Person of Interest Identified in Highland Park (IL) Fourth of July Parade Shooting

Highland Park, Illinois – Investigators from the City of Highland Park Police Department, the FBI, the Lake County Major Crime Task Force and law enforcement agencies throughout the area have been working tirelessly on the investigation of the active shooter at the Highland Park (IL) Fourth of July Parade.

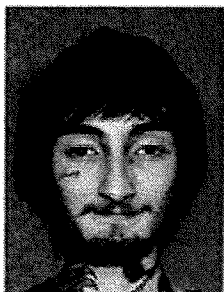

Through law enforcement partnerships and community information and leads, a person of interest has been identified as Robert (Bobby) E. Crimo III. He is twenty-two years old. He is believed to be driving a 2010 Silver Honda Fit, IL Lic. Plate DM 80653. A photograph is included below.

Numerous federal, State and local law enforcement agencies working on apprehending this person of interest. Investigators continue to receive tips from the public and law enforcement partners, and will follow up on all of them. Individuals who have information to share with police, are urged to contact 1-800-CALL-FBI.

The City of Highland Park extends its deepest condolences to the loved ones of those who were impacted by the horrific incident in our community.

Further information regarding this investigation will be posted to cityhpil.com as available, and law enforcement will continue to provide regular briefings to the public.

Hi Sheara,

Unfortunately tonight we are not able to schedule individual interviews, while our focus remains on providing regular media updates regarding the investigation.

Mayor Rotering would be available tomorrow, however, if there are any times that work for you.

Thank you very much for reaching out.

Hi Amanda,

I'm a producer for MSNBC's Chris Hayes. Chris is hosting the 6p to 8p ET (5p to 7p CST) hours tonight. We are watching this horrible shooting in Highland Park. Would the Mayor be available to join Chris tonight to talk about what happened? This would be for a LIVE interview for about six or seven minutes during these two hours. We could accommodate her on FaceTime, Skype, or Zoom. We could also take a phone interview with her if that's easier.

Thanks Amanda!

[EXTERNAL EMAIL]

Hello HP Police Department:

**Re: >>> Eyewitness Video <<<
(Trained SNIPER(s) who killed multiple citizens in Highland Park today). ... 2 snipers**

<https://youtu.be/0TswGH7BBYg>

Forwarding you a recording of WGN 9 Breaking News that was reporting live early today right after the shooting happened. Please watch the direct eye-witness account **that starts at: 11:47 AM (CT) (time stamp at top right corner of video) and ends at: 11:53 AM.** Note: the eye witness named **Michael** reports that he saw the sniper who was crouched down behind the lamp-post-STOP-sign at the North/East corner of 2nd St. & Central St. in Highland Park. He says: the sniper was "in a military crouch" and had "a rifle with a sight", "he was very military-style methodical". Sniper shot a woman dead a few feet away (from where Michael was) and the victim's blood splattered onto his wife's clothing who was sitting in a wheel-chair.

The fact that the shooter-sniper shot at lower legs, feet and ankles supports that the SNIPER was crouching at ground level as he shot. If he was on the rooftop, the injuries would more likely be in the head rather than feet or ankles.

The other witness named [REDACTED] clip starts at 12:28 pm and ends at 12:34 pm. Note: she says "one of the shooters" was on top of the Ross Cosmetics buildings and aiming to his left and down". This account supports the second shooter scenario.

Hope this helps!

Please release the results of his toxicology reports once he is in custody. I have been trying to get these records released to the public for quite some time with no help from our elected representative. I have been in the field of addictions for over 30 years. This person (photos) is clearly a person that uses/abuses substances. This is also the case with many many shooters.

Statement of Cardinal Cupich on the July 4 mass shooting in Highland Park

I have been watching the news in horror as at least 6 are dead and many more were wounded after a gunman opened fire as families attended an Independence Day parade in Highland Park. What should have been a peaceful celebration of our nation's founding ended in unspeakable tragedy.

Please join me in praying for the victims and their loved ones, who never imagined a July 4 celebration could become a killing ground. Pray too for the safety of first responders as they pursue the person responsible for this tragedy. They bravely rushed into the danger to treat victims and to protect others from harm.

The parade reportedly had a heavy presence of police and fire vehicles, yet this shooter was able to wound at least two dozen people before he stopped, or was stopped, and fled. Victims ranged in age from 8 to 85. Weapons designed to rapidly destroy human bodies have no place in civil society.

