Policy #12

EQUIPMENT WITH TRANSFORMER CHARGING ADAPTERS

EFFECTIVE

01/MAY/91

REVISED

28/OCTOBER/2020

1.0 Purpose

1.1 The purpose of this policy is to advise all personnel on equipment that requires charging.

2.0 Responsibility

2.1 It is the responsibility of all personnel to know and understand all aspects of this Policy.

3.0 Policy

3.1 All impact suction units carried on department vehicles will be placed on charge on Monday morning and taken off charge on Tuesday morning or charged after each use.

3.2 All other equipment that requires charging will be charged per manufacturers' specification every Monday and after use.

3.3 Items such as cardiac monitors, portable radios and thermal imagers shall have a full charge at the start of the shift. This is achieved by rotating a fresh battery into the unit and placing the removed battery on charge.
