Mrs. Rebolledo,

Our office assigns all victims and witness of a violent crime a Victim Witness Coordinator. Given the massive effect of this horrendous tragedy we are still in the process of collecting victim contact information so that we can proceed to categorize our victims and assigned them a coordinator. Once a victim witness coordinator is assigned to the victim/witness they will make initial contact to learn from the victim/witness how they wish to be involved in the case and what resources we can connect them. This process happens automatically for the victims/witness that we have contact information for but in this case given its massive effect we are still in the collecting process.

Please share your phone # and address and indicate whether you are a witness or victim so that we can put you on our list. Please **do not** provide any details of what you witness as we risk becoming witnesses ourselves if we dive into the facts of the case. Please also indicate whether you were injured or made a statement to the police. Thank you.

Its unfortunate that you had to be a witness or victim of this horrible situation but please know that we are here to help.

I have enclosed a flyer for my practice and common reactions sheet that could be helpful for officers.

We can do individual and group debriefs, individual, couples and family therapy for all police and first responders and their immediate family members.

We do allow officers to come with guns, in uniform, partial uniform, etc. to any of our offices.

We have an office in Northfield, (but will be moving the office to Deerfield In August) and an office in Lombard. We also provide confidential telehealth sessions.

We want you to know that we also work with Headstrong, which allows all veterans who are police to get free psychological services through us, they can just sign up at:
www.getheadstrong.org

It is totally confidential and officers will get a number rather than by their name so it will not affect any status if they are still in.

Critical Incidents- Common Reactions

Most common distortions of the traumatic event are:

- Distortion of time-(time sped up or slowed down)
- Sensory distortions- (i.e. tunnel vision, hearing changes, etc.)
- Perceptual or Behavioral Distortions- (i.e. Objects change size)
- Sense of helplessness-Limited choices
- “Fight/Flight/Freeze” response
- Disturbance in memory- sometimes our memory gives us “tunnel memory”
- Hyperarousal/Hypoarousal- heightened awareness of our surroundings or constriction of our perception
- Replaying the incident in your head (what ifs)

After a trauma an individual may feel:

- Detached
- Shock and disbelief
- Anxiety, nervousness
- Pre-occupied with thoughts about the incident
- Angry, resentful
- Highly sensitive to others
- Guilt/Guilt for not feeling guilty
- Blaming others
- Hypervigilant, more so in public
- Unexpected emotions
- Relief
- Proud, Happy
- Exhilaration
- Acceptance/Resolution
- Feelings of Isolation
- Feelings that change or may conflict
- Scared/Afraid, particularly in social settings

After traumatic incidents individuals may exhibit increased emotions/bodily sensations such as:

- Changes in appetite and/or sleep
- Nausea and stomachaches
- Anxiety and/or Depression
- Changes in sexual function or libido
- Flashbacks of the incident
- Anger, irritability
- Intrusive memories

- Muscle Tension/Twitches
- Poor concentration/Forgetfulness

Call FRWC at 1-630-909-9094 or email info@firstresponderswellnesscenter.com or find a police and public safety therapist.

About us

The First Responders Wellness Center was created by Dr. Carrie Steiner, a former Chicago Police Officer, Crisis Intervention Team Coordinator, Chicago Police Academy Instructor and Hostage Negotiator.

What is unique about the First Responders Wellness Center is that all of the clinicians are former first responders or clinicians who worked in corrections, and/or family members of first responders. The First Responders Wellness Center is created solely for first responders and their family members.

Common Questions:

Can I come in uniform or with my gun?

Yes, Officers can wear their weapon and come in uniform, partial uniform or in plain clothes.

Will anyone from my department find out if I go to outpatient therapy?

No. The Illinois Mental Health and Developmental Disabilities Confidentiality Act (740 ILCS 110/1-17) and HIPPA 1996 is highly specific that "confidential communication" means any communication made by the client cannot be released to anyone without a written consent and remains confidential.

If I go to therapy, will I lose my FOID card?

No. According to the FOID Act (430 ILCS 65) and Illinois HB 183 (Public Act 098-0063) attending outpatient therapy does not require a therapist to report DHS FOID Mental Health Reporting System as this does not constitute "a clear and present danger".

You've all acted with courage, professionalism, compassion and teamwork. We were in the best possible position because of the work we've done prior and the performance of everyone on Monday.