It is barely July, and this year the United States is already experiencing more than one mass shooting a day. Chicago Police reported at least 55 shot and 7 killed since Friday, and the holiday weekend is not yet over. Gun violence is now the leading cause of death for U.S. children.

Whatever one makes of the right to bear arms, there is plenty of room for prudential judgment in interpreting the Second Amendment so as to enact serious, broadly popular gun-safety measures. The Senate finally passed a significant, yet modest, gun-safety bill last month. But clearly more must be done.

The right to bear arms does not eclipse the right to life, or the right of all

Americans to go about their lives free of the fear that they might be shredded by bullets at any moment. Gun violence is a life issue. We must continue to pray that all our officials, elected and unelected alike, will redouble their commitment to keeping safe the people they have sworn to serve.

Pope Francis wrote to the people of Chicagoland in 2016: "As Dr. Martin Luther King Jr. said, humanity 'must evolve for all human conflict a method which rejects revenge, aggression and retaliation. The foundation of such a method is love.' I urge all people, especially young men and women, to respond to Dr. King's prophetic words and know that a culture of nonviolence is not an unattainable dream, but a path that has produced decisive results."

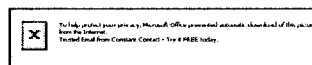

May the Lord of mercy embrace in love those who have died, bring healing to the wounded, comfort to their loved ones, and courage to all of us, so that we may respond to this tragedy united as God's children to build a path to safety and peace.

Hello, first we all grieve for the pain being felt in your community, our prayers are for you all.

When the person of interest was announced (Robert Crimo), I checked the internet for any digital history and found that Mr. Crimo has (had, it has been taken down) a video on YouTube that appears to suggest his violent plans.

I downloaded the video before YouTube removed it. Would you be interested in the video for your investigation? Let me know how I can get it to you. It is approx. 42MB in file size. I'm attaching a snap shot from his video. It is disturbing.

As I told you, my wife and I went to Walker Bros pancake he's immediately after shooting to help and a man that was shot in the leg was lying on his face in lots of blood and a young man was over him wrapping a cloth over his leg wound and trying to stop the bleeding. He was yelling for a medic and when the medic came he ran off. He did not look like the photo displayed as the killer.

Heard the reports of the shooting. My heart goes out to everyone. Saw an Instagram video from what seems to be video from a second story in the reported area where the shooter was from news outlets (2nd and central) that looks across to the Aveda salon. Poster of video appears to be possibly a male brunette in their 20s from tagged pictures on account. Seems like a video to be watched, possible person of interest? I tagged all media outlets, but ask you look to see if it will help you? I could not find your Instagram account to tag. May be nothing, but seems unusual.

Park District Team Members,

Please see the attached resource from *First Responders Wellness Center*.

As a reminder, unless you have spoken to me, Chris Kopka or your Department Head, no employee should be reporting to work tomorrow as regularly scheduled. Employees should only report to West Ridge Center to seek support counseling and incident debriefing.

The first group will meet at 10am for roughly 90 minutes. Another group will meet around 11:30am and support teams will be onsite during the afternoon. Please let me know if you plan to attend so can accommodate all needs.

There is no longer a lock down in the City of Highland Park. However, a crime scene remains and numerous federal, State and local law enforcement agencies working on apprehending this person of interest. Investigators continue to receive tips from the public and law enforcement partners, and will follow up on all of them. Individuals who have information to share with police, are urged to contact 1-800-CALL-FBI. Updates are being posted on the [City's website](#).

Additional updates will be provided as they become available.

Dear Park District Team Members,

Our hearts, thoughts and prayers are with the victims and their families who were injured and lost their lives today at the tragic shooting during the July Fourth Parade. I want to thank every staff, commissioner, and volunteer team member today who acted swiftly, supporting, and protecting our community members and each other. Thank for your prompt response to close facilities and care for each other. My hearts and thoughts are also with all of you, whether you were close to the incident or not -- we all experienced this tragic event together.

Please read below. If you have any questions contact me (bromes@pdhp.org) or Chris Kopka (ckopka@pdhp.org), Director of Human Resources.

