Good morning Ben,

Thank you for the suggestion as mental health is an incredibly important topic. At this time, the Highland Park Strong webpage is dedicated to resources related to the July 4<sup>th</sup> Parade shooting but that's not to say we won't expand it in the future.

I'll pass the suggestion and your information along to our Communications Manager.

Thank you and be safe,

*[EXTERNAL EMAIL]*

Hi there,

My name is Benjamin Scott and I came across the helpful information you shared about mental health at

[//cityhpil.com/resident/highland\\_park\\_strong.php](http://cityhpil.com/resident/highland_park_strong.php) and was wondering if you were open to adding any other resources to that page.

Many are not aware of the connection between PTSD and car accidents, so it is something we wanted to shed some more light on. Not surprisingly, a car accident can be traumatizing for any person involved. It can make getting back behind the wheel seem impossible. That's why we wanted to make a comprehensive guide about PTSD after car accidents. Check it out:

PTSD & Car Accidents - [nstlaw.com/guides/ptsd-and-car-accidents/](http://nstlaw.com/guides/ptsd-and-car-accidents/)

I think this guide could be helpful for your readers and a great addition to your page. If you agree, would you consider sharing this link on your website? I'm sure you get many requests like this, but I do think this one may be worth an additional look.

I look forward to hearing back and please let me know what you think!

Have a wonderful day,

Ben

**Subject:** HPPD On-Site Peer Support Resources

**Importance:** High

HPPD team,

I'd like to share a list of organizations and resources that will be *on-site* over the next week to assist with incident debriefing. We encourage all sworn officers to take advantage of at least **one** of these on-site options, but welcome you to attend all. Peer support is critical to the success of these programs. They are meant to bring you together in support of *each other* to discuss, reflect, and counsel.

**Northern Illinois Critical Incident Stress Management (NI-CISM)** will be *on site* Friday and Saturday from 2:00 PM – 10:00 PM for drop-ins. They will be located in the first floor Police Training Room. We encourage all officers involved in Monday's incident and response to check in and meet with a peer resource as time allows. No advanced appointment is necessary.

**Lake County Family Service** will be holding group debriefing sessions in the Police first floor ~~small conference room~~ Police Training Room Friday at 9:00 AM and 11:00 AM for sworn and civilian staff wishing to debrief their experience in a group setting with counselor facilitation. No advance appointment is necessary. These sessions are open to all. An invitation has also been extended to our CERT members present for Monday's incident.

**ATF Peer Responder Program** is scheduled to be *on-site* next week for group sessions with peer facilitators experienced in crisis incident debriefing. Exact dates and times are TBD, but multiple sessions will be available. Sessions will take place in the first floor Police Training Room. I will send out more information once exact details are confirmed. All sworn officers involved in Monday's incident and response are highly encouraged to attend. Arrangements will be made during your scheduled shift to allow for attendance. Civilian PD staff are also invited to take part.

On a personal note, words cannot adequately express how proud we are of the service you've done for this community. If you have questions in regards to the listed resources or wish to seek other available resources through our employee assistance programs, please don't hesitate to reach out to Emily, Aaron, Dr. Plazas or myself.

All the best,

Officer Medoza,

I assume your inbox has been flooded after the police report on Robert E Crimo III's welfare check was released with your email address. That's probably pretty annoying at this point.

As a former north shore resident, I would like to thank you for doing your due diligence in 2019 to report this individual to the state police. Obviously there is a breakdown/shortcoming in Illinois' red flag laws, but you did your part and that deserves praise.

Thank you for your service. My thoughts are with you and the community in this most tragic of times.

Regards,

Miles Gentsch

Good morning Jenny,

Thank you so much for your kind offer. I'm glad to hear you all are reopening and looking to help the community move forward. Your peer restaurant was correct about our overwhelming amount of food currently. But, I have added you to our list of offers for future food donations. This will be extra appreciated because I know the PD (and myself) are big fans of Judy's!

