with elected officials and staff from all government entities; the first meeting will be held on April 18. The City is pleased to discuss the Briergate Business Tax Increment Financing District (TIF), plus available property and redevelopment opportunities within the BBD.

For updates or more information about the TIF District, please visit www.cityhpil.com/BriergateTIF.

2018 Neighborhood Meetings

The City of Highland Park, North Shore School District 112, Township High School District 113, Park District of Highland Park, Highland Park Public Library, Moraine Township and Lake County will host several Neighborhood Meetings this spring to meet with residents and discuss Highland Park community priorities.

Neighborhood Meetings, which will be held in convenient locations across the city, are an opportunity for residents to interact with staff, elected officials, and other community leaders in a friendly, informal environment. The public is invited to provide input and feedback to Highland Park's governing bodies. Residents may attend any meeting.

The schedule and location of these two-way conversations are listed below.

- April 18, 7 PM, West Ridge Center (636 Ridge Rd.)
- April 26, 7 PM, Braeside School (150 Pierce Rd.)
- May 7, 7 PM, Public Services Center (1150 Half Day Rd.)
- May 23, 7 PM, Highland Park High School (433 Vine Av.)
- June 4, 3 PM, Highland Park Senior Center (54 Laurel Av.)
- June 21, 7 PM, Highland Park Library (494 Laurel Av.)

For more information, please contact the City at 847.926.1000.

Leaf Blower Restrictions Begin May 15

The use of gas-powered leaf blowers is prohibited between May 15 and October 1. Gas-powered leaf blowers may be used for cleaning gutters until June 15. Electric powered leaf blowers are permitted. Questions? Contact 847.926.1000.

Highland Park at a Glance

Appreciating Our Architectural Heritage

Architectural gems that are usually obstructed by shrubs and foliage are more visible this time of year making early spring the perfect time to browse the beautiful architecture around Highland Park.

The John Van Bergen Architectural Tour

John Van Bergen designed more than 40 buildings in Highland Park, several dozen of which have stood the test of time. Mr. Van Bergen was born in Oak Park in 1885 and joined Frank Lloyd Wright's architecture firm in 1909. Van Bergen worked in Wright's Studio until joining the World War I effort in 1917 converting existing Fort Sheridan buildings into hospitals. After receiving an honorable discharge in 1919, John married and re-settled in Ravinia. John and Ruth built a home in the Prairie Style at 234 Cedar Avenue. John designed buildings in a variety of styles.

Van Bergen is perhaps best known for his work in the Prairie Style, which sought to integrate human-built architecture with the natural landscape. However, in Highland Park you can also see Van Bergen's exploration with other architectural styles including the:

- International Style (326 Delta Road, 344 Bloom Street)
- Neo-Traditional Style (297 North Deere Park Dr. East)
- Commercial Style (1894 Sheridan Road)
- Tudor Revival Style (487 Groveland Av/266 Delta Road)
- *Please be respectful of private homes and property.

Additional Self-Guided Architectural Tours

Did you know the Community Development Department has five self-guided walking tour brochures on the Highland Park website? You can find a tour brochure and map of John Van Bergan's work at www.cityhpil.com/walkingtours.

The City will be updating historic preservation resources and piloting outreach programs over the next few months. A series of architectural heritage spotlight articles will run in *The Highlander*. For more information, please contact the Planning Division at communitydevelopment@cityhpil.com.

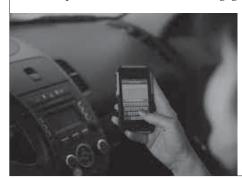

Distracted Driving Enforcement

The Highland Park Police Department will join hundreds of law enforcement agencies across the state during Distracted Driving Awareness Week April 23 - 27, working to educate our motorists about the dangers associated with distracted driving, as well as, conducting enhanced enforcement. Distracted Driving Awareness week is a united effort to recognize and eliminate preventable deaths from distracted driving. ust one second of your attention is all takes to change a life forever.

The Police Traffic Unit was awarded an Illinois Department of Transportation Distracted Driving grant to conduct nu-

merous daytime and nighttime patrols for enforcing Distracted Driving laws April 15-30, 2018. For further information, please contact Sergeant Chris O'Neill at 847.926.1766.