- Tomorrow, July 5:
 - **All Park District Facilities will be closed, and all programs will be cancelled.** A follow-up email will be sent to Managers and Supervisors on communication guidance for parents and participants of our programs and services. Liz Gogola will be messaging information through our email, on our website and social media.
 - **Staff do not need to report to work tomorrow.** Your physical and emotional, health and wellness are priority.
 - ***First Responders Wellness Center will be on site at West Ridge Center*** to provide team members with trauma support and counseling:
 - ***10am, West Ridge Center – All team member who were at the Parade are encouraged to attend if you feel comfortable doing so***
 - ***11am, West Ridge Center - All team members who were in Highland Park today are encouraged to attend if you feel comfortable doing so***
 - ***12pm and on, West Ridge Center – All team members who would like additional support are encouraged to meet individually with a counselor from First Responders Wellness Center***
 - ***Please email me if you plan to attend any of these. Your email is not required but will help us understand how many team members will be on site.***
 - Highland Park High School will also have counselors available for students and staff members. Details will be posted on the [District 113](#) and [Highland Park High School](#) websites as soon as they become available. In the meantime, please be aware that crisis counselors are available at the Crisis Text Line 24/7 by texting HOME to 741741. Families may also find [this resource from the National Association of School Psychologists](#) helpful in talking about violence with your children.

Our priority is to support and ensure the health and well-being of our employees and community. I will follow up with additional logistics as we continue to debrief, assess, and plan our next steps.

Please forward this email to all staff that does not have a Park District email and contact me or Chris Kopka if you have any questions.

Critical Incidents- Common Reactions

Most common distortions of the traumatic event are:

- Distortion of time-(time sped up or slowed down)
- Sensory distortions- (i.e. tunnel vision, hearing changes, etc.)
- Perceptual or Behavioral Distortions- (i.e. Objects change size)
- Sense of helplessness-Limited choices
- “Fight/Flight/Freeze” response
- Disturbance in memory- sometimes our memory gives us “tunnel memory”
- Hyperarousal/Hypoarousal- heightened awareness of our surroundings or constriction of our perception
- Replaying the incident in your head (what ifs)

After a trauma an individual may feel:

- Detached
- Shock and disbelief
- Anxiety, nervousness
- Pre-occupied with thoughts about the incident
- Angry, resentful
- Highly sensitive to others
- Guilt/Guilt for not feeling guilty
- Blaming others
- Hypervigilant, more so in public
- Unexpected emotions
- Relief
- Proud, Happy
- Exhilaration
- Acceptance/Resolution
- Feelings of Isolation
- Feelings that change or may conflict
- Scared/Afraid, particularly in social settings

After traumatic incidents individuals may exhibit increased emotions/bodily sensations such as:

- Changes in appetite and/or sleep
- Nausea and stomachaches
- Anxiety and/or Depression
- Changes in sexual function or libido
- Flashbacks of the incident
- Anger, irritability
- Intrusive memories
- Crying/Unexpected crying
- Headaches
- Weakness/Fatigue
- Muscle Tension/Twitches
- Poor concentration/Forgetfulness
- Daymares/nightmares
- Low frustration tolerance
- Avoiding things related to the incident
- Hypersensitivity & abrupt mood changes

Any emotions or changes can occur and are normal, but they should lessen over time. If your symptoms start to increase and/or impact your day to day living, then please call a mental health professional.

Call FRWC at 1-630-909-9094 or email info@firstresponderswellnesscenter.com or find a police and public safety therapist.

I'm reaching out to inquire if Mayor Nancy Rotering may be available to join us for a live, TV interview tomorrow morning (July 5th) to discuss the 4th of July Parade shooting that occurred in Highland Park today.

We would like to discuss the latest updates on the shooting and the naming of the suspect.

The interview would be 5-7 minutes via Skype or FaceTime. Our show runs from 5-9am CT. We are looking for Mayor Rotering's availability at 6:10, 7:10, 8:10am CT.

Please let me know if she may be available.

My condolences to the community of Highland Park.

Deputy Chief,

My condolences to you and your community on today's tragedy. No words...

I am the Team Lead for a tactical Peer Support resource. We have specially trained Peer Support K-9s and their CISM, PTSM, PFA & ASHER trained handlers. These are not therapy dogs but trained trauma canines/handlers.

Our backgrounds are FD, EMS, PD. We plug into your Peer Support efforts augmenting existing resources. No Charge - No Fees. We are a 501(c)3 IRS non-profit organization and fully insured.

Our teams help connect and engage your members more quickly and efficiently. Our offer also extends to EMS/PD/Hospital Staff.

