Good evening Red Cross partners,

This is a request to kindly add these vetted trauma counselors to your list of resources available for the FAC moving forward. We had an unexpectedly busy day that pulled in different directions, so I want to apologize for any confusion and thank all of the providers on this chain for their patience and flexibility. I am sending this email again to confirm that our partners at the Red Cross have your information and availability for the FAC hours moving forward. The Red Cross will resume all scheduling and coordination for the FAC.

For everyone here, please respond to this email with Red Cross POCs, Charlotte Hazel and Joy Medrano with your availability for the following shifts on Thursday 7/7 and Friday, 7/8.

8:45am-1pm
1pm-5pm
5pm-9pm

For those who sent this information already, we apologize for the duplication and defer to our Red Cross colleagues for further FAC staffing. Thank you!

Dear Partner,

Sorry for the late response, it's been a busy day. Here is the information for tomorrow. As a reminder, we will be serving survivors of the deceased, survivors of those injured and those who were in close proximity to the incident. I am also attaching the notes from this morning's call, many thanks Rebecca Kumar. Partner information is listed below. Send your information to me as soon as you can.

Here are some helpful tips:

- Look for the police officers in the lot. Let them know you are a partner and they will direct you where to park. Please park as far away from the door as possible. We want the clients to be able to park as close to the door as possible.
- Please bring an ID. When you enter the building, there will be a police officer at the door. Let the officer know that you are there to provide services or volunteer
- When you enter, there will be a partner sign in sheet. Please sign in and out.
- Bring all supplies and anything you might need to do your work with you. We cannot provide pens, notebooks etc. If you have handouts in Spanish, please bring those as well as we are expecting some Spanish speakers.
- There will be comfort dogs at the center each day for you to use with your clients.
- Food will be provided to you as well as water and drinks. Please feel free to bring your own if you wish.
- There may be periods of sitting and waiting or there may be periods when you will be busy. We don't know what to expect, but being present for the community speaks volumes and your presence is appreciated.
- Know that things may change as the week progresses. Flexibility is key.
- Please make sure that someone is at your table for the entire duration of the event on each day.
- On Wednesday, arrive by 11:00 am to set up
- As a reminder, no uniforms and please wear soft colors.

As expected the popularity of Vinny's card has surpassed any other card we currently have. Ofc Graff recently asked if more cards can be ordered in anticipation of running out. The card has been an ice breaker opening up dialogue about the program.

Brent and Chris,

I apologize for getting this to you so late. Many of the successes in the response to the active shooter situation are directly related to the skilled telecommunicators from your agencies. Most of the participants will be from our Department with a few from mutual aid companies.

On Thursday at 3pm at Fire Station 33, 1130 Central Avenue, we will be hosting a debriefing/counseling session for personnel that have been adversely impacted by the response to our incident.

Our Union, IAFF Local 822, has requested the 100 Club's services that will provide a short debriefing and 1 on 1 counseling. This was the same services that were provided after a Line of Duty Death in Sterling, IL. They were recommended by the Associated Firefighters of Illinois. Please let me know how many personnel you will have attending the session. This is a voluntary event. Food will also be provided.

Please feel free to reach out with any questions.

Thank you.

Subject: Critical Incident Stress Debriefing / Support for Officers

Good Evening Chief,

As per our discussion this morning- I know hands down that there are two agencies that are great and could start providing services for our officers sooner than later. I know that after 2 "sleep cycles" 48 hours- its critical to get services started . at least debriefing -

Northern IL CISM – Critical Incident Stress Management

I've trained with them, they have a great model and have an amazing team with police and fire personnel. They already came out I believe on the fourth or following to provide debriefing for HPPD dispatch. They indicated that all you have to do is call the 800 number and indicate that you are Highland Park Police- other local departments have already been using them (I think Lake Forest PD just used them). I have a pamphlet in my office on the wall- feel free to grab it- or click here: <http://www.ni-cism.org/index.html>
Also- they are FREE!!!

First Responder Wellness Center:

This is a great organization- I have met and spoken to the founder Dr. Steiner several times over as she is a 13 year vet of CPD before switching over to mental health and dedicated herself to helping first responders. I have referred several public safety employees throughout the years –and they've been grateful. They do Debriefings as well as individual/group therapy, crisis and exposure therapy. She also offers to come out to PD's and speak/present about their services which I think is great. She came out to Winnetka PD, and we saw her in alternating shift/groups- I kid you not, when I say initially everyone was not thrilled for having to sit in during presentation of services, but after her presentation- SEVERAL stopped to ask her questions and had a complete different perception of services afterward- SO WORTH IT!!! I HIGHLY HIGHLY Recommend.

- I texted her today, she's going to send me more info- but in case you do not already have info (I thought I saw them on an email already offering something)- but in case:

Yes, Matthew. I have copied Bill Brennan on this particular dumpster.

