This evening a handful of CERT team members met in our PD training room where I assigned one of our local PD social workers (Katarina Deerfield PD) to sit and debrief with the group. According to everyone in attendance, it went very well. I had about 5 area PD social workers helping out today in different capacities - all who are more than happy to continue to provide assistance as needed as the week goes by-
Hope you guys are doing okay- let me know if there's anything else needed for CERT-
Have a good night.
I'll be back at 7:30-8am tomorrow.

Hi everyone,
I don't even know what to write to you all at this point, but I am incredibly proud of everyone and happy you are all safe. When this occurred, I was walking in the parade, stopping at all of our CERT posts. I immediately was in full swing into locating the offender and was responsible for leading the investigation by HP and a liaison to the FBI and Lake County Major Crime Task Force. I talked with David throughout the day and informed him he would have to take charge, and he did a great job.

I understand this is a traumatic event, and I will plan a debriefing soon. I don't know when because this is a massive investigation. But I will stay in touch; please don't hesitate to use the before-mentioned resources.

Dear Members and Friends,

On behalf of the Senior Center staff, we are devastated and heart-broken over the senseless act of violence against our community, that occurred during today's 4th of July parade. Our hearts go out to those who lost their lives and those who were injured - and to their families and loved ones as well.

After thoughtful consideration, we have decided that the Senior Center will be open tomorrow, and that all classes and activities will be held as scheduled. We hope this decision will allow us to grieve together and just maybe we can begin to heal together as well.

As a life-long resident of Highland Park who lives and works in this beloved community – the pain is palpable – and we are experiencing this pain together. The outpouring of love and support our community has shown – is one of the reasons I love Highland Park. Together, we will get through this.

If you are seeking support after today's tragic events, you are invited to participate in a coordinated effort to provide crisis counseling to anyone in need. The City of Highland Park, District 112, District 113, and the Park District will have counselors available for community members in need of support. Counseling will be available at the Highland Park High School, 433 Vine Avenue tomorrow (Tuesday) from 9:00 AM to 2:00 PM; please enter through the Vine Avenue entrance. Anyone who wishes to take advantage of counseling services, will need to present a valid driver's license or student ID to be cleared to enter the school; no appointments are necessary.

Message from Mayor Rotering

Today was the bloodiest day that we have ever experienced in Highland Park. This morning at approximately 10:14 AM a shooter opened fire with an assault weapon on a crowd attending our 4th of July parade. We know at this time that six individuals lost their lives and at least 24 were injured. Our hearts go out to the victims, families, and our community.

The attack prompted an immediate and well-coordinated response from multiple law enforcement agencies at the Federal, State, County, and local levels. A suspect, Robert "Bobby" Crimo III (age 22 of Highwood, Ill.) was identified and a massive manhunt ensued.

At approximately 6:30 p.m., the suspect was apprehended on Route 41 at Westleigh Road. He was taken into custody without incident and is currently being processed through the Highland Park Police Department.

Throughout the day we have received offers of support and resources from public officials and agencies including President Biden. Fellow mayors have reached out from across the country, many who lead communities that have experienced this pain and tragedy. We thank Governor J.B. Pritzker, Senator Richard Durbin, Senator Tammy Duckworth, Congressman Brad Schneider, Illinois State Senator Julie Morrison, and Illinois State Representative Bob Morgan for coming to support our community and for providing every available resource.

I want to thank our first responders for their bravery and extraordinary efforts today. Our police and firefighters saved countless lives with their responses -- running into danger and taking immediate action to save others. We are grateful for these selfless acts. We know there were members of our community who rendered aid and assistance as well, and we thank each and every one of you for those efforts.

I also want to acknowledge and thank numerous agencies for their support including American Red Cross, World Central Kitchen, Lakeshore Country Club, Northmoor Country Club, Soul and Smoke food truck, Catering by Michaels, Northern Illinois Critical Incident Stress Management, local clergy and many other individuals and agencies have stepped up to provide food and support for our first responders. We are grateful for their generosity.

Our community, like so many before us, is devastated. It's impossible to imagine the pain of this kind of tragedy until it happens in your backyard. Gun violence - a mass shooting such as this casts a much wider net of agony than what the public is typically exposed to; it's a crisis that devastates entire families and communities in a single moment and we know will take time to heal.

Tomorrow the President will order our flags to fly at half-mast, and many public programs have been canceled. Please check with your camps and activities to see if they are operating. In the days and weeks ahead we will come together as a community to mourn and begin the path of healing. I will share more information as it is available.

Road and Business Closures

Numerous roads will remain closed in central downtown Highland Park for the FBI investigation, and many businesses will remain closed. The area closure spans Laurel Avenue from First Street to Elm Place and Green Bay Road from First Street to Elm Place (map below). Detours will be established, but please limit your travel only to essential business in Highland Park. The City is reaching out to business owners to share information, and will work with them to reopen as soon as possible.