In the meantime, if you are looking for other ways to donate, please consider the July 4th Highland Park Shooting Response Fund. All contributions to the Response Fund will go directly to victims and survivors or the organizations that support them.

I have included a link if you choose to go this route: <https://www.hpcfll.org/july-4th-highland-park-shooting-response-fund/>

Good Morning,

We are reaching out as we are interested in donating meals to our local Highland Park first responders. We know that they are currently inundated with food donations, but as we reopen our doors we want to support, even if in the future. ### ***Highland Park Strong***

The membership and staff of the Northwest Municipal Conference send our deepest condolences to the Highland Park community and those impacted by the senseless murders committed at the July 4 parade. We stand ready to help in any way we can and offer our strongest support as Highland Park grieves those who died and works to care for and heal the survivors. Please visit [Highland Park Strong](#) for more information including healing services, counseling, community outreach and donations.

“We will get through this together. We will move forward together. We are Highland Park strong. These are not just words on a page, these are words to live by.” – *Mayor Nancy Rotering*

### ***Register today for the NWMC Surplus Vehicle & Equipment Auction***

There are less than two weeks left to participate in the July 19 NWMC Surplus Vehicle and Equipment Auction. Thank you to the *Village of Skokie* and Village of Tinley Park for registering vehicles to sell at the event, which begins at noon at America's Auto Auction in Crestwood. America's AA offers a wide variety of convenient services to prep your vehicles and garner the highest possible price, and as previously noted, prices for used cars are up 40% year-to-year due to chip shortages and high demand.

Please note that vehicles and equipment can be listed for disposal at the NWMC auction right up to the morning of auction day. Sell them now to get a fresh start and please keep in mind that a portion of the proceeds help support the operations of the organization. If you can't make the July auction, the final live auction for the year will be held on Tuesday, October 18. In addition, America's Auto Auction hosts online sales on par with other government surplus Internet auctions. For questions or additional information, please contact staff or Berry Ellis, 312-371-5993 or [berry.ellis@americasautoauction.com](mailto:berry.ellis@americasautoauction.com). *Staff contact: Ellen Dayan*

### ***SPC Vehicle Program Update***

Staff recently held discussions with Suburban Purchasing Cooperative (SPC) vehicle program vendors and was advised that the already bleak outlook for vehicle production is worsening. While some orders received in 2021 may still be scheduled for production, vehicle makers may either cancel the orders outright or decline to turn them over to be rescheduled. Additionally, most government vehicles that would normally be produced by Ford, Chevy and Dodge may not be produced for 2023 at all. Some industry analysts suggest that the best bet is to wait until 2024 as supply chain issues may not be fully resolved until then.

The SPC requested rollovers from General Motors on 2022 Chevrolet Tahoe Patrol Package (Contract #185) and Silverado Regular Cab 1500 Work Truck (Contract #186), but were informed that those vehicles will not be produced in 2022. In addition, the Chevrolet Bolt EV 5 Door Hatchback (Contract #175) may not be produced for government and commercial orders.

Of the 600 SPC Ford Police Interceptor Utilities (Contract #204) currently on order with Currie Motors, approximately 200 have been built. Ford Super Duty Trucks that have been on order since July 2021 may be cancelled by the manufacturer, who plans to release new specifications by the end of 2022 or early 2023. Finally, there will be limited production of 2023 Ford Transit Full Size Van, Passenger Wagon and E-Transit Vans (Contract #207), with the chance that 2022 orders may also be canceled in the government and commercial sectors. Staff will continue to stay on top of this issue and will send additional information as events warrant. *Staff contact: Ellen Dayan*

*From the desk of University of Illinois Chicago (UIC) Public Administration Adjunct Professor Jeffery Gawel:*

The UIC Department of Public Administration is once again soliciting proposals for MPA and MPP capstone project teams for the upcoming fall 2022 semester! The capstone project is meant to be a “learning in action” experience that gives students in the Master of Public Administration and Master of Public Policy programs the opportunity to engage in meaningful work in a real-world setting. Each capstone team works with the client organization on a particular problem or challenge to which the students can apply their training and expertise. Potential areas of specialization include financial management; human resource management; public policy; program evaluation; and information management. The projects last the entire semester (early September through late November) in order to provide the students an opportunity to perform in-depth work, including data analysis. In return, the capstone teams can also provide a valuable and free service to their respective clients by working together in addressing the identified needs.