We have worked (embedded with) FD/EMS/PD Peer Support/CISM at US Capitol, Sandy Hook, Las Vegas, Pittsburgh, Parkland and other local active shooter incidents. Unfortunately, highly experienced in active shooter peer support. References available.

We only deploy when authorized. Hoping to obtain your approval to deploy and provide assistance. Thank you for your time.

**Update: Person of Interest Identified in
Fourth of July Parade Shooting**

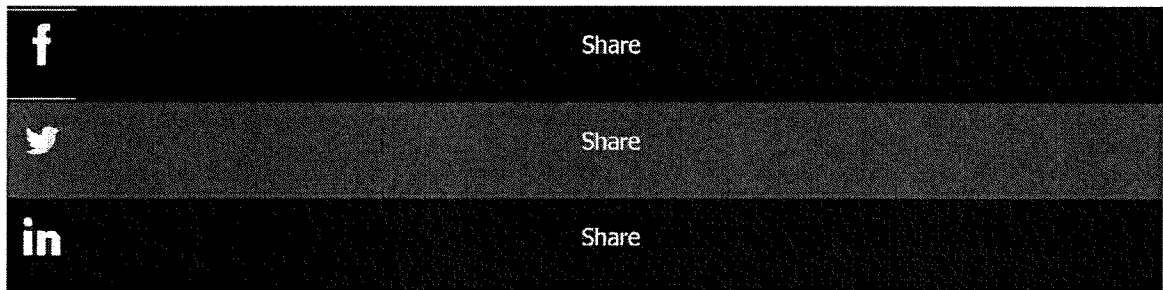

Investigators from the City of Highland Park Police Department, the FBI, the Lake County Major Crime Task Force and law enforcement agencies throughout the area have been working tirelessly on the investigation of the active shooter at the Highland Park (IL) Fourth of July Parade.

Through law enforcement partnerships and community information and leads, a person of interest has been identified as Robert (Bobby) E. Crimo III. He is twenty-two years old. He is believed to be driving a 2010 Silver Honda Fit, IL Lic. Plate DM 80653. A photograph is included at right.

Numerous federal, State and local law enforcement agencies are working on apprehending this person of interest. Investigators continue to receive tips from the public and law enforcement partners, and will follow up on all of them. Individuals who have information to share with police are urged to contact 1-800-CALL-FBI.

The City of Highland Park extends its deepest condolences to the loved ones of those who were impacted by the horrific incident in our community. Further information regarding this investigation will be posted to cityhpil.com as available, and law enforcement will continue to provide regular briefings to the public.

COPING AFTER A CRITICAL INCIDENT:

- Try to slowly get back into your normal routine
- Do healthy things for your body (eat fruits, vegetables, whole grain, beans), exercise (30 min. a day), & sleep (8 hours)
- Grounding, practicing being present in the here and now (Use all 5 senses)
- Avoid excesses such as food, alcohol, shopping, gambling, exercise, etc.
- Socialize with others & Talk about your feelings with others you trust
- Try therapy and/or spiritual counselors
- Have fun, read, play, and stay involved in your hobbies
- Volunteer or participate in other community activities to reduce isolation
- Watch comedies or look at www.sunnyskyz.com, a positive upbeat online news media
- Look at www.common sense media.org for guidance on what movies, TV shows, cartoons, that could be triggering for your situation. Common sense media reports on positive message, positive role models, violence, sex, language, drinking, drugs, and smoking, and consumerism.
- Turn Media off & Take a Break: You may want to know what is happening with your critical incident, but the updates can also add distress. Consider if you truly want to know or not, if so, then give yourself time limits.

SIGNS YOU MAY NEED MORE HELP:

- Having symptoms that are getting worse or staying exactly the same since the incident.
- Difficulties with not thinking about the event and all the “what if’s...”
- Depressive symptoms such as sadness, worthlessness, lack of energy, social withdrawal, low self-esteem, increase/decrease of sleep or appetite, indecisiveness, unresolved grief, and/or poor concentration
- Anxiety Symptoms such as excessive or unrealistic worry, difficulties controlling worry; physical tension (i.e. muscle tension, restlessness, shakiness); autonomic hyperactivity (i.e. heart palpitations, shortness of breath, dry mouth, nausea); hypervigilance (i.e. feeling on edge, difficulties concentrating, trouble falling or staying asleep, irritability), sadness, intrusive memories, poor sleep, anxiety, guilt, etc.
- Trauma Symptoms such as intrusive, distressing thoughts related to the traumatic incident, avoidance of reminders of the incident, detachment, hypervigilance, and arousal and distress when reminded of the incident.

