Cost Recovery Fees

Third Party Cost Recovery

During the course of reviewing and processing development applications the City of Highland Park often incurs expenses for third party consulting costs. In order to efficiently process zoning applications, every filed petition is subject to certain cost recovery fees (“Cost Recovery Fees”) that are placed in a City escrow account (“Cost Recovery Fee Escrow”), as provided in Section 150.306 of “The Highland Park Zoning Code of 1997” as amended. Cost Recovery Fees are in addition to any and all other filing fees and other charges established by the City. Based on their typical complexity and need for third party consulting services, the Cost Recovery Fees for various projects are:

- Application Involving a Special Use: \$1,500
- Application Involving a Special Use w/exceptions: \$2,500
- Application Involving a Planned Unit Development: \$10,000
- Amendment to a PUD \$5,000
- Application Involving a Special Exception to Zoning: \$2,000
- Application Involving a Subdivision: \$750
- Application Involving a Major Subdivision: \$5,000
- Other Projects Not Herein Defined: Determined by Director of Community Development

The following items denote costs incurred by the City in processing a petition that would be deducted from the Cost Recovery Fee Escrow:

- Publication of notices
- Court reporter (if necessary)
- Professional and technical consultant services
- Document recordation Process
- Corporation Counsel, or other City retained attorney or law firm, consultation, meeting attendance, document preparation and review
- Copy reproduction

Process

Every petition must be accompanied by the required petition fee and Cost Recovery Fee. Cost Recovery Fees will be forwarded to the Finance Division and deposited in a Cost Recovery Fee Escrow.

Within 90 days following final action on a petition, a final accounting will be made and any remaining funds in the Cost Recovery Fee Escrow after payment of the total actual costs due will be returned to the owner or petitioner.

In cases where the Cost Recovery Fees exceed the original deposit, Community Development staff will notify the petitioner and request additional funds in increments of \$1,000. Such funds will be forwarded to Finance and added to the Cost Recovery Fee Escrow. The City shall maintain an accurate record of all drawings from the Cost Recovery Fee Escrow.

Failure to pay any portion of the Cost Recovery Fee or replenish the Cost Recovery Fee Escrow within 30 days of the mailing of notice shall be grounds for refusing to process a petition and for denying or revoking any permit.

Petitioner Agreement

By signing below, the owner or petitioner acknowledges that it is subject to all of the provisions contained in Section 150.306 of the Zoning Code and agrees to pay, and to have consented to, (i) the Cost Recovery Fees, (ii) any costs of collection that have not been paid within 30 days following the mailing of a written demand for payment to the owner or petitioner at the address set forth on the petition, and (iii) any additional Cost Recovery Fees assessed. No petition filed shall be considered complete unless and until all fees and deposits have been paid. Every approval granted and every permit issued, whether or not expressly so conditioned, shall be deemed to be conditioned upon payment of Cost Recovery Fees as required pursuant to City ordinance.

Lobbyist Registration

Pursuant to Section 11.2 of the Illinois Lobbyist Registration Act, 25 ILCS 170/11.2 and Section 37.006 of the Highland Park Code of 1968, as amended, the City is authorized to regulate the lobbying of City officials and staff for the purpose of influencing City actions and decisions.

In accordance with City Ordinance No. 15-12, passed on February 13, 2012 (effective on March 15, 2012), all persons who are compensated for efforts to influence any legislative or employee action by the City of Highland Park are required to register as lobbyists not later than January 20th of each calendar year, or written five business days after engaging in any activity that requires registration as a Lobbyist pursuant to Section 37.006(A) of the Highland Park Code.

The registration must include the names and addresses of the lobbyist's clients, and payment of an annual registration fee of \$25. Lobbyists would be required to file amended registrations throughout the year as necessary, and to notify the City Clerk upon termination of their lobbyist activities. Lobbyist registration information is available through the City Clerk's office for public inspection.

Ordinance No. 15-12 exempts certain activities from the definition of lobbyist, including:

- Filing an application for City permit or license;
- Responding to Request for Proposal or formal bid solicitation;
- Representation by an employee, director or officer of a not-for-profit entity for that entity; and
- Unpaid representation.

Failure to register is punishable by a fine of \$500.00, plus an additional \$500.00 for failure to register within 10 days after receipt of a notice from the City Clerk.