The deadline for submission of project proposals for the fall 2022 semester is Friday, July 22, 2022. The RFP document can be found, along with the application form and examples of past projects, at <https://go.uic.edu/capstone>. I will also be hosting capstone information sessions via Zoom on the following dates. Please consider participating if you have any questions or need guidance. You may register for one or both sessions by clicking on the links below.

Dear Partner,

Sorry for the late response, it's been a busy day. Here is the information for tomorrow. As a reminder, we will be serving survivors of the deceased, survivors of those injured and those who were in close proximity to the incident. I am also attaching the notes from this morning's call, many thanks Rebecca Kumar. Partner information is listed below. Send your information to me as soon as you can.

Here are some helpful tips:

- Look for the police officers in the lot. Let them know you are a partner and they will direct you where to park. Please park as far away from the door as possible. We want the clients to be able to park as close to the door as possible.

- Please bring an ID. When you enter the building, there will be a police officer at the door. Let the officer know that you are there to provide services or volunteer
- When you enter, there will be a partner sign in sheet. Please sign in and out.
- Bring all supplies and anything you might need to do your work with you. We cannot provide pens, notebooks etc. If you have handouts in Spanish, please bring those as well as we are expecting some Spanish speakers.
- There will be comfort dogs at the center each day for you to use with your clients.
- Food will be provided to you as well as water and drinks. Please feel free to bring your own if you wish.
- There may be periods of sitting and waiting or there may be periods when you will be busy. We don't know what to expect, but being present for the community speaks volumes and your presence is appreciated.
- Know that things may change as the week progresses. Flexibility is key.
- Please make sure that someone is at your table for the entire duration of the event on each day.
- On Wednesday, arrive by 11:00 am to set up
- As a reminder, no uniforms and please wear soft colors.

**Subject:** Re: Remind App & Business Support

There are 158 businesses within the perimeter; 22 are restaurants/food businesses. Restaurants/food businesses incurred significant losses because of spoilage. Some paid their employees; some could not. The loss of business has impacted retailers, but still, they can sell their inventory of merchandise.

I've suggested to the businesses I spoke with that they contact their property owners to request a rent reduction for the days they couldn't operate. I could email the property owners to suggest it, but from the pandemic, I know Tabani and a few others waited until businesses received PPP and required their tenants to pay their rent in full.

I'll ask some businesses if their insurance will cover these losses and at what %, deductible... However, if they're covered, their premiums will increase - because that's what insurance companies do after a loss, and they'll be considered higher risk.

Both a grant program and a fund are needed to get our businesses back on track. I'd consider a grant program to cover 50% of food losses, but would need more information to make a recommendation.

**Julie-** Could finance assess the loss of revenue for each impacted business for one week based on their most recent quarterly sales taxes?

From what I am hearing personally, and seeing on social media, there is significant public support for our businesses, in and outside the community. There would have to be equitable distribution of funds to all the businesses, not just favorites. Timing is everything; setting up a fund for the public to contribute would have to be done quickly while there is worldwide attention.

Also, I know Walker Bros., Starbucks, Gearheads, and Bright Bowls sheltered people, but there may be others. Do we know all those businesses? It would be a grand gesture for the Mayor to contact those businesses and for the City to recognize them. Others outside the perimeter have also been very generous - they went beyond giving food prepared for an event that would have gone to waste. I don't know who they all are.

Separately, can you, Carolyn and Erin explore if there is an interest and feasibility to provide grants to the businesses who have been closed since Monday due to the impact of the shooting. How many businesses are in the hot zone? It's possible there will be public support for the employees who didn't earn wages; not sure if the property owners are providing relief; what insurance support looks like, etc. Does it make sense for the City to issue any grants to support our businesses? Thanks.