We've given of ourselves, and continue to give, for our community. Now, I am committed to making sure everyone here is taken care of and gets to a good place. Below you will see some dates and times for some initial services. Please make time to use these services if you can. And know that we are currently working to schedule full debrief/wellness services with the ATF. HR is working through the schedule and we are planning to identify some dates in the next few days where they can fly in to help us work through everything that's gone on. Stay tuned on that.

In the meantime, know that we are in this together. All of us. If you need anything, anything at all, please see a colleague, a supervisor or me.

On Monday, July 4, we gathered together in the heart of our community to celebrate our nation's independence for the first time in two years. The Highland Park 4th of July Parade welcomes guests from all over our region to celebrate with Highland Park and Highwood residents and business owners. From the streamers and pinwheels at the children's bike and pet parade to the row of American flags lining beautiful Central Avenue, our community is part of treasured family traditions for Highland Parkers and neighbors throughout the North Shore.

This year the music and laughter were punctured by the loud, insistent beat of gunshots ricocheting around what we all recognize as our community's gathering place. In little more than a few minutes, seven souls were lost and all of our lives were forever changed. Those seconds punctuated by a high-powered rifle will continue to echo and reverberate throughout our town long after this summer.

Just over one month ago, Highland Park stood in solidarity with the people of Uvalde, Texas, mourning the senseless loss of children and teachers in a mass shooting at Robb Elementary School. At the time, we shared the following: "We as a nation are marked by every loss of innocent life to violence." This week, just a few days ago, our community experienced the same feelings of fear, rage, and grief that have struck too many communities across our country. We are heartbroken for all that was lost that day, and most especially share in the grief of the families mourning the loss of a loved one. We stand in solidarity with the victims who are recovering from injuries, and we will do whatever we can to help all survivors in healing from this trauma.

As a City, we have also experienced a profound sense of gratitude for all those who have come together to support us, from artists creating inspiring chalk art to musicians writing songs, neighbors organizing meal trains and advocates planning vigils, businesses from Highland Park and beyond donating food and strangers lending a shoulder to cry on. To our government partners, especially our friends at the Park District of Highland Park with whom we co-present the 4th of July Parade, we thank you for your support and treasure the opportunity to serve this wonderful community alongside you. To our neighbors in Highwood, we are one community, stronger together and forever intertwined. To our non-profit, advocacy, and faith based organizations, thank you for sharing your gifts of hope and purpose. To the generous individuals who have so thoughtfully remembered our first responders, we thank you. And to all of you, our neighbors, business owners, and friends, we are all honored to be part of this wonderful town you call home.

Together, we will travel the difficult path of healing, honor the memory of those who were killed, and extend each other grace and empathy as we navigate this uncharted territory. Together, we are Highland Park Strong.

Dear Highland Park High School Families,

By now you should have received the communication that Superintendent Law shared from the FBI and the City of Highland Park about the FBI's Family Assistance Center at Highland Park High School ending operations at 5 p.m. tomorrow. That communication also contained information about picking up personal effects left behind as well as support resources. Please check the City of Highland Park's website for official information at <http://hpstrong.info>.

I want to make sure our families are aware that although the Family Assistance Center is ending and the City of Highland Park is working with community partners to determine what comes next for our community as it continues to heal, our Highland Park High School students will be able to receive support through HPHS. I will share more information about support services for HPHS students and how students can sign up for an appointment.

In addition, we know that talking about tragedy with younger children can be a difficult task. In case you need it, here are some resources that may be helpful to you.

- Our online book vendor reached out and donated 13 online titles for our District 113 community. Students and staff can access the materials by typing in their ID number at the following link: <https://soraapp.com/welcome>.

Estimadas familias de la Escuela Secundaria de Highland Park:

A estas alturas ya deberían haber recibido la comunicación que el Superintendente Law compartió del FBI y la Ciudad de Highland Park sobre el fin de operaciones del Centro de Asistencia Familiar del FBI en la Escuela Secundaria de Highland Park a las 5 mañana por la tarde Esa comunicación también contenía información sobre cómo recoger los efectos personales olvidados , así como recursos de apoyo. Consulte el sitio web de la ciudad de Highland Park para obtener información oficial en <http://hpstrong.info>.

Quiero asegurarme de que nuestras familias sepan que, aunque el Centro de Asistencia Familiar está por terminar y la Ciudad de Highland Park está trabajando con socios de la

comunidad para determinar qué sigue para nuestra comunidad a medida que continúa sanando, nuestros estudiantes de la Escuela Secundaria de Highland Park estarán capaz de recibir apoyo a través de HPHS. Compartiré más información sobre los servicios de apoyo para los estudiantes de HPHS y cómo los estudiantes pueden inscribirse para una cita.

