## COVID-19 Updates from the State of Illinois

### *Stay at Home Order Extended*

On Thursday, April 23, Governor Pritzker announced plans to extend the State's Stay at Home Order. The Order, which will go into effect on May 1 and continue through May 30, 2020, incorporates several modifications which will lessen some restrictions while still actively managing the spread of COVID-19 and the burden it places on the healthcare system. A modified Stay at Home Order is possible because Illinoisans are successfully bending the curve of infection through strict social distancing measures.

Highlights of the modifications include:

- Face coverings required statewide for individuals ages 2+, in public when a distance of 6' from others cannot be maintained
- Greenhouses, garden centers, nurseries and animal grooming services considered essential businesses
- Non-essential businesses may fulfill telephone and online orders via curbside pick-up and delivery
- Some elective surgeries may be resumed, based on criteria
- State Parks will begin a phased reopening
- Golf courses may open provided operators, employees and golfers follow strict safety measures

[More information](#) about the modified Stay at Home Order is available on the City's website.