Chris,

First, let me commend you, your department, and all the other departments and organizations on the response on July 4. From everything I saw and heard about the incident, you stood out as an amazing leader who seamlessly switched from parade duties to active shooter incident commander. Great job!

Second, I'm writing at what I hope is not an inconvenient time to see if there is a need to reschedule the July 13 makeup IPMBA class for your officers. I'm sure your department and personnel were, and still are, taxed with many responsibilities related to the parade incident. If there is a need to reschedule, I will make myself as available as possible in the future to hold the 1-day makeup class around your schedule. Please advise when you can.

Again, congratulations on a job well done in identifying the perpetrator and taking him into custody so quickly.

Respectfully,

**Craig Lepkowski**

I am a Reuters News reporter and I see a Chicago Tribune report citing police records saying that Highland Park police were called to the family home of the alleged Independence Day parade sniper at least nine times between 2010 and 2014 in response to domestic disputes.

The news report also says that most of the incidents involved allegations of verbal or physical altercations between the shooting suspect's parents. <https://bit.ly/3yOwF3i>

Hello,

I'm a reporter with The Associated Press in Chicago. A few questions for our reporting and planning this morning:

- Can law enforcement provide the address or name of the building that Robert E. Crimo III shot from on Monday? ASA Dillon mentioned it was on the northwest corner of Second and Central but we want to be certain.
- Has a reopening date/time for the downtown business district been set?
- Can law enforcement provide any update on the investigation? Specifically, when do they expect to release the location(s) of Crimo's firearms purchases?

Thank you,

Our drone bill stalled in the spring because the ACLU did not want police to use drones at events... something we really wanted.

Since the Highland Park incident, we have been working with Elgin and Aurora again... the leaders in these deliberations... and now we have the support of a Democratic senator from Aurora, Linda Holmes. That's progress.

I am on vacation but should be able to join the planning meeting whenever it is set. Ed

Subject: VISION M.A.I. Consulting: Drone Legislation Briefing for Senate Assistant Majority Leader Linda Holmes

Good afternoon Everyone,

I hope everyone is well. Senate Assistant Majority Leader Linda Holmes has agreed to become the new Chief Sponsor of our drone legislation and has availability next week for an in-depth briefing. Please let me know which date and/or time will work best for you ASAP:

**Tuesday, July 12th**

12:00-1:00 pm

1:00 - 2:00 pm

2:00 - 3:00 pm

**Wednesday, July 13th**

12:00 - 1:00 pm

1:00 - 2:00 pm

2:00 - 3:00 pm

As many of you will recall, HB 5452 received strong consideration as a viable piece of legislation from the House Public Safety Working Group and was assigned to the House Judiciary Civil Committee. Unfortunately due to the truncated session and apprehension from Senate Leadership to move the legislation forward, due to staunch opposition from the ACLU, our bill was not able to move this Spring. Next week's meeting will go over the merits and changes of the underlying bill, highlight areas of negotiated agreement with ACLU, and strategize on the best way to move the bill forward. If you can send me your availability by 8:00 pm this evening I would really appreciate it.

Please let me know if you have any questions,

Bukola

Are you able to provide or point us to the sales/tax data for all the affected businesses in the perimeter? We recall adding our names to have full access to the data but we have never used or even know where to obtain this data. Does it still come to you on a CD?

I did sign into MyLocalTax and requested a taxpayer listing report but I'm not sure when this may be available or if they will even provide it to me.

Do we have data going back 3 years, by month?

Lara, Roman & Cathy,

In follow-up to my earlier email requesting an analysis to estimate one week of sales for businesses, the request has expanded beyond restaurants.

Cathy, please use the file labeled 'Restaurants CBD investigation perimeter only, to develop the analysis requested earlier.