Además, sabemos que hablar de tragedias con niños más pequeños puede ser una tarea difícil. En caso de que lo necesite, aquí hay algunos recursos que pueden serle útiles.

- Nuestro proveedor de libros en línea se acercó y donó 13 títulos en línea para nuestra comunidad del Distrito 113. Los estudiantes y el personal pueden acceder a los materiales escribiendo su número de identificación en el siguiente enlace: <https://soraapp.com/welcome>.

July 8, 2022

**BUSINESS ACCESS & REOPENING UPDATE FOR BUSINESSES
WITHIN THE JULY 4, INVESTIGATION PERIMETER**

The following FAQ is provided to help businesses within the July 4 crime investigation perimeter to set timeline expectations for your employees, suppliers, and customers, and connect you with resources and assistance to best serve your customers and support your teams.

When can businesses within the investigation perimeter reopen?

Businesses can access their place of business by Saturday, July 9 at 3 PM. We anticipate that businesses will be able to resume regular business hours at or shortly after 6 PM Saturday, July 9.

Please note: to access your business you must first go to Elm Place and go south on Second Street to Backyard Grill at 1825 Second Street to check-in with the Police Officer on duty.

Will businesses within the investigation perimeter receive government funding to help them recoup losses and cover their payroll?

The Small Business Administration Economic Injury Disaster Loans, which could be forgivable, may be available to qualifying businesses.

Please complete the attached form and submit it to me by Friday, July 15, so that we can try to see if SBA loans or forgivable loans are an option for our businesses.

Please keep records of your business expenses, losses (product, food, property), purchases, and payroll for July 4 through your date of reopening, as they may be needed as backup for other financial assistance. The City is also researching an opportunity for business assistance. More information will be forthcoming the week of July 11.

08 July, 2022

To: Honorable Highland Park Mayor and Honorable City Council

From: Jeff Neimark

Date: 08 July, 2022

I am calling for the Highland Park City Government to have an independent investigation conducted relating to the events that had occurred leading to the shooting by Robert Crimo III.

It is vitally important to the community and to everyone in this country to know exactly what happened leading up to the tragedy on 4th July. This is fundamental to make the necessary changes to make sure the same mistakes never occur again. There also needs to be accountability for these mistakes.

Law Enforcement in Highland Park made some incredible statements that are not consistent with Law Enforcement protocol. These statements were illogical and lacked a fundamental understanding of what should have occurred by the Highland Park Police Department in the incident in 2019 involving Robert Crimo.

Deputy Chief Covelli had explained the actions by the Highland Park Police Department. It was explained the Highland Park Police Department needed probable cause to detain Robert Crimo relating to the threats he made to kill his family. It appeared Deputy Chief Covelli was conveying to everyone in the news conference there was no probable cause to take the appropriate action required. It was explained the Highland Park Police Department took no further action on Robert Crimo because the family did not wish to sign complaints. Highland Park Police Department did however, complete a Clear and Present Danger Report to the Illinois State Police. Report had indicated Robert Crimo was a Clear and Present Danger. If Mr. Crimo was a clear and present danger why was he not arrested or charged? Report had clearly indicated he was a Clear and Present

Danger to himself and others. Report had further indicated Robert Crimo was depressed and had history of drug use. The police report had not indicated anything about the previous suicidal call or anything relating to his posts. Why did this occur? It was reported Robert Crimo III had contemplated suicide with a machete. Again, why was this not in the police report? This is crucial information as to the mental instability of Robert Crimo III.

Did anyone from the Highland Park Police Department follow up with the Illinois State Police ? Report does not indicate. The police report was lacking information and was not very detailed relating to events. There are no additional or supplemental reports shown indicating what D.C.F.S. did and when they were contacted. The Incident report indicates everything had occurred on 09-05-19, however the incident report indicates some of the statements occurred on Monday 09-02-19. If this is the case the police report is inaccurate on the date the incident occurred. If there were any issues with taking any particular action by law enforcement on 09-05-19 the Lake County States Attorney needed to be contacted and a Detective assigned to the case for follow up investigation and for charging. A petition could have been requested by the officer or detective to have the Lake County States Attorney to have Mr. Crimo mentally evaluated. This does not appear to have been done. Was this incident assigned to a Detective for further investigation? If not, why did this occur? The Incident report was not cleared and approved until 16 September 2019. It is apparent that no further action by the Police Department was taken relating to this incident. Incident report does not make any indication why the officer did not take any action other than removing the weapons for safe keeping. Does not make sense why there is nothing in report pertaining to why an arrest or mental evaluation was not conducted. It is hard to believe that this police report was actually approved by a supervisor. The fact that it took 11 days to approve the police report usually means the report did not go anywhere between 09-05-19 to 09-16-19. Reports that are not approved do not get sent to other agencies. It is unclear once the police report was approved on 09-16-19, this police report went anywhere for further investigation. It is very disheartening.

