 City of Highland Park

**DIGITAL KIOSKS IN
DOWNTOWN HIGHLAND PARK**

Construction of four new digital informational kiosks in Downtown Highland Park is nearly complete. The digital kiosks align with the City's Business Development Strategic Plan, which sets forth measurable strategies and actions to support our local businesses. The kiosks encourage pedestrian activity and provide directional signage as well as an assortment of helpful information and upcoming events, further contributing to the vibrancy of the Central Business District. The kiosks may also be used to announce infrastructure projects that will affect the area. The kiosks are expected to be operational in April.

For more information, please contact the City Manager's Office at 847.926.1000 during normal business hours.

TURN OFF YOUR LIGHTS FOR EARTH HOUR

The City of Highland Park supports Earth Hour. Be one of the millions of people around the world who will turn off their lights for one hour on March 30 at 8:30 PM to show support for the protection of our planet's rich biodiversity and to combat climate change.