Please have LRS circle the streets around the secured zone (see attached map) to collect overflow garbage cans. The two in particular are on St Johns and Central, southwest corner. All the roads on the perimeter of the secured zone and open, and

garbage cans are overflowing. Please have them empty out ASAP.

Matthew,

I am following up the message I had left regarding an overflow dumpster pickup. As you can imagine, emergency personnel are working non-stop at the tragedy site to work through various aspects of the investigation. We do have a dumpster is located within the cordoned off perimeter of downtown Highland Park to be picked up.

The dumpster is located on Second St, just north of Laurel Ave. You will need to enter through Laurel Ave, and check in with FBI to enter the secured zone. I have copied Battalion Chief Bill Brennan who can assist LRS to get to the dumpster location.

If you need additional information please let us know.

Thanks,

Yes, Matthew. I have copied Bill Brennan on this particular dumpster.

Please have LRS circle the streets around the secured zone (see attached map) to collect overflow garbage cans. The two in particular are on St Johns and Central, southwest corner. All the roads on the perimeter of the secured zone and open, and garbage cans are overflowing. Please have them empty out ASAP.

Thanks,

Ramesh

Matthew,

I am following up the message I had left regarding an overflow dumpster pickup. As you can imagine, emergency personnel are working non-stop at the tragedy site to work through various aspects of the investigation. We do have a dumpster is located within the cordoned off perimeter of downtown Highland Park to be picked up.

The dumpster is located on Second St, just north of Laurel Ave. You will need to enter through Laurel Ave, and check in with FBI to enter the secured zone. I have copied Battalion Chief Bill Brennan who can assist LRS to get to the dumpster location.

If you need additional information please let us know.

Thanks,

Ramesh

Message from Representative Brad Schneider

Resources for Highland Park

With the horrific attack on the Highland Park Independence Day Parade still fresh in our memory, and the area of the shooting still an active crime scene, our souls ache for the families of those murdered and all those impacted by the events of the day. The killer shattered what should have been a celebration of freedom, stole the lives of seven loving individuals, and forever changed the lives of countless others.

Our community is still processing the immensity of the crimes and the depth of our loss. At the same time, each of us are dealing with the tragedy in our own distinct way. I won't begin to suggest how anyone should work through their personal reactions, but I do want you to know that no one need feel alone as you deal with your feelings and emotions. Whether it's talking to family and friends, connecting with local support organizations, or reaching out to professionals for guidance and support, resources are available for you and your loved ones.

Thankfully, there are already many organizations mobilized to help the community in coping with this tragedy. My team has compiled a long list of resources for those seeking assistance, which I have shared below. (If you are aware of any others, please let us know.) I am also including information on opportunities to support the response efforts.

We can draw strength from our connections with each other, from our neighbors, and from our community. I know we will get through this awful time together. And I promise we will again celebrate all that makes Highland Park and our entire region special.

Recursos para Highland Park

Con el horrible ataque en el desfile del Día de la Independencia de Highland Park todavía fresco en nuestra memoria, y la zona del tiroteo siendo una escena del crimen activa, nuestras almas se compadecen de las familias de los asesinados y de todos los afectados por los acontecimientos del día. El asesino destruyó lo que debería haber sido una celebración de la libertad, arrebató las vidas de siete personas cariñosas y cambió

Nuestra comunidad todavía está procesando la inmensidad de los crímenes y la profundidad de nuestras pérdidas. Al mismo tiempo, cada uno de nosotros está lidiando con la tragedia a su manera. No comenzaré a sugerir cómo deberían afrontar sus reacciones personales, pero sí quiero que sepan que nadie tiene que sentirse solo al lidiar con sus sentimientos y emociones. Ya sea hablando con su familia y amigos, poniéndose en contacto con organizaciones de apoyo locales o acudiendo a un profesional en busca de orientación y apoyo, hay recursos disponibles para usted y sus seres queridos.

Afortunadamente, ya hay muchas organizaciones que se han movilizado para ayudar a la comunidad a enfrentar esta tragedia. Mi equipo ha preparado una larga lista de recursos para quienes buscan ayuda, que compartire a continuación (Si conocen alguna otra, por favor, hágannoslo saber). También incluyo información sobre oportunidades para apoyar los esfuerzos de respuesta.

Podemos obtener fuerza de nuestras conexiones con los demás, de nuestros vecinos y de nuestra comunidad. Sé que superaremos juntos este terrible momento. Y prometo que volveremos a celebrar todo lo que hace que Highland Park y toda nuestra región sea especial.

Stay strong, stay safe, stay healthy.