Roman/Lara, please develop similar and separate analyses for the files labeled 'Retailers...' and 'Service...' using the State file of sales data which one or both of you have confidential access to. I am thinking that developing the analysis for 'Service...' might be an issue since they are not subject to sales tax, but you will let me know...

Please seek any/all assistance from anyone in the department, including me, to develop this analysis at earliest convenience. Thank you so much.

Kind regards,

**Subject:** Re: Remind App & Business Support

There are 158 businesses within the perimeter; 22 are restaurants/food businesses. Restaurants/food businesses incurred significant losses because of spoilage. Some paid their employees; some could not. The loss of business has impacted retailers, but still, they can sell their inventory of merchandise.

I've suggested to the businesses I spoke with that they contact their property owners to request a rent reduction for the days they couldn't operate. I could email the property owners to suggest it, but from the pandemic, I know Tabani and a few others waited until businesses received PPP and required their tenants to pay their rent in full.

I'll ask some businesses if their insurance will cover these losses and at what %, deductible... However, if they're covered, their premiums will increase - because that's what insurance companies do after a loss, and they'll be considered higher risk.

Both a grant program and a fund are needed to get our businesses back on track. I'd consider a grant program to cover 50% of food losses, but would need more information to make a recommendation.

**Julie-** Could finance assess the loss of revenue for each impacted business for one week based on their most recent quarterly sales taxes?

From what I am hearing personally, and seeing on social media, there is significant public support for our businesses, in and outside the community. There would have to be equitable distribution of funds to all the businesses, not just favorites. Timing is everything; setting up a fund for the public to contribute would have to be done quickly while there is worldwide attention.

Also, I know Walker Bros., Starbucks, Gearheads, and Bright Bowls sheltered people, but there may be others. Do we know all those businesses? It would be a grand gesture for the Mayor to contact those businesses and for the City to recognize them. Others outside the perimeter have also been very generous - they went beyond giving food prepared for an event that would have gone to waste. I don't know who they all are.

Hi Julie,

At the Information meeting for the Latino community this evening, the group unanimously agreed that text messaging was their preferred form of communication. A D113 representative suggest the Remind App which is used by the high school district. It allows users to collect cell numbers and retain text messages. Can someone in IT check on this option as well as other options we can pursue for texting. Thanks!

Separately, can you, Carolyn and Erin explore if there is an interest and feasibility to provide grants to the businesses who have been closed since Monday due to the impact of the shooting. How many businesses are in the hot zone? It's possible there will be public support for the employees who didn't earn wages; not sure if the property owners are providing relief; what insurance support looks like, etc. Does it make sense for the City to issue any grants to support our businesses? Thanks.

If anyone was thinking of helping out at the High School today, please do NOT just show up. Scroll down and click on the link for the sign up sheet. There are tabs at the bottom of the sheet with time slots. Click on the time slot you would like to volunteer for and add your information. Read below for more info about what they expect if you are helping. You need to arrive on time for a briefing. This is open through Saturday.

Just a note....we do NOT expect you to go there and help out, but I know that some people feel better when doing something. When I asked for help at the food tent, I had more offers than positions so I just wanted to make you aware of this opportunity.

Thank you for being so generous with your time and emotions.

Amy

Good Evening CERT/EMA contacts. There are a number of updates that need to be relayed to your volunteers. The first big note is that the FAC is going to extend through Saturday. We have added that to the google sheet (2 shifts - 9 to 130 and 130 to 5). Other important protocols and reminders are noted below. One thing of note for some of the volunteers that may have supported on Wednesday, the parking location and entrance has changed. All volunteers should come through door H and check in with security at that entrance (more details below).

Today there were some personnel that showed up with CERT gear. NO equipment, supplies, vests or backpacks are needed. Plain yellow vest will be provided at the event. Please make sure everyone leaves personal gear in their vehicle. In addition, no logoed/credentialed clothing should be worn (more details below). Please don't take any of this as criticism or negatively. We are just trying to adapt and relay the changing protocols that are coming out of the FAC administrators. People that have been there more than one shift or day know that each part of the day or different day is a new adventure. Adaptability is key.....and greatly appreciated.

