Message from Mayor Rotering

Today was the bloodiest day that we have ever experienced in Highland Park. This morning at approximately 10:14 AM a shooter opened fire with an assault weapon on a crowd attending our 4th of July parade. We know at this time that six individuals lost their lives and at least 24 were injured. Our hearts go out to the victims, families, and our community.

The attack prompted an immediate and well-coordinated response from multiple law enforcement agencies at the Federal, State, County, and local levels. A suspect, Robert "Bobby" Crimo III (age 22 of Highwood, Ill.) was identified and a massive manhunt ensued.

At approximately 6:30 p.m., the suspect was apprehended on Route 41 at Westleigh Road. He was taken into custody without incident and is currently being processed through the Highland Park Police Department.

Throughout the day we have received offers of support and resources from public officials and agencies including President Biden. Fellow mayors have reached out from across the country, many who lead communities that have experienced this pain and tragedy. We thank Governor J.B. Pritzker, Senator Richard Durbin, Senator Tammy Duckworth, Congressman Brad Schneider, Illinois State Senator Julie Morrison, and Illinois State Representative Bob Morgan for coming to support our community and for providing every available resource.

I want to thank our first responders for their bravery and extraordinary efforts today. Our police and firefighters saved countless lives with their responses -- running into danger and taking immediate action to save others. We are grateful for these selfless acts. We know there were members of our community who rendered aid and assistance as well, and we thank each and every one of you for those efforts.

I also want to acknowledge and thank numerous agencies for their support including American Red Cross, World Central Kitchen, Lakeshore Country Club, Northmoor Country Club, Soul and Smoke food truck, Catering by Michaels, Northern Illinois Critical Incident Stress Management, local clergy and many other individuals and agencies have stepped up to provide food and support for our first responders. We are grateful for their generosity.

Our community, like so many before us, is devastated. It's impossible to imagine the pain of this kind of tragedy until it happens in your backyard. Gun violence - a mass shooting such as this casts a much wider net of agony than what the public is typically exposed to; it's a crisis that devastates entire families and communities in a single moment and we know will take time to heal.

Tomorrow the President will order our flags to fly at half-mast, and many public programs have been canceled. Please check with your camps and activities to see if they are operating. In the days and weeks ahead we will come together as a community to mourn and begin the path of healing. I will share more information as it is available.

Road and Business Closures

Numerous roads will remain closed in central downtown Highland Park for the FBI investigation, and many businesses will remain closed. The area closure spans Laurel Avenue from First Street to Elm Place and Green Bay Road from First Street to Elm Place (map below). Detours will be established, but please limit your travel only to essential business in Highland Park. The City is reaching out to business owners to share information, and will work with them to reopen as soon as possible.

Counseling Resources

A coordinated effort is also being made to provide crisis counseling to anyone in need. The City of Highland Park, District 112, District 113, and the Park District will have counselors available at Highland Park High School, 433 Vine Ave., for community members in need of assistance, tomorrow from 9:00 AM to 2:00 PM. No appointment is necessary. The Vine Ave. entrance will be open and anyone who wishes to take advantage of counseling services will need to have a valid driver's license or student ID to be cleared to enter the school.

The theme of this year's parade was community -- and while we are hurting -- we know that we will come together and support each other, as we always do, in difficult times. We are Highland Park strong.

Nancy R. Rotering, Mayor

Hi Everyone:

I had the same exact idea - to preserve items for a museum or another display for future generations. I would really like to be a part of a committee that - tastefully and appropriately - creates a path to closure for all of our residents. Kim said it best - there's going to be a time when the national spotlight is gone and that's when people with roots here are going to have to carry the burden.

I would also like to talk to you all about the parcel of land in the northeast part of Sunset Woods that Kim already knows a little about.

Sincerely,
Terry

Adding in Terry Grossberg, who had suggested the idea of a committee. Leaving Ghida on to keep her in the loop, but someone outside the City should take the lead. I'm thinking Terri Olian should also be included in the conversation at some point, but I know she is overwhelmed at the moment. It would be helpful to speak with John Woodall. I've been in contact with some people in Buffalo, NY about how to properly set up victim funds. Also got a call from a chef in Chicago who is from HP about putting together some sort of memorial event in the fall. So, maybe it would help to have several of us in one space to share ideas.

Ghida and Kim;

This is chilling and I appreciate your thinking. We have the anti-gun violence installation on our front lawn and this could be added. As much as there is – we could fill our empty space inside the installation and make it a safe space for people to come and grieve.

On another note, I just got off the phone with John Woodall, from Newtown CT, who is a crisis counselor and has been active in Sandy Hook, and with others. His input on how a community can heal or turn angry is so worthwhile. He is offering to advise us for the long run and says ‘the arts are in a unique position to achieve therapeutic goals without therapy’ among other things. Are you willing to talk to him? He has a wide range of contacts from the Newtown shootings, Sandy Hook, etc. and would be an amazing resource.

What else can I or TAC do for our community, for you Ghida, Kim, in any way?

Kim,

Thank you for your helpful email. While we will never forget what happened and the impact on all our residents and visitors, we do need to help each other to heal and not let this 1 terrible individual ruin the spirit of our community.

I did want to make a suggestion for when the City decides to erect a memorial for the many victims. One of the haunting scenes is the empty chairs and strollers. I imagine that many people will decide not to retrieve them. If that happens, the City may want to incorporate these abandoned chairs, strollers, etc. in any memorial it erects. They can be stored in a warehouse until that time.

Thank you.

So the FBI victim specialists were running low on victims specialists to just pretty much greet, and do a needs assessment and run the victim through these stations. We got her coverage through the CPD victim specialists- but can ask if they need more and maybe she'd be interested in that? Let me know. Text me.

Good afternoon,

We received word a short while ago that the Red Cross is in need of additional vetted therapists at Highland Park High School for Friday, July 8th and Saturday, July 9th. They are in need of

roughly 5 licensed therapists for two different shifts on Friday and then 5 therapists for a Saturday shift. If you are available for those shifts, you need to **email your name, title, cell phone number, and license number to the contact listed in this document** (you all have editing rights on the document). Please add your name to that same document if you send an email to the contact listed so that we do not inundate this location with CRN members. Again, only 5 CRN members per shift should be contacting the individuals listed on this document. DO NOT email Nancy or me this time around...just add your name to the shift you can work and then contact Joy or Charlotte (listed in the document).

Thank you for coming together to support the Highland Park community!

Take care,
Lauren and Nancy

Hello,

I received a call today in dispatch from a subject saying he has a photo of Robert Crimo II at the scene of the crime before his son was announced as the offender. Because this could be pertinent to the investigation, I wanted to make sure you have the caller's contact information in case the email isn't received.

[EXTERNAL EMAIL]

Hello,

I am attaching a picture of Robert Crimo (father of convicted shooter Robert Crimo III) time stamped to show him at the scene of the crime after it occurred and before a suspect was named. The below photo is time stamped at 11:52 AM - details included in picture attached. It's very suspect to me that he would be wandering this area at this time with no mention of it in any of his interviews. I can tell you first hand this is him and even though it's his back I trust you can cross time it with the camera on the gas station to see his face. After losing a mayoral race and having his business shuttered I believe he has motive as well. I implore you to look further into him. Something isnt adding up here and you guys need this information.