The family does not have the ultimate say in deciding the action by Law

Enforcement in this incident. The fact that the family did not wish to sign complaints does not negate the responsibility of the Highland Park Police Department to take further action. The police report does not indicate anything about the family not wanting to sign complaints. Why is this not in the police report? The police report does indicate that someone in the household was afraid to be in the house because of the nature of the threats, along with all the knives and weapons. This certainly indicates this threat was credible along with the Clear and Present Danger Report to the State Police. The incident report also indicates Robert Crimo III was not forth coming in the language he used.

Highland Park Police Department had the absolute right and a obligation to detain someone who threatens suicide and certainly someone who threatens to kill their entire family. Furthermore, it is a crime to threaten to kill your entire family which gives officers probable cause to take the necessary action. The Highland Park Police Department was actually required to detain Robert Crimo and should have arrested Robert Crimo III when he threatened to kill his entire family. This did not occur according to Deputy Chief Covelli.

The Highland Park Police Department not only had a right to detain Robert Crimo but they had the right to take him into custody for a mental evaluation by a physician at the hospital. This is actually very common in law enforcement to take this type of action. Police Officers are required to take action if there is a threat to harm or kill anyone, especially if they made statements of being suicidal previously with a machete and made statements of depression along with history of drug use. Highland Park Police Department had information of the mental instability Robert Crimo had. The fact Robert Crimo had in his possession 16 knives and other weapons was another factor to at least arrest him and take him in for a mental evaluation.

Again, this was a crime. The fact that Roberto Crimo threatened to kill his entire family was a crime. Why was this not treated as such? The police report does not indicate how any measures were taken to treat this as a crime or to take appropriate measures to have a mental evaluation done. Why did this occur? Did the Highland Park Police Department follow up to investigate social media posts

and songs Robert Crimo had created about killing people. Is there any police reports by the Highland Park Police Department this had occurred? Incident report does not indicate any further investigations or follow ups.

It is very probable if the Highland Park Police Department had taken Robert Crimo in for a mental evaluation and at least arrested him, he would had been flagged from obtaining these weapons.

It is very peculiar what had occurred here. I believe someone could make a reasonable inference that no action was taken by the Highland Park Police Department because the father of Robert Crimo was running for City Mayor at the time. This also needs to be looked into because this does not make any logical sense. There was also supervisor on scene named Sgt. Olsen. It is unclear why the supervisor made these decisions. It is unclear if there are any reports by Sgt. Olsen on this incident. In my experience I have seen officers not want to take someone to the hospital because they have to stay with them for long periods of time. I am not saying this is the case in this incident, however it is a problem in law enforcement and it needs to be looked at.

I have devoted 31 years of my life in a career in law enforcement and it is very difficult to see the mistakes that were so significant. Please take this letter to which it is intended as to help make sure this never happens again. I believe an independent investigation can put a lot of questions to rest and help in the healing process. Thank you.

I am a Highland Park native and my heart goes out to all the victims, families and everyone affected by this senseless and horrific act.

Respectfully,

Jeff Neimark

Dear DHS Families,

With permission, I am sharing the sad news that incoming DHS freshman student,

██████████ was a victim of the shooting in Highland Park. Fortunately, ██████████ was treated and released from the hospital and is recovering at home. As a school community, we extend our thoughts, prayers, and support to ██████████ and her family.

For all those impacted by this horrific tragedy, we keep you in our hearts. As you know, the hub of resources and support has been held at Highland Park High School. Dear Highland Park High School Families,

By now you should have received the communication that Superintendent Law shared from the FBI and the City of Highland Park about the FBI's Family Assistance Center at Highland Park High School ending operations at 5 p.m. tomorrow. That communication also contained information about picking up personal effects left behind as well as support resources. Please check the City of Highland Park's website for official information at <http://hpstrong.info>.