Please continue to relay the gratitude of all the partners for your volunteers. The event is ever changing but the appreciation is constant. Feel free to shout if any questions/concerns.

(Note - for those that indicated on the sheet that your volunteer is maybe showing up an hour late, that is noted and can be worked around - thanks for that communication).

Good luck as the event continues. The community is in great need of all of the time and assistance.

Hi All,

The counseling operation at the High School is in need of helpers for managing people. They tried to do it with other area CERT teams but it sounds like they aren't getting enough people. If anyone is available, and would like to help out, please just respond to the High School on the St Johns side and go into entrance H. Wear your CERT gear and let them know you are there to help.

Nancy and Sam are there, so please call Nancy for further details if you decide to go.

Nancy: [REDACTED]

If you go, let me know so we can keep records.

The tent does not need constant supervision so if you need to cut out early, please do. If you do work it, please send me your hours so I can have it noted. I will complete an activation report.

Thank you all for your responses...Here is a very basic schedule....please stay as long as you are able. The tent does not need to be manned every second but it would be nice to have people on hand to help organize and make sure coolers get filled. I will check in with the first crew tomorrow.

Please park near Laurel and Second. Irv is parked on Laurel. Go there and you will need to check in with an FBI employee to sign in to the scene. The tent is located on second street.

Please follow the below schedule if possible:

I will be back in tomorrow morning at 9a, so I will confirm with everyone.

**Wed: 11a-2p Nancy McEntee, Shane Selig**

**Wed: 2p-6p Dan Bricker, Kris Byrnes**

Hi,

I am a Reuters News reporter and I see a Chicago Tribune report citing police records saying that Highland Park police were called to the family home of the alleged Independence Day parade sniper at least nine times between 2010 and 2014 in response to domestic disputes.

The news report also says that most of the incidents involved allegations of verbal or physical altercations between the shooting suspect's parents. <https://bit.ly/3yOwF3i>

- Can you confirm this and share the statement/ records with me as well?

A quick reply from your end will be helpful. My contact details are given below.

If anyone was thinking of helping out at the High School today, please do NOT just show up. Scroll down and click on the link for the sign up sheet. There are tabs at the bottom of the sheet with time slots. Click on the time slot you would like to volunteer for and add your information. Read below for more info about what they expect if you are helping. You need to arrive on time for a briefing. This is open through Saturday.

Just a note....we do NOT expect you to go there and help out, but I know that some people feel better when doing something. When I asked for help at the food tent, I had more offers than positions so I just wanted to make you aware of this opportunity.

Thank you for being so generous with your time and emotions.

Amy

Good Evening CERT/EMA contacts. There are a number of updates that need to be relayed to your volunteers. The first big note is that the FAC is going to extend through Saturday. We have added that to the google sheet (2 shifts - 9 to 130 and 130 to 5). Other important protocols and reminders are noted below. One thing of note for some of the volunteers that may have supported on Wednesday, the parking location and entrance has changed. All volunteers should come through door H and check in with security at that entrance (more details below).

Today there were some personnel that showed up with CERT gear. NO equipment, supplies, vests or backpacks are needed. Plain yellow vest will be provided at the event. Please make sure everyone leaves personal gear in their vehicle. In addition, no logoed/credentialed clothing should be worn (more details below). Please don't take any of this as criticism or negatively. We are just trying to adapt and relay the changing protocols that are coming out of the FAC administrators. People that have been there more than one shift or day know that each part of the day or different day is a new adventure. Adaptability is key.....and greatly appreciated.

Please continue to relay the gratitude of all the partners for your volunteers. The event is ever changing but the appreciation is constant. Feel free to shout if any questions/concerns.

(Note - for those that indicated on the sheet that your volunteer is maybe showing up an hour late, that is noted and can be worked around - thanks for that communication).

Good luck as the event continues. The community is in great need of all of the time and assistance.