Musicians Wanted for Bitter Jester Music Festival

The 13th Annual Bitter Jester Music Festival is looking for musicians! Open to all bands ages 12-20 (at least half of the applying band members must be under 21). Over \$35,000 in cash and

prizes were awarded last year and winning bands also have a chance to play showcase concerts at Navy Pier and the Taste of Highland Park! Email Music@BitterJester. com for more information and an application.

Photo by Richard Shay

May 15 Leaf Blower Restrictions Begin

This is to remind residents that the use of gas-powered leaf blowers is prohibited between May 15 and October 1. Gas-powered leaf blowers may be used for cleaning gutters until June 15. Electric powered leafblowers are permitted. Residents are encouraged to remind their landscape service providers. This restriction does not apply to golf course maintenance operations. For questions, please contact the City Manager's Office at 847.926.1000.

Community Calendar

Keeping our Lakes, Rivers and Stormwater Systems Clean: Best Management Practices for Homeowners

Most pollutants that make their way into rivers and lakes have a negative effect on water quality and our health. Rainwater that goes into the street catch basin or curb inlet, most of the time, goes directly into a river or a lake, which serve as fresh water sources for many municipalities. Stormwater runoff is typically not treated or cleaned like water that flows into a sanitary (wastewater) system.

Keeping our lakes, rivers and stormwater systems clean and free of pollutants is everyone's responsibility.

Please follow the Best Management Practices below to keep rivers and lakes clean:

- **Dog Waste Management:** Dog waste is a major contaminant of the water supply. Proper cleanup of pets limits the amount of pathogens that are washed into waterways. Appropriate disposal includes bringing a bag, picking up the waste and then disposing it in the trash.
- Phosphorus-Free Fertilizers: City Code restricts the application of fertilizer containing inorganic phosphorus. Phosphorus is a common nutrient found in lawn fertilizer and is one of the most problematic pollutants in stormwater. High levels of phosphorus result in excess algae growth that depletes water of

oxygen, drastically reduces water quality and ultimately causes fish to die. Naturally occurring phosphorus or organic fertilizing products (yard waste compost, biosolids or other similar materials) are an alternative solution.

- Household Chemical Waste (HCW): HCW describes a variety of chemical products found in a household that have toxic or hazardous characteristics. Common HCW products include cleaning products, oil based paints/varnishes, flammable liquids, automotive products, garden chemicals, personal care products, and medications. When disposed of improperly these products can contaminate the water and harm the environment. Visit www.swalco.org to learn how to responsibly dispose of HCW.
- Swimming Pool/Hot Tub/Spa Clean Outs: City Ordinance requires that swimming pools be drained directly into a sanitary sewer. This ensures that harmful chemicals can be removed at a treatment plant. Discharging pool water into storm sewers, ravine streams or other natural water bodies is illegal.

The City is committed to high-quality drinking water and protecting and preserving our natural ecosystems. For additional information on the City's stormwater pollution efforts, contact Public Works at 847.432.0807.

It's Time for Backflow Prevention Annual Testing

The City is committed to providing healthy, high-quality water, but we need your help to prevent contamination from occurring at your home or business. Drinking water normally flows in one direction, from the meter to the house. Under certain circumstances, it can flow in the opposite direction, which is called "backflow."

Lawn irrigation systems are required to install a backflow prevention device prior to connection to City water system. An unprotected cross connection can cause backflow to occur. An approved backflow prevention device protects the City water system from chemicals, animal waste, bacteria, and other harmful pollutants migrating via lawn irrigation systems. Each spring, prior to activation of a lawn irrigation system,

the backflow device is required to be inspected by a licensed plumber. Swimming pools and hot tubs should be filled using a hose bib vacuum breaker, which is installed on the faucet. Fire sprinkler systems' backflow protection device should also be inspected annually along with your fire protection system.

For information on backflow prevention devices and frequently asked questions, visit www.cityhpil.com/backflow or call the Public Works Department at 847.433.4355.

