Dear Members,

On behalf of the Senior Center staff, we are devastated and heart-broken over the senseless act of violence against our community, that occurred during today's 4th of July parade. Our hearts go out to those who lost their lives and those who were injured - and to their families and loved ones as well.

After thoughtful consideration, we have decided that the Senior Center will be open tomorrow, and that all classes and activities will be held as scheduled. We hope this decision will allow us to grieve together and just maybe we can begin to heal together as well.

As a life-long resident of Highland Park who lives and works in this beloved community – the pain is palpable – and we are experiencing this pain together. The outpouring of love and support our community has shown – is one of the reasons I love Highland Park. Together, we will get through this.

If you are seeking support after today's tragic events, you are invited to participate in a coordinated effort to provide crisis counseling to anyone in need. The City of Highland Park, District 112, District 113, and the Park District will have counselors available for community members in need of support. Counseling will be available at the Highland Park High School, 433 Vine Avenue tomorrow (Tuesday) from 9:00 AM to 2:00 PM; please enter through the Vine Avenue entrance. Anyone who wishes to take advantage of counseling services, will need to present a valid driver's license or student ID to be cleared to enter the school; no appointments are necessary.

Message from Mayor Rotering

Today was the bloodiest day that we have ever experienced in Highland Park. This morning at approximately 10:14 AM a shooter opened fire with an assault weapon on a crowd attending our 4th of July parade. We know at this time that six individuals lost their lives and at least 24 were injured. Our hearts go out to the victims, families, and our community.

The attack prompted an immediate and well-coordinated response from multiple law enforcement agencies at the Federal, State, County, and local levels. A suspect, Robert "Bobby" Crimo III (age 22 of Highwood, Ill.) was identified and a massive manhunt ensued.

At approximately 6:30 p.m., the suspect was apprehended on Route 41 at Westleigh Road. He was taken into custody without incident and is currently being processed through the Highland Park Police Department.

Throughout the day we have received offers of support and resources from public officials and agencies including President Biden. Fellow mayors have reached out from across the country, many who lead communities that have experienced this pain and tragedy. We thank Governor J.B. Pritzker, Senator Richard Durbin, Senator Tammy Duckworth, Congressman Brad Schneider, Illinois State Senator Julie Morrison, and Illinois State Representative Bob Morgan for coming to support our community and for providing every available resource.

I want to thank our first responders for their bravery and extraordinary efforts today. Our police and firefighters saved countless lives with their responses -- running into danger and taking immediate action to save others. We are grateful for these selfless acts. We know there were members of our community who rendered aid and assistance as well, and we thank each and every one of you for those efforts.

I also want to acknowledge and thank numerous agencies for their support including American Red Cross, World Central Kitchen, Lakeshore Country Club, Northmoor Country Club, Soul and Smoke food truck, Catering by Michaels, Northern Illinois Critical Incident Stress Management, local clergy and many other individuals and agencies have stepped up to provide food and support for our first responders. We are grateful for their generosity.

Our community, like so many before us, is devastated. It's impossible to imagine the pain of this kind of tragedy until it happens in your backyard. Gun violence - a mass shooting such as this casts a much wider net of agony than what the public is typically exposed to; it's a crisis that devastates entire families and communities in a single moment and we know will take time to heal.

Tomorrow the President will order our flags to fly at half-mast, and many public programs have been canceled. Please check with your camps and activities to see if they are operating. In the days and weeks ahead we will come together as a community to mourn and begin the path of healing. I will share more information as it is available.

Road and Business Closures

Numerous roads will remain closed in central downtown Highland Park for the FBI investigation, and many businesses will remain closed. The area closure spans Laurel Avenue from First Street to Elm Place and Green Bay Road from First Street to Elm Place (map below). Detours will be established, but please limit your travel only to essential business in Highland Park. The City is reaching out to business owners to share information, and will work with them to reopen as soon as possible.

Counseling Resources

A coordinated effort is also being made to provide crisis counseling to anyone in need. The City of Highland Park, District 112, District 113, and the Park District will have counselors available at Highland Park High School, 433 Vine Ave., for community members in need of assistance, tomorrow from 9:00 AM to 2:00 PM. No appointment is necessary. The Vine Ave. entrance will be open and anyone who wishes to take advantage of counseling services will need to have a valid driver's license or student ID to be cleared to enter the school.

The theme of this year's parade was community -- and while we are hurting -- we know that we will come together and support each other, as we always do, in difficult times. We are Highland Park strong.

Subject: Fw: Family Assistance Center, Partner Info and Red Cross Meeting Notes

Good morning colleagues,

My name is Jamie Friedman and I am one of the Incident Response Managers for the FBI Victim Services Response Team. We are here helping stand up the Family Assistance Center (FAC) at Highland Park High School.

I sincerely apologize for the lack in communication about having your services at the FAC today. We have been coordinating closely with the American Red Cross to assist their efforts in setting this up as quickly as possible and have been juggling a lot. We have a great need for your support and counseling assistance here and through the weekend, so please accept our apologies for failing to get you added to the communications sooner. The American Red Cross has invited some of their counseling contacts, but as vetted contacts by our partner Cynthia Plazas with the Highland Park PD, both our FBI team and the Red Cross are certainly extending the invitation.

Please see below for a forwarding of the email send from the American Red Cross yesterday. The FAC opens today at 12:00pm. There are rooms designated by the Red Cross for counseling purposes.

For those of you who are still available to assist today, **please reach out to me directly**. My cell phone is [REDACTED]. For those available to assist tomorrow and moving forward, please reply to this email and let me know your availability as well.

In the meantime, I will be coordinating with the American Red Cross coordinators to get you added to all communications for the FAC moving forward. Once again, our apologies for this communication and thank you so much for your willingness to help.

Subject: [EXTERNAL] MARC Partner Information and COAD Meeting Notes

Dear Partner,

Sorry for the late response, it's been a busy day. Here is the information for tomorrow. As a reminder, we will be serving survivors of the deceased, survivors of those injured and those who were in close proximity to the incident. I am also attaching the notes from this morning's call, many thanks Rebecca Kumar. Partner information is listed below. Send your information to me as soon as you can.

Here are some helpful tips:

- Look for the police officers in the lot. Let them know you are a partner and they will direct you where to park. Please park as far away from the door as possible. We want the clients to be able to park as close to the door as possible.
- Please bring an ID. When you enter the building, there will be a police officer at the door. Let the officer know that you are there to provide services or volunteer
- When you enter, there will be a partner sign in sheet. Please sign in and out.
- Bring all supplies and anything you might need to do your work with you. We cannot provide pens, notebooks etc. If you have handouts in Spanish, please bring those as well as we are expecting some Spanish speakers.
- There will be comfort dogs at the center each day for you to use with your clients.
- Food will be provided to you as well as water and drinks. Please feel free to bring your own if you wish.
- There may be periods of sitting and waiting or there may be periods when you will be busy. We don't know what to expect, but being present for the community speaks volumes and your presence is appreciated.
- Know that things may change as the week progresses. Flexibility is key.
- Please make sure that someone is at your table for the entire duration of the event on each day.
- On Wednesday, arrive by 11:00 am to set up
- As a reminder, no uniforms and please wear soft colors.