Sincerely,

Bradley S. Schneider

Thank you so much Dolores,

We study, train and review emergency protocols with regularity, but when an incident of this magnitude happens at home, it is brutal. I'm so proud of our team, and incredibly grateful to the FBI, Illinois State Police, County and the voluminous area law enforcement agencies that have been providing unwavering assistance during this trying time. The outpouring of love and support from the residents in our community is wonderful. Our community is grieving, but we are all certainly strong together.

Thanks for reaching out.

Any chance there's food that is being sent to the City that is simply more than needed that could be diverted to HPHS? I understand there's just so much. I gave Tom about 10 restaurant contact regardless.

Subject: Re: HPCF July 4th Shooting Response Fund

Good evening all,

I hope you are all well and managing to grieve with friends and neighbors.

Debby Finn and Alesia Margetis (HPHS Asst Principal) have been working round the clock to turn the high school into a community center where all members of the community have been going to receive counseling support, pick up items left at the parade, and connect with the Red Cross and FBI victim services. The support being offered has been nothing short of extraordinary and many, many community members, D112/113 staff members, and students have been visiting the high school to receive support.

Debby and Alesia have asked if we could provide food tomorrow for the HPHS/DHS school staff. The staff has been working so hard to support the community and they need time to come together as a team to grieve and support one another. They will gather together from 5 pm to 7 pm tomorrow. Debby & Alesia have asked us to support food for about 200 people.

I have spoken to Betsy and the foundation will be able to fund the food for this effort. I am happy to coordinate and I have started reaching out to restaurants this evening. Rather than relying on 1 restaurant to provide 200 meals, I am thinking we could ask a number of different restaurants to contribute whatever they can. Debby is not looking for a sit down meal, she'd prefer smaller items that could be picked up as staff mingle with one another.

Do any of you have friends, relatives or connections with local food providers whom you believe would be willing to assist by providing any food items? If so, please let me know and I will contact them to make arrangements. Right now we have Lou Malnati's providing pizzas and Casa De Isaac providing tacos. If there are other points of contact that you have, that would be great. Feel free to email me or call at [REDACTED]

Thanks,
TK

Hi All,

A quick update to let you know a few of the things that have been going on behind the scenes. We are trying to help as many individuals as possible and our community as a whole.

Before I list them, I just want to say that I don't think Terri sleeps.

- We established a trustworthy fund through which we could raise and methodically distribute money to help victims and survivors
- We began to spread the word via social media, e-blasts, community leaders and news organizations about the Fund (this continues today)
- We provided meals and snacks to counselors and community members seeking help at Highland Park High School, Ravinia and Oak Terrace Schools
- We connected with organizations, businesses, community members and even states who offered support and resources

I am grateful to all of you for being leaders in our community and giving so much of yourselves. Thank you for offering to help. I promise we will be calling on you soon.

Please spread the word about our Response Fund. It is a much safer way to gift funds than through a Go Fund Me site. We offer transparency in giving and are a trusted fiduciary.

With gratitude,
Betsy

Betsy and Terri,

Thank you for setting up this fund. My family and I certainly plan to contribute, and I'd be happy to join the committee that is tasked with the grant process.

I think it's safe to say that we all feel a bit numb. It feels so surreal that this has happened in our community. It's hard to make sense of it all. That said, we can make real impact here and help lift our community with funds that we are able to raise. I do think we should also make a significant contribution from our endowment towards this endeavor. In addition, I believe that any funds that come in over the next few months should be added to this response fund, whether earmarked or not. Just my two cents.

We obviously have a lot of healing to do as a community. I am proud to be a part of the HPCF and the fact that we will be able to make a direct impact in that healing process.

Thank you again for your leadership on this.

There is a donation page on our website with an active donation form. People can access it from the homepage of our website <https://www.hpcf.org>.

Here is also a [direct link](#) to the donation form.

We are so grateful for your help in getting the word out about our efforts to help the victims and survivors of yesterday's shooting - and really our community as a whole.

Hi Randy, sorry about that. We had scheduled to return the stage today, July 6 (delayed now because of rain/muddy field).

We have a small generator we use for that and didn't need the large one. My apologies for not letting you know about the date change. Originally had planned on packing up July 5 but our tow guy had a work emergency and had to push a day. I let D113 know but forgot to tell you.

Subject: Victim addresses

Ghida and Lou,
Hoping you both got a little sleep last night.

I just spoke with Kelly Hofer, the organizer of the meal train for the Turnipseed family. The addresses of the families and info for the organizers of the mealtrains was posted publicly online, and CBS news has a list (<https://www.cbsnews.com/chicago/news/how-to-help-victims-of-the-deadly-mass-shooting-in-highland-park/>) that they have shared with links. (Separately, I emailed Amanda to ask her to contact them to take down the meal trains at the request of Kelly.)

Can we make sure we are keeping an eye on the homes of the victims, especially those whose addresses were online?