Fire Dept. Knox Box Program

A Knox-Box is an emergency access tool that gives first responders immediate entry to a building or property without using force. The secured steel box – installed near a property's front entrance or gate – contains a "master key" that allows firefighters to quickly enter a building without resorting to force. Seconds count when responding to a 911 call; patients may not be able to unlock the door. Learn more at www.knoxbox.com or contact the City of Highland Park Fire Department at 847.433.3110.

Senior Center

May - August, 2018

The Highland Park Senior Center Activity Guide

54 Laurel Avenue Highland Park, IL 60035 847.432.4110

Welcome to the Highland Park Senior Center,

The City of Highland Park proudly introduces the Highland Park Senior Center to its residents, in this special abridged edition of *The Shorelines* newsletter. The Senior Center strives to provide exceptional education, recreation, enrichment and support services targeting a population from 50 years of age and upward. Located in a historic greystone mansion overlooking Lake Michigan, this is a great time to visit the Highland Park Senior Center to see firsthand the many opportunities available.

- ~ Life-long learning with excellent speakers for Monday Speakers Series, Barry Bradford Lectures, and the Humanities Series
- ~ Fitness classes including: Fit for Life, Gentle Yoga, Sit & Be Fit, and Better Balance
- ~ Classes in canasta, mah jongg, water color painting, photography, Spanish, driving & more
- ~ Social events featuring amazing entertainment, themed luncheons, dances, and restaurant outings
- ~ Day excursions to the hottest new plays, museum exhibits, and points of interest with transportation
- ~ Community service and volunteer opportunities for residents
- ~ Access to free transportation for seniors, on a fixed route within Highland Park
- ~ Resources and information for families facing transitions including housing options, home care referrals, and a medical equipment loan closet
- ~ Full time Social Services Coordinator providing support groups for individuals living alone and those experiencing grief from a recent loss, as well as support for individuals seeking counseling and support

Annual membership cost is \$30 for a single resident or \$50 for a resident couple, and includes many

free activities, priority registration, lower rates for fee based activities, and a discounted ticket pass for use at a variety of local concert and theatre venue performances. The complete newsletter and membership application are available on line at: www.cityhpil.com, or in person at the Center.

Spring Clean Up Begins April 28

The City's annual Spring Clean-Up Program will be offered by Lakeshore Recycling Systems on four consecutive Saturdays beginning April 28 and ending May 19. This year, collection will again coincide with residents' primary garbage collection day (the primary collection day is the day both garbage and recycling are collected). Items must be placed at the curb no later than 7 AM on collection day. Important note: This program is for Single-Family Residential customers only.

In order to keep City streets clean, it is requested that residents not place any material out for collection earlier than one week before a scheduled collection.

Lakeshore Recycling Systems will pick up all allowable over-

sized items that are placed at the curb on residents' scheduled Spring Clean-Up days. For more information about Spring Clean-Up, including a list of accepted and prohibited items, visit www.cityhpil.com/springcleanup or call the City Manager's Office at 847.926.1000.

For Single Family Residences Only:

<u>Area</u>	Collection Day	Spring Clean-Up Day
SE	Monday	Saturday, April 28
SW	Tuesday	Saturday, May 5
NE	Thursday	Saturday, May 12
NW	Friday	Saturday, May 19

Save the Dates - Donation Drive April 28 and May 19

The City is coordinating two separate Donation Drive events with Savers, which will coincide with the LRS Spring Clean-Up to help increase waste diversion rates. Please consider donating items that can be reused. Savers accepts gently-used clothing, linens, jewelry, shoes, accessories (such as belts and purses), and small household goods. For more information, visit www.cityhpil.com or call 847.926.1000.

City of Highland Park PARK DISTRICT

Saturday, May 19, 9AM - 1PM Hidden Creek Agua Park, 1220 Fredrickson Pl.

Fill a bag and make a difference!

Donate unwanted items including gently used shoe

Report Potholes

With the onset of warmer weather and freezethaw cycles occurring this time of year, City streets develop pockets of distressed areas commonly known as potholes. A typical pothole is created with precipitation seeping through surface pavement into sub-pavement (3"-4" below) creating an expansion of area. With warming temperatures, the pavement begins to thaw thereby expanding the area and, with increased road traffic, the area enlarges creating a pothole. Please note, pothole repairs completed in winter are done using cold patch asphalt, and are considered temporary repairs. Permanent pavement patching repairs are performed in the spring to improve roadway conditions.