- Symptoms that are negatively impacting your mood, thoughts, or daily functioning
- Having thoughts of death, suicide, or hurting oneself
- Not being able to do your job/school or take care of oneself or significant others
- Substantial decrease or increase of sleep, food, and/or alcohol or other substances

COPING STRATEGIES:

- Tactical breathing: inhale for 3 counts, hold for 3, exhale for 3 counts to reduce stress.
- Use Calm, Headspace, or another phone app to practice guided imagery & meditation.
- Increase and use your support system. You are not alone, everyone suffers.
- Wallpaper: Put happy pictures on your phone of family or vacations for reminders of happy times
- Exercise Regularly: Gym, walk, play with kids, sports, etc.
- Move: Get out of your couch, draw, listen to music, walk around the block, visit a park or a nice view.
- Use scented candles, oils, or other fragrances that are calming at home. Consider a nice smelling air freshener in your office.
- Go to therapy and talk with a trauma counselor.
- Concentrate on what you have & appreciate it.
- Do something nice for someone else: Anything from opening a door to a smile.

SLEEP TECHNIQUES:

- Lie down to sleep only when sleepy.
- Do not use bed for any other activities like TV, reading, listening to music, etc. only for sleeping.
- Get out of bed if sleep doesn't arrive soon after retiring (approx. 30-40 min)
- Try to set a consistent sleep-wake cycle. No napping, when possible.
- Restrict excessive liquid intake prior to bed & Avoid spicy late-night snacks or any late-night eating.
- Exercise daily but not 3-4 hours before bedtime.
- Minimize or avoid caffeine, alcohol, tobacco, and any stimulants.
- Do not use caffeine or any stimulants a minimum of 4-6 hours before going to bed.
- Try to avoid TV 1-2 hours before going to bed and avoid news or other intense material prior to going to bed.
- Make the bedroom colder, use brand new sheets, and darken your room.
- Try Chamomile, Valerian Root, Lavender, or Lemon Balm Teas.
- Eat Melatonin rich foods such as pistachios, tomatoes, tart cherries, walnuts, almonds, spinach, and bananas.

WHAT IS TRAUMA?

A traumatic incident is when a person is exposed to an actual or threatened death, serious injury, or sexual violence in one of more of the following ways: 1) directly experience, 2) witness it, 3) learn about is occurring to a close family/friend/co-worker, 4) experienced repeated or extreme exposure to aversive details.

EVENT RISK FACTORS that increase difficulties in handling the trauma:

- 1) Unexpected
- 2) Feeling unprepared or vulnerable
- 3) Unexpected consequences
- 4) Alone or feeling of being alone
- 5) Personal history with victim/offender/witness
- 6) Increased personal/current stressors
- 7) Current substance abuse or mental illness
- 8) Intentional act committed by another
- 9) Being near, highly exposed, and spending a long duration near or in the trauma
- 10) Victim is a child or vulnerable population
- 11) Man-made incident
- 12) Atrocity, brutal, or shocking
- 13) Victim or witness of multiple traumas
- 14) Inability to find any meaning or reason
- 15) Feeling that you did not handle the incident well

What you can do:

- 1) Understand common trauma reactions & that there is not something wrong with you
- 2) Talk with others who are safe/Increase your social support/Be with others
- 3) Name your emotions & acknowledge them
- 4) Expect unwanted emotions (i.e., crying spells, anxiety in crowds)
- 5) Grief can take a long time; give yourself time to recover.
- 6) Do not judge yourself negatively, you survived! Accept that you have feelings—feelings are not wrong, only what you do with your feelings can be wrong. You have a right to feel both negative and positive emotions.
- 7) Do not immerse yourself in the trauma, limit your exposure, when possible, avoid a lot of media and social media.
- 8) Try to get back into your normal routine slowly.
- 9) Use deep breathing, meditation, yoga, or other things that are calming to you.

- 10) Self-care: Eat healthy, prioritize sleep, shower, etc.
- 11) Exercise
- 12) Do what you enjoy, if you are happy that does not suggest you are okay with what occurred.