I want to make sure our families are aware that although the Family Assistance Center is ending and the City of Highland Park is working with community partners to determine what comes next for our community as it continues to heal, our Highland Park High School students will be able to receive support through HPHS. I will share more information about support services for HPHS students and how students can sign up for an appointment.

In addition, we know that talking about tragedy with younger children can be a difficult task. In case you need it, here are some resources that may be helpful to you.

Estimadas familias de la Escuela Secundaria de Highland Park:

A estas alturas ya deberían haber recibido la comunicación que el Superintendente Law compartió del FBI y la Ciudad de Highland Park sobre el fin de operaciones del Centro de Asistencia Familiar del FBI en la Escuela Secundaria de Highland Park a las 5 mañana por la tarde Esa comunicación también contenía información sobre cómo recoger los efectos personales olvidados , así como recursos de apoyo. Consulte el sitio web de la ciudad de Highland Park para obtener información oficial en <http://hpstrong.info>.

Quiero asegurarme de que nuestras familias sepan que, aunque el Centro de Asistencia Familiar está por terminar y la Ciudad de Highland Park está trabajando con socios de la comunidad para determinar qué sigue para nuestra comunidad a medida que continúa sanando, nuestros estudiantes de la Escuela Secundaria de Highland Park estarán capaz de recibir apoyo a través de HPHS. Compartiré más información sobre los servicios de apoyo para los estudiantes de HPHS y cómo los estudiantes pueden inscribirse para una cita.

Además, sabemos que hablar de tragedias con niños más pequeños puede ser una tarea difícil. En caso de que lo necesite, aquí hay algunos recursos que pueden serle útiles.

**BUSINESS ACCESS & REOPENING UPDATE FOR BUSINESSES
WITHIN THE JULY 4, INVESTIGATION PERIMETER**

The following FAQ is provided to help businesses within the July 4 crime investigation perimeter to set timeline expectations for your employees, suppliers, and customers, and connect you with resources and assistance to best serve your customers and support your teams.

When can businesses within the investigation perimeter reopen?

Businesses can access their place of business by Saturday, July 9 at 3 PM. We anticipate that businesses will be able to resume regular business hours or shortly after 6 PM Saturday, July 9.

Please note: to access your business you must first go to Elm Place and go south on Second Street to Backyard Grill at 1825 Second Street to check-in with the Police Officer on duty.

Will businesses within the investigation perimeter receive government

funding to help them recoup losses and cover their payroll?

The Small Business Administration Economic Injury Disaster Loans, which could be forgivable, may be available to qualifying businesses.

Please complete the attached form and submit it to me by Friday, July 15, so that we can try to see if SBA loans or forgivable loans are an option for our businesses.

Please keep records of your business expenses, losses (product, food, property), purchases, and payroll for July 4 through your date of reopening, as they may be needed as backup for other financial assistance. The City is also researching an opportunity for business assistance. More information will be forthcoming the week of July 11.

The FBI is releasing the remaining ~1000 items tomorrow so they anticipate the FAC being very busy all day. Lake County EMA is very concerned that we are understaffed for volunteers since its also possibly the first day that people working can come. As many volunteers as can be found would be greatly appreciated. Please do your best to see if anyone can come. If they have to shift their start or end time 30 minutes to accommodate other plans that is way better than not having any support. In addition, any Spanish speaking volunteers are a plus!

Please add any volunteer names to the google sheet.

The support across the CERT teams has been incredibly awesome. Thanks so much!

Gratitude for Our Community, Partners, and Friends

On Monday, July 4, we gathered together in the heart of our community to celebrate our nation's independence for the first time in two years. The Highland Park 4th of July Parade welcomes guests from all over our region to celebrate with Highland Park and Highwood residents and business owners. From the streamers and pinwheels at the children's bike and pet parade to the row of American flags lining beautiful Central Avenue, our community is part of treasured family traditions for Highland Parkers and neighbors throughout the North Shore.

This year the music and laughter were punctured by the loud, insistent beat of gunshots ricocheting around what we all recognize as our community's gathering place. In little more than a few minutes, seven souls were lost and all of our lives were forever changed. Those seconds punctuated by a high-powered rifle will continue to echo and reverberate throughout our town long after this summer.