Help the Public Works Department maintain City streets by reporting potholes via the City Pothole Hotline at 847.926.1178. This 24hour hotline allows residents to report a pothole location by leaving their name, address, phone number and specific location of the pothole.

Pothole repairs may also be reported on the City's website at www.cityhpil.com by clicking on "Customer Service Request" on the main page. Pothole repairs are typically addressed within 24 - 48 hours upon notification.

Contact Public Works at 847.432.0807 during normal business hours or call 847.432.7730 during off hours.

North Shore School District 112

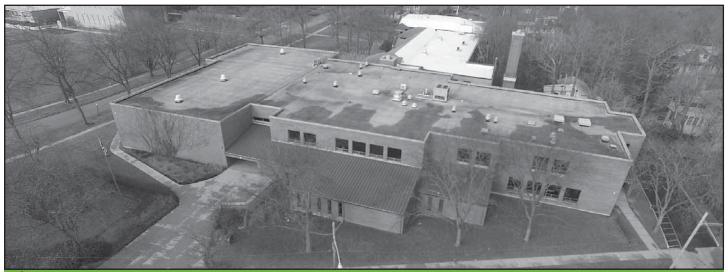

Please note that this page is submitted, written and edited by the North Shore School District 112 and does not reflect the views or opinions of the City.

Online Registration For 2018-2019

Beginning May 1, 2018, North Shore School District 112 will implement an online registration program. This new program will allow parents to take charge of their students' data and will allow the District to better serve students and parents. All District 112 parents must complete this online registration process for students at all grade levels for 2018-2019 school year by June 15, 2018.

Visit www.nssd112.org/onlineregistration for more information.

Elm Place Legacy Event

Step back into Elm Place History on May 5th from 6 p.m. to 8 p.m. Walk in the shoes of an Elm Place student as you explore the halls taking part in activities all throughout the school. This legacy celebration event will feature **building tours**, **displays of important school artifacts**, **student film showings**, **special Elm Place history themed refreshments**, **and much more!**

Visit www.nssd112.org/EPLegacy for more information.

Upcoming Board Meetings

Township High School District 113

Please note that this page is submitted, written and edited by the Township High School District 113 and does not reflect the views or opinions of the City.

Fine Arts at Highland Park High School

Spring performances and exhibits continue in April, as our visual arts students display their work at the Central Suburban League Art Exhibit, the HPHS Band teams up with Edgewood and Elm Place Middle Schools for Jazz Nite, and the HPHS Theatre department presents the Spring Play, *Peter and the Starcatcher*.

CSL Art Exhibition April 13 - 21 at The Art Center HP Opening Reception: April 17, 6:00 - 8:00 p.m

The Central Suburban League (CSL) is comprised of twelve high schools—Deerfield, Evanston, Glenbrook North, Glenbrook South, Highland Park, Maine East, Maine South, Maine West, New Trier, Niles North, Niles West, and Vernon Hills. The CSL Art Exhibit will feature creative works of all mediums, including drawing, painting, printmaking, sculpture and ceramics, photography, and digital imaging. The opening reception will take place on Tuesday, April 17 from 6:00 - 8:00 p.m. at The Art Center Highland Park (1957 Sheridan Rd), with the exhibit itself running from now until Saturday April 21. We encourage you to check out some of our students' best works!

HPHS Jazz Nite April 20, 7:00 - 10:00 p.m.

Enjoy sweet sounds from the golden age of jazz and a few contemporaries – with the Highland Park High School Jazz Program, featuring the talents of the amazing Jazz Combo, Jazz Ensemble, and Jazz Lab. The HPHS Cafeteria will be transformed into a jazz club for the evening.

Special performances include the Edgewood and Elm Place Middle School jazz bands.