FIRST RESPONDERS WELLNESS CENTER

Critical Incidents- Common Reactions

Most common distortions of the traumatic event are:

- Distortion of time-(time sped up or slowed down)
- Sensory distortions- (i.e. tunnel vision, hearing changes, etc.)
- Perceptual or Behavioral Distortions- (i.e. Objects change size)
- Sense of helplessness-Limited choices
- “Fight/Flight/Freeze” response
- Disturbance in memory- sometimes our memory gives us “tunnel memory”
- Hyperarousal/Hypoarousal- heightened awareness of our surroundings or constriction of our perception
- Replaying the incident in your head (what ifs)

After a trauma an individual may feel:

- Detached
- Shock and disbelief
- Anxiety, nervousness
- Pre-occupied with thoughts about the incident
- Angry, resentful
- Highly sensitive to others
- Guilt/Guilt for not feeling guilty
- Blaming others
- Hypervigilant, more so in public
- Unexpected emotions
- Relief
- Proud, Happy
- Exhilaration
- Acceptance/Resolution
- Feelings of Isolation
- Feelings that change or may conflict
- Scared/Afraid, particularly in social settings

After traumatic incidents individuals may exhibit increased emotions/bodily sensations such as:

- Changes in appetite and/or sleep
- Nausea and stomachaches
- Anxiety and/or Depression
- Changes in sexual function or libido
- Flashbacks of the incident
- Anger, irritability
- Intrusive memories
- Crying/Unexpected crying
- Headaches
- Weakness/Fatigue
- Muscle Tension/Twitches
- Poor concentration/Forgetfulness
- Daymares/nightmares
- Low frustration tolerance
- Avoiding things related to the incident
- Hypersensitivity & abrupt mood changes

Any emotions or changes can occur and are normal, but they should lessen over time. If your symptoms start to increase and/or impact your day to day living, then please call a mental health professional.

Call FRWC at 1-630-909-9094 or email info@firstresponderswellnesscenter.com or find a police and public safety therapist.

Who could have guessed that within a few minutes of arriving, soon after waving to Nancy Rotering as she walked by, I would be huddled in a doorway shielding my grandson? I'm still shaking. I knew it was a terrible hiding place.

When we finally moved, we skirted Port Clinton to get back to my condo two blocks away. On the way, I saw carnage. I won't describe it. My only relief is that my grandson didn't see it.

How much of this can we take?

Hello Everyone!!

What a beautiful day! Hopefully, July 4 will be as nice, which is what this email is really about. :)

We hope as many of you - and your family members and friends - will join us as walkers in the Highland Park 4th of July parade (which is on Monday, July 4). A few people can also ride in our parade car.

We need your help passing out our giveaways, but even more we need a strong showing in the parade!

We have HPCF t-shirts of various sizes you can wear (though you are welcome to wear your own), and will have cold water and treats to enjoy before the parade starts.

You will need to be at our location in the downtown HP Metra Station by **9:30 AM** and we should be done by 10:30-10:45. Further details about exactly where we will gather to line up, take photos, etc., will be sent once we receive them from the City.

Please let Terri (terri@hpcf.org) know if you can join us and how many people you will be bringing!

Thank you for your help in making this a fun and successful awareness raising event for the HPCF! We hope to hear from you soon!

[EXTERNAL EMAIL]

The following information is being disseminated by STIC to our email distribution list for situational awareness purposes. Replies can be sent to stic@illinois.gov.

Updates are in red.

The person of interest, Crimo, has been taken into custody.

The suspect has been identified as 22-year-old Robert "Bobby" E. Crimo III and is believed to be driving a 2010 silver Honda Fit. At this time, it is believed there is only one shooter at this time. However, this incident is still under investigation.

At 10:14am, there was a call of an active shooter received. This is currently an active incident and residents have been advised to shelter in place. The suspect is described as a male/white, age 18-20 years-old, small build, long hair, and wearing a white or blue t-shirt. A rifle has been recovered at scene. At this time, 6 people are dead and 24 have been transported. The suspect was shooting from a roof.

Subject: BBC RADIO "TODAY" show - Polite request for an interview about the SHOOTING AT THE PARADE...

[EXTERNAL EMAIL]

Dear Mayor Roterling

I am getting in touch from the BBC's main UK news show, "Today".

I know the suspect in the terrible shooting at the Independence Day parade is still at large, and that media probably isn't the top priority right now.

But we wondered whether you might consider recording a short interview with us later today that we could broadcast tomorrow morning?

It would be about the impact the shooting has had on your community – and the shock, presumably, of the attack.

Because of the time difference, we would hope to record something at around 10:15pm your time.