Counseling Resources

A coordinated effort is also being made to provide crisis counseling to anyone in need. The City of Highland Park, District 112, District 113, and the Park District will have counselors available at Highland Park High School, 433 Vine Ave., for community members in need of assistance, tomorrow from 9:00 AM to 2:00 PM. No appointment is necessary. The Vine Ave. entrance will be open and anyone who wishes to take advantage of counseling services will need to have a valid driver's license or student ID to be cleared to enter the school.

The theme of this year's parade was community -- and while we are hurting -- we know that we will come together and support each other, as we always do, in difficult times. We are Highland Park strong.

Subject: Highland Park Senior Center Update - Tragedy, Resources, and Schedule

Dear Members and Friends,

On behalf of the Senior Center staff, we are devastated and heart-broken over the senseless act of violence against our community, that occurred during today's 4th of July parade. Our hearts go out to those who lost their lives and those who were injured - and to their families and loved ones as well.

After thoughtful consideration, we have decided that the Senior Center will be open tomorrow, and that all classes and activities will be held as scheduled. We hope this decision will allow us to grieve together and just maybe we can begin to heal together as well.

As a life-long resident of Highland Park who lives and works in this beloved community – the pain is palpable – and we are experiencing this pain together. The outpouring of love and support our community has shown – is one of the reasons I love Highland Park. Together, we will get through this.

If you are seeking support after today's tragic events, you are invited to participate in a coordinated effort to provide crisis counseling to anyone in need. The City of Highland Park, District 112, District 113, and the Park District will have counselors available for community members in need of support. Counseling will be available at the Highland Park High School, 433 Vine Avenue tomorrow (Tuesday) from 9:00 AM to 2:00 PM; please enter through the Vine Avenue entrance. Anyone who wishes to take advantage of counseling services, will need to present a valid driver's license or student ID to be cleared to enter the school; no appointments are necessary.

Message from Mayor Rotering

Today was the bloodiest day that we have ever experienced in Highland Park. This morning at approximately 10:14 AM a shooter opened fire with an assault weapon on a crowd attending our 4th of July parade. We know at this time that six individuals lost their lives and at least 24 were injured. Our hearts go out to the victims, families, and our community.

The attack prompted an immediate and well-coordinated response from multiple law enforcement agencies at the Federal, State, County, and local levels. A suspect, Robert "Bobby" Crimo III (age 22 of Highwood, Ill.) was identified and a massive manhunt ensued.

At approximately 6:30 p.m., the suspect was apprehended on Route 41 at Westleigh Road. He was taken into custody without incident and is currently being processed through the Highland Park Police Department.

Throughout the day we have received offers of support and resources from public officials and agencies including President Biden. Fellow mayors have reached out from across the country, many who lead communities that have experienced this pain and tragedy. We thank Governor J.B. Pritzker, Senator Richard Durbin, Senator Tammy Duckworth, Congressman Brad Schneider, Illinois State Senator Julie Morrison, and Illinois State Representative Bob Morgan for coming to support our community and for providing every available resource.

I want to thank our first responders for their bravery and extraordinary efforts today. Our police and firefighters saved countless lives with their responses -- running into danger and taking immediate action to save others. We are grateful for these selfless acts. We know there were members of our community who rendered aid and assistance as well, and we thank each and every one of you for those efforts.

I also want to acknowledge and thank numerous agencies for their support including American Red Cross, World Central Kitchen, Lakeshore Country Club, Northmoor Country Club, Soul and Smoke food truck, Catering by Michaels, Northern Illinois Critical Incident Stress Management, local clergy and many other individuals and agencies have stepped up to provide food and support for our first responders. We are grateful for their generosity.

Our community, like so many before us, is devastated. It's impossible to imagine the pain of this kind of tragedy until it happens in your backyard. Gun violence - a mass shooting such as this casts a much wider net of agony than what the public is typically exposed to; it's a crisis that devastates entire families and communities in a single moment and we know will take time to heal.

Tomorrow the President will order our flags to fly at half-mast, and many public programs have been canceled. Please check with your camps and activities to see if they are operating. In the days and weeks ahead we will come together as a community to mourn and begin the path of healing. I will share more information as it is available.

Road and Business Closures

Numerous roads will remain closed in central downtown Highland Park for the FBI investigation, and many businesses will remain closed. The area closure spans Laurel Avenue from First Street to Elm Place and Green Bay Road from First Street to Elm Place (map below). Detours will be established, but please limit your travel only to essential business in Highland Park. The City is reaching out to business owners to share information, and will work with them to reopen as soon as possible.

Counseling Resources

A coordinated effort is also being made to provide crisis counseling to anyone in need. The City of Highland Park, District 112, District 113, and the Park District will have counselors available at Highland Park High School, 433 Vine Ave., for community members in need of assistance, tomorrow from 9:00 AM to 2:00 PM. No appointment is necessary. The Vine Ave. entrance will be open and anyone who wishes to take advantage of counseling services will need to have a valid driver's license or student ID to be cleared to enter the school.

The theme of this year's parade was community -- and while we are hurting -- we know that we will come together and support each other, as we always do, in difficult times. We are Highland Park strong.