Tickets for HPHS Jazz Nite include dinner:

Adult - \$25

Senior (65+) - \$10

Table of 8 - \$200

Please visit dist113.org/jazznite for more information and to purchase tickets. We hope you are able to join us for a wonderful evening!

Spring Play - Peter and the Starcatcher

April 26, 7:00 p.m. April 28, 2:00 p.m. April 27, 7:00 p.m. April 28, 7:00 p.m.

This Spring, the HPHS Theatre department presents *Peter and the Starcatcher*, a play by Rick Elice, with music by Wayne Barker

The Tony-winning Peter and the Starcatcher upends the century-old story of how a miserable orphan comes to be The Boy Who Would Not Grow Up (a.k.a. Peter Pan). A young orphan and his mates are shipped off from Victorian England to a distant island ruled by the evil King Zarboff. They know nothing of the mysterious trunk in the captain's cabin, which contains a precious, otherworldly cargo. At sea, the boys are discovered by a precocious young girl named Molly, a Starcatcher-in-training who realizes that the trunk's precious cargo is starstuff, a celestial substance so powerful that it must never fall into the wrong hands. When the ship is taken over by pirates - led by the fearsome Black Stache, a villain determined to claim the trunk and its treasure for his own - the journey quickly becomes a thrilling adventure.

The play will be presented in the Studio Theatre. Tickets are \$10.

Park District of Highland Park

MONEY SMART WEEK

Money Smart Week, coordinated by the Federal Reserve Bank of Chicago, is designed to help consumers better manage their personal finances with hundreds of free financial education classes held throughout Chicago.

See what you can learn at the Library's Money Smart Week Classes. Registration suggested. Register at hplibrary.org.

Highlights of the New Tax Law Wednesday, April 25, 7 PM

How does the new tax law affect individuals? Learn about the new tax brackets and how

changes to deduction and credits may affect families and small businesses. The presentation will also include a 2018 market update with a review of the economic trends that have affected global markets in the first quarter.

Wills, Trusts, and Estate Planning Basics Thursday, April 26, 7 PM

Learn about wills, trusts, powers of attorney, probabe, guardianship, and how to ensure your final wishes can be protected. The importance of updating existing documents to reflect changes in the law and personal circumstances will also be reviewed. Presented by attorney Jacob K. Ehrensaft.

Most Valuable Card in Your Wallet — Your Library Card Saturday, April 28, 3 PM

Highland Park residents have access to ebooks, eaudiobooks, streaming movies, television shows and music, research databases, online classes, and more! Attend this overview to learn about available resources.

Knowing Your Audience: Code-Switching & Social Performance

Monday, April 16, 7 PM

"Yo!" "Greetings." "Hey there!" Most of us have engaged in a phenomenon of social interaction known as "code-switching," where we alter our language or dialect depending on who we are talking to. Experts in linguistics, sociology, and performance from The University of Illinois at Chicago, Northwestern University, and Lake Forest College use real world examples to explore code-switching and how we present ourselves and communicate. A From Page To Stage program presented in conjunction with Writers Theatre's production of *Smart People*, a play that examines issues of privilege, implicit bias, and miscommunication.

Theatrical Reading Much Ado About Nothing

Sunday, May 6, 2 PM

Equity actors from the Shakespeare Project of Chicago present a theatrical reading of one of Shakespeare's most popular comedies. A discussion with the cast follows the performance. Sponsored by the Friends of the Highland Park Public Library

Ravinia Festival Season Preview

Monday, April 23, 7 PM

Get ready for summer! Welz Kauffman, President and CEO of Ravinia Festival, previews Ravinia's coming season. Discover what concerts to add to your schedule. Get a sneak peek of Ravinia's new ice cream carts serving hand-dipped ice cream around the park this summer and enjoy a scoop of their signature ice cream. Enter a free raffle for such prizes as concert tickets, picnic gear, and dinners. Following the event, view the Library's collection of Ravinia Festival posters.

Folk duo Jen Reilly and Eddy Bluma perform, blending elements of traditional and innovative folk roots, classic country, and rock.

The concerts are partially funded by the Highland Park Cultural Arts Commission in partnership with the Illinois Arts Council, a state agency, and by a grant from Yea! Highland Park.