We could do the interview via FaceTime audio, Skype or Zoom, and it would take about 5 minutes.

Do you think this is something that might be possible for you?

Kind regards

Ann

Hi,
I applaud the hard work you've done to keep people safe, thank you for all you do.
I googled the person of interest and found his instagram profile: <https://www.instagram.com/awaketherapper/>
He describes himself as a killer and it's last year here.
and has a link to this youtube video
youtu.be/35cZjJGAj_Y

Please watch the entire video, it seems to repeat the same disturbing scenes but it makes a clear effort to show
"LOYOLA UNIVERSITY" Can you please investigate that, why Loyola? is that a target? or the home of a radical
group?

It seems to be a sign or a signal and I dont want to see something happen at another school especially when I see that
wonder what the connection is. Or give Loyola the information so they can investigate?

Thank you again for your heroic efforts to protect people!!

COPING AFTER A CRITICAL INCIDENT:

- Try to slowly get back into your normal routine
- Do healthy things for your body (eat fruits, vegetables, whole grain, beans), exercise (30 min. a day), & sleep (8 hours)
- Grounding, practicing being present in the here and now (Use all 5 senses)
- Avoid excesses such as food, alcohol, shopping, gambling, exercise, etc.
- Socialize with others & Talk about your feelings with others you trust
- Try therapy and/or spiritual counselors
- Have fun, read, play, and stay involved in your hobbies
- Volunteer or participate in other community activities to reduce isolation
- Watch comedies or look at www.sunnyskyz.com, a positive upbeat online news media
- Look at www.common sense media.org for guidance on what movies, TV shows, cartoons, that could be triggering for your situation. Common sense media reports on positive message, positive role models, violence, sex, language, drinking, drugs, and smoking, and consumerism.
- Turn Media off & Take a Break: You may want to know what is happening with your critical incident, but the updates can also add distress. Consider if you truly want to know or not, if so, then give yourself time limits.

SIGNS YOU MAY NEED MORE HELP:

- Having symptoms that are getting worse or staying exactly the same since the incident.
- Difficulties with not thinking about the event and all the “what if’s...”
- Depressive symptoms such as sadness, worthlessness, lack of energy, social withdrawal, low self-esteem, increase/decrease of sleep or appetite, indecisiveness, unresolved grief, and/or poor concentration
- Anxiety Symptoms such as excessive or unrealistic worry, difficulties controlling worry; physical tension (i.e. muscle tension, restlessness, shakiness); autonomic hyperactivity (i.e. heart palpitations, shortness of breath, dry mouth, nausea); hypervigilance (i.e. feeling on edge, difficulties concentrating, trouble falling or staying asleep, irritability), sadness, intrusive memories, poor sleep, anxiety, guilt, etc.
- Trauma Symptoms such as intrusive, distressing thoughts related to the traumatic incident, avoidance of reminders of the incident, detachment, hypervigilance, and arousal and distress when reminded of the incident.

- Symptoms that are negatively impacting your mood, thoughts, or daily functioning
- Having thoughts of death, suicide, or hurting oneself
- Not being able to do your job/school or take care of oneself or significant others
- Substantial decrease or increase of sleep, food, and/or alcohol or other substances

COPING STRATEGIES:

- Tactical breathing: inhale for 3 counts, hold for 3, exhale for 3 counts to reduce stress.
- Use Calm, Headspace, or another phone app to practice guided imagery & meditation.
- Increase and use your support system. You are not alone, everyone suffers.
- Wallpaper: Put happy pictures on your phone of family or vacations for reminders of happy times
- Exercise Regularly: Gym, walk, play with kids, sports, etc.
- Move: Get out of your couch, draw, listen to music, walk around the block, visit a park or a nice view.
- Use scented candles, oils, or other fragrances that are calming at home. Consider a nice smelling air freshener in your office.
- Go to therapy and talk with a trauma counselor.
- Concentrate on what you have & appreciate it.
- Do something nice for someone else: Anything from opening a door to a smile.