Hi All,

The counseling operation at the High School is in need of helpers for managing people. They tried to do it with other area CERT teams but it sounds like they aren't getting enough people. If anyone is available, and would like to help out, please just respond to the High School on the St Johns side and go into entrance H. Wear your CERT gear and let them know you are there to help.

Nancy and Sam are there, so please call Nancy for further details if you decide to go.

If you go, let me know so we can keep records.

1. Thank you all for responding. I believe we have enough people to help man the food tent. If I need more help, I will reach out tomorrow. I've put up times I believe you told me you were available. The tent does not need constant supervision so if you need to cut out early, please do. If you do work it, please send me your hours so I can have it noted. I will complete an activation report.
2. Please follow up with Dave if you are involved with the CERT media coverage.

Thank you all for your responses...Here is a very basic schedule....please stay as long as you are able. The tent does not need to be manned every second but it would be nice to have people on hand to help organize and make sure coolers get filled. I will check in with the first crew tomorrow.

Please park near Laurel and Second. Irv is parked on Laurel. Go there and you will need to check in with an FBI employee to sign in to the scene. The tent is located on second street.

Please follow the below schedule if possible:

I will be back in tomorrow morning at 9a, so I will confirm with everyone.

Good morning,

This witness statement is regarding the injury of FF Oros that occurred on the morning of July 4th, 2022. During our active shooter, mass shooting incident that occurred around 10:14am, I was working alongside FF Oros on scene. During one of our patients we were assessing, treating and transferring to the stretcher, FF Oros expressed to me after the physical transfer of the patient to the stretcher, he sustained a back injury. FF Oros at a later time that day, stated the injury occurred after the patient lost motor function during the transfer to the cot. FF Oros was positioned behind and at the head of the patient for the lifting/moving of the patient. Any further questions please don't hesitate to ask.

Best Regards,

FF/PM Kevin Best

Dear Kim,

Thank you for reaching out. I have passed on your details to everyone but I think they feel they are well supported. They have had a lot of media attention and I think just want to be left alone for now. We are a large family and I think the members involved feel well supported.

As for me, I would be happy if you pursue a refund for my flight which I will then donate to the families in need. I can't imagine being shot in a random attack and then struggling to pay the medical expenses.

I flew British Airways. My receipt below.

Thanks again for all you do. I am so sad for our town.

Hi Margie,

My staff found the address through a google search. It wouldn't be appropriate for the City to provide private information for someone, even if we found it online through a search. As you can imagine, we are still in the midst of managing our community in this emergency and cannot take the responsibility to accept letters that may or may not include donations to send to the families. Thank you for understanding. The Highland Park Community foundation is accepting donations for the families of victims and the organizations that serve them. They may be able to include a personal note in the donations that are provided.

Thank you -

Thank you but I couldn't find an address anywhere. I went to the white pages and in order to get an address I had to pay \$5.00 to join.

If I mail something to you for them, can you please forward it?

Hi Margie,

Your outreach is greatly appreciated. Our community is grieving, but we are taking strength from the outpouring of love and support from people like you.

Due to privacy reasons, I cannot provide personal information for an individual, but I know the address can be found through a general public search. The family does not reside in Highland Park, but in the area.

Thank you so much for your care and concern.

I ask you, as the City Manager of the Highland Park Police Department, if you can help me out with something.

I am one of the thousands who is torn apart by what happened and every waking minute of my life my heart is breaking for little Aiden and his grandparents.

I would like to write the Levbergs a sympathy note but have no address to send it to. Can you either give me their address, or if you aren't comfortable doing that, allow me to send YOU a letter with a letter inside to them and ask you to forward it to them?

I have to do something and there's nothing else I can do but offer, in the letter to them, to help in any way possible when they need it. Please let me know. Thank you.

Margie Marcus

Thank you Julie. Delaying the deadline was a huge help. We talked to Lara yesterday. We may lean on her to assist us with budget entry as the demand from our incident slows down.