Just over one month ago, Highland Park stood in solidarity with the people of Uvalde, Texas, mourning the senseless loss of children and teachers in a mass shooting at Robb Elementary School. At the time, we shared the following: "We as a nation are marked by every loss of innocent life to

violence." This week, just a few days ago, our community experienced the same feelings of fear, rage, and grief that have struck too many communities across our country. We are heartbroken for all that was lost that day, and most especially share in the grief of the families mourning the loss of a loved one. We stand in solidarity with the victims who are recovering from injuries, and we will do whatever we can to help all survivors in healing from this trauma.

As a City, we have also experienced a profound sense of gratitude for all those who have come together to support us, from artists creating inspiring chalk art to musicians writing songs, neighbors organizing meal trains and advocates planning vigils, businesses from Highland Park and beyond donating food and strangers lending a shoulder to cry on. To our government partners, especially our friends at the Park District of Highland Park with whom we co-present the 4th of July Parade, we thank you for your support and treasure the opportunity to serve this wonderful community alongside you. To our neighbors in Highland, we are one community, stronger together and forever intertwined. To our non-profit, advocacy, and faith based organizations, thank you for sharing your gifts of hope and purpose. To the generous individuals who have so thoughtfully remembered our first responders, we thank you. And to all of you, our neighbors, business owners, and friends, we are all honored to be part of this wonderful town you call home.

Together, we will travel the difficult path of healing, honor the memory of those who were killed, and extend each other grace and empathy as we navigate this uncharted territory. Together, we are Highland Park Strong.

FBI Victim Assistance Center at Highland Park High School

Representatives from multiple community organizations are working together to continue to provide as much information and access to services as possible. Please bookmark hpstrong.info for updates.

Yep, guns are the problem , right! Why are liberals so stupid and naïve?

Subject: Highland Park Mayor: Robert Crimo III's weapon was 'legally obtained'

Mayor Roterer says now the U.S. needs to re-examine gun laws in the aftermath of this tragedy. "This tragedy never should have arrived on our doorsteps and as a small town, everybody knows somebody that was affected by this directly," The mayor added that she was Crimo's Cub Scout leader as a child, describing him as "just a little boy." "It's one of those things where you step back, and you say 'What happened?'"

Indeed, we can all ask: "What happened". Did the mayor look at the current picture of this suspect? He's covered in tattoos, and looks absolutely evil. The mayor is concerned about guns, like every other liberal officeholder. What about the parents, parenting, family situation and upbringing of this cub scout- turned monster? This is an example of the society and culture we have allowed to develop in this country.

The mayor also said: "I think at some point the nation needs to have a conversation about these weekly events involving the murder of dozens of people with legally obtained guns," "If that is what our laws stand for, then I think we need to re-examine the laws." "I would rather focus on why do we as a nation allow this to happen with such regularity? But, she only seems to be concerned about gun laws. If so, she's as ignorant and naïve as the rest of the liberals.

Our society has become sick, not because of guns and gun laws , but because of the destruction of the family, parents, parenting, single parents, family dysfunction, a culture of warped, disgusting social media, loss of respect for authority (parents, teachers and the police), loss of respect for self, family and life itself. The people we allow our children to hang

out with and bond with on social media play a role, a culture of tattoos, boys and girls who can't even understand and respect the difference between boys and girls, loss of respect for each other's bodies, the hatred spewed by groups like Black Lives Matter, The Critical Race Theory bullshit, the hard drug culture, the appearance of far too many youth with boys and girls in ridiculous ear, eye, nose and mouth hardware, failing schools where children aren't learning a damn thing, the LGBTQ+ ridiculous pride push, the pro-choice agenda with abortion up until the day of delivery, etc. etc. etc.

You ask: "What happened", just look at the picture this "little boy" cub scout now, and then tell us it's a gun law problem. This kid looks absolutely evil, like a true monster. Who would ever want to hire someone who looks like that? If this kind of thing can happen in an upscale community like Highland Park, imagine what is going on in all the liberal-controlled places throughout the country that aren't so upscale. If the kids are becoming drug addicts, drug peddlers, zombie-looking freaks like this kid, they are being passed in school, told they are privileged racists (if white), or victims of a lack social justice (if Black).

Look at the "wonderful job" our "leadership is doing. What a laugh! Start with Biden and Harris, Pelosi, Schumer, the Obama's, Elizabeth Warren, Maxine Waters, Al Sharpton, Ben Crump, Joy Reid, Joy Behar, the mayor of Chicago, the DAs in places like LA. If you can't see the problem, there will be no solution.

This country is dying, and it's not because of guns and gun laws. It will continue to die as long as people like the Mayor keep focusing on the wrong things.

Sincerely,
Joe Brafford