SLEEP TECHNIQUES:

- Lie down to sleep only when sleepy.
- Do not use bed for any other activities like TV, reading, listening to music, etc. only for sleeping.
- Get out of bed if sleep doesn't arrive soon after retiring (approx. 30-40 min)
- Try to set a consistent sleep-wake cycle. No napping, when possible.
- Restrict excessive liquid intake prior to bed & Avoid spicy late-night snacks or any late-night eating.
- Exercise daily but not 3-4 hours before bedtime.
- Minimize or avoid caffeine, alcohol, tobacco, and any stimulants.
- Do not use caffeine or any stimulants a minimum of 4-6 hours before going to bed.
- Try to avoid TV 1-2 hours before going to bed and avoid news or other intense material prior to going to bed.
- Make the bedroom colder, use brand new sheets, and darken your room.
- Try Chamomile, Valerian Root, Lavender, or Lemon Balm Teas.
- Eat Melatonin rich foods such as pistachios, tomatoes, tart cherries, walnuts, almonds, spinach, and bananas.

WHAT IS TRAUMA?

A traumatic incident is when a person is exposed to an actual or threatened death, serious injury, or sexual violence in one of more of the following ways: 1) directly experience, 2) witness it, 3) learn about is occurring to a close family/friend/co-worker, 4) experienced repeated or extreme exposure to aversive details.

EVENT RISK FACTORS that increase difficulties in handling the trauma:

- 1) Unexpected
- 2) Feeling unprepared or vulnerable
- 3) Unexpected consequences
- 4) Alone or feeling of being alone
- 5) Personal history with victim/offender/witness
- 6) Increased personal/current stressors
- 7) Current substance abuse or mental illness
- 8) Intentional act committed by another
- 9) Being near, highly exposed, and spending a long duration near or in the trauma
- 10) Victim is a child or vulnerable population
- 11) Man-made incident
- 12) Atrocity, brutal, or shocking
- 13) Victim or witness of multiple traumas
- 14) Inability to find any meaning or reason
- 15) Feeling that you did not handle the incident well

What you can do:

- 1) Understand common trauma reactions & that there is not something wrong with you
- 2) Talk with others who are safe/Increase your social support/Be with others
- 3) Name your emotions & acknowledge them
- 4) Expect unwanted emotions (i.e., crying spells, anxiety in crowds)
- 5) Grief can take a long time; give yourself time to recover.
- 6) Do not judge yourself negatively, you survived! Accept that you have feelings—feelings are not wrong, only what you do with your feelings can be wrong. You have a right to feel both negative and positive emotions.
- 7) Do not immerse yourself in the trauma, limit your exposure, when possible, avoid a lot of media and social media.
- 8) Try to get back into your normal routine slowly.
- 9) Use deep breathing, meditation, yoga, or other things that are calming to you.

- 10) Self-care: Eat healthy, prioritize sleep, shower, etc.
- 11) Exercise
- 12) Do what you enjoy, if you are happy that does not suggest you are okay with what occurred.

FIRST RESPONDERS WELLNESS CENTER

Critical Incidents- Common Reactions

Most common distortions of the traumatic event are:

- Distortion of time-(time sped up or slowed down)
- Sensory distortions- (i.e. tunnel vision, hearing changes, etc.)
- Perceptual or Behavioral Distortions- (i.e. Objects change size)
- Sense of helplessness-Limited choices
- “Fight/Flight/Freeze” response
- Disturbance in memory- sometimes our memory gives us “tunnel memory”
- Hyperarousal/Hypoarousal- heightened awareness of our surroundings or constriction of our perception
- Replaying the incident in your head (what ifs)

After a trauma an individual may feel:

- Detached
- Shock and disbelief
- Anxiety, nervousness
- Pre-occupied with thoughts about the incident
- Angry, resentful
- Highly sensitive to others
- Guilt/Guilt for not feeling guilty
- Blaming others
- Hypervigilant, more so in public
- Unexpected emotions
- Relief
- Proud, Happy
- Exhilaration
- Acceptance/Resolution
- Feelings of Isolation
- Feelings that change or may conflict
- Scared/Afraid, particularly in social settings

After traumatic incidents individuals may exhibit increased emotions/bodily sensations such as:

- Changes in appetite and/or sleep
- Nausea and stomachaches
- Anxiety and/or Depression
- Changes in sexual function or libido
- Flashbacks of the incident
- Anger, irritability
- Intrusive memories
- Crying/Unexpected crying
- Headaches
- Weakness/Fatigue
- Muscle Tension/Twitches
- Poor concentration/Forgetfulness
- Daymares/nightmares
- Low frustration tolerance
- Avoiding things related to the incident
- Hypersensitivity & abrupt mood changes

Any emotions or changes can occur and are normal, but they should lessen over time. If your symptoms start to increase and/or impact your day to day living, then please call a mental health professional.