Nancy R. Rotering, Mayor
City of Highland Park, IL

Sincerely,

Laura Frey, CPRP

Dear Members and Friends,

On behalf of the Senior Center staff, we are devastated and heart-broken over the senseless act of violence against our community, that occurred during today's 4th of July parade. Our hearts go out to those who lost their lives and those who were injured - and to their families and loved ones as well.

After thoughtful consideration, we have decided that the Senior Center will be open tomorrow, and that all classes and activities will be held as scheduled. We hope this decision will allow us to grieve together and just maybe we can begin to heal together as well.

As a life-long resident of Highland Park who lives and works in this beloved community – the pain is palpable – and we are experiencing this pain together. The outpouring of love and support our community has shown – is one of the reasons I love Highland Park. Together, we will get through this.

If you are seeking support after today's tragic events, you are invited to participate in a coordinated effort to provide crisis counseling to anyone in need. The City of Highland Park, District 112, District 113, and the Park District will have counselors available for community members in need of support. Counseling will be available at the Highland Park High School, 433 Vine Avenue tomorrow (Tuesday) from 9:00 AM to 2:00 PM; please enter through the Vine Avenue entrance. Anyone who wishes to take advantage of counseling services, will need to present a valid driver's license or student ID to be cleared to enter the school; no appointments are necessary.

Message from Mayor Rotering

Today was the bloodiest day that we have ever experienced in Highland Park. This morning at approximately 10:14 AM a shooter opened fire with an assault weapon on a crowd attending our 4th of July parade. We know at this time that six individuals lost their lives and at least 24 were injured. Our hearts go out to the victims, families, and our community.

The attack prompted an immediate and well-coordinated response from multiple law enforcement agencies at the Federal, State, County, and local levels. A suspect, Robert “Bobby” Crimo III (age 22 of Highwood, Ill.) was identified and a massive manhunt ensued.

At approximately 6:30 p.m., the suspect was apprehended on Route 41 at Westleigh Road. He was taken into custody without incident and is currently being processed through the Highland Park Police Department.

Throughout the day we have received offers of support and resources from public officials and agencies including President Biden. Fellow mayors have reached out from across the country, many who lead communities that have experienced this pain and tragedy. We thank Governor J.B. Pritzker, Senator Richard Durbin, Senator Tammy Duckworth, Congressman Brad Schneider, Illinois State Senator Julie Morrison, and Illinois State Representative Bob Morgan for coming to support our community and for providing every available resource.

I want to thank our first responders for their bravery and extraordinary efforts today. Our police and firefighters saved countless lives with their responses -- running into danger and taking immediate action to save others. We are grateful for these selfless acts. We know there were members of our community who rendered aid and assistance as well, and we thank each and every one of you for those efforts.

I also want to acknowledge and thank numerous agencies for their support including American Red Cross, World Central Kitchen, Lakeshore Country Club, Northmoor Country Club, Soul and Smoke food truck, Catering by Michaels, Northern Illinois Critical Incident Stress Management, local clergy and many other individuals and agencies have stepped up to provide food and support for our first responders. We are grateful for their generosity.

Our community, like so many before us, is devastated. It’s impossible to imagine the pain of this kind of tragedy until it happens in your backyard. Gun violence - a mass shooting such as this casts a much wider net of agony than what the public is typically exposed to; it’s a crisis that devastates entire families and communities in a single moment and we know will take time to heal.

Tomorrow the President will order our flags to fly at half-mast, and many public programs have been canceled. Please check with your camps and activities to see if they are operating. In the days and weeks ahead we will come together as a community to mourn and begin the path of healing. I will share more information as it is available.

Road and Business Closures

Numerous roads will remain closed in central downtown Highland Park for the FBI investigation, and many businesses will remain closed. The area closure spans Laurel Avenue from First Street to Elm Place and Green Bay Road from First Street to Elm Place (map below). Detours will be established, but please limit your travel only to essential business in Highland Park. The City is reaching out to business owners to share information, and will work with them to reopen as soon as possible.

Counseling Resources

A coordinated effort is also being made to provide crisis counseling to anyone in need. The City of Highland Park, District 112, District 113, and the Park District will have counselors available at Highland Park High School, 433 Vine Ave., for community members in need of assistance, tomorrow from 9:00 AM to 2:00 PM. No appointment is necessary. The Vine Ave. entrance will be open and anyone who wishes to take advantage of counseling services will need to have a valid driver's license or student ID to be cleared to enter the school.

The theme of this year's parade was community -- and while we are hurting -- we know that we will come together and support each other, as we always do, in difficult times. We are Highland Park strong.

Nancy R. Rotering, Mayor
City of Highland Park, IL

Laura Frey, CPRP

If you look of the byline of the third profile it says my brother will be taking over this account on July 5th which is today. This seems extremely telling and only adds to his probable involvement and yesterdays heinous events. I just put his name in the search field of Instagram and found these three. I presume you and the FBI have been on various social media engines. I just thought I would provide this in case it helped.
