GET INVOLVED IN HP150!

Highland Park

The City of Highland Park is celebrating its sesquicentennial (150th anniversary) in 2019 with highly visible special events, concerts, City tours and more. Plans are underway for a wide variety of activities which will bring the community together to celebrate the community and its wonderful history. There are a number of ways for your business to get involved with the celebration and make 2019 a year to remember!

HP150 Sponsorship Opportunity

HP150 bricks are still available for purchase. Buy a personalized brick to celebrate the occasion and leave your mark on Highland Park. Bricks will be placed at the corner park at Deerfield, Hickory, and Laurel in fall, 2019. The final deadline for brick sales is May 1, 2019. Brick forms are located *here*.

Tell Us Your Story

Does your business have an interesting story? We want to hear it! Stories are being featured monthly in the City newsletter and select stories will be shared as part of the HP150 Celebration Guide in the June Highland Park Landmark. Submit your story to cityhp@cityhpil.com. Photos are encouraged with submissions.

Do a Service Project

The City of Highland Park's HP150 Service Committee needs your help achieving 150 service projects to commemorate the 150th anniversary of the City's founding in 1869. If your business is coordinating a service project or volunteer initiative, please contact Marietta Stevens at the Volunteer Pool of Highland Park at info@volunteerpoolhp.org or call 847.433.2190 with a short description of the service project, its impact, and a photograph after the project has been completed. HP150 Service Projects can be as simple as volunteering at your local animal shelter or picking up trash at a park.
