Dear Business Owner/Manager,

The City of Highland Park has a Package Liquor Tax Ordinance mandating a 1% municipal package liquor tax.

“A tax is imposed on the sale at retail in the City of alcoholic liquor in original packages or containers at the rate of one percent (1%) of the retail purchase price of such alcoholic liquor. The ultimate incidence and liability for payment of such tax shall be upon the seller of the alcoholic liquor.”

This tax applies to the sales of package liquor sold at retail in original containers.

Retailers are required to submit a completed Package Liquor Tax Registration Form which is enclosed. Businesses must complete this form and submit it to the City within five business days from day of receipt. The seller must notify the City of Highland Park of the last sale date if a business is sold or closes. The new owner is required to re-register the location. Business owners must register each retail location separately.

As a business operator in the community, you are responsible for collecting the tax for your business and remitting it to the City of Highland Park on or before the last day of each month following the month in which the tax was collected (e.g., January's return is due on or before the last day of February). Enclosed are "Remittance Instructions" for preparing the return.

Please contact Christine Icasiano at 847.926.1017 or cicasiano@cityhpil.com for questions.

Remittance Instructions Package Liquor Tax Return

The package liquor tax is payable monthly to the City of Highland Park no later than the last day of each month following the month in which the tax was collected (e.g., January's return is due on or before the last day of February). Along with the tax payment, business owners must submit a completed Package Liquor Tax Return Form and a copy of the State of Illinois forms ST-1 and ST-2, if applicable. Post-dated checks are not accepted.

If any tax imposed by this Article is not paid when due, City Code Section 97.1602 mandates a 2% per month interest charge on unpaid taxes; and Code Section 97.1911 mandates a flat 5% penalty for failure to file required returns and an additional 5% penalty for late payments. Interest and penalties are to be paid along with the tax imposed.

Any taxpayer who submits a late payment or return, fails to make a return, makes a fraudulent return, or willfully violates any other provision of this Chapter is subject to the penalties provided in City Code Section 97.1911. Any person who fails to pay fee, tax, or other monetary exaction not defined as a "City tax" in City Code Section 97.1900, or who violates a provision of this Chapter related to such fee, tax, or other exaction will be fined not less than \$100 nor more than \$500 and, in addition, will be liable in a civil action for the amount of such fee, tax, or other exaction due.

ARTICLE XIX

TAXPAYERS' RIGHTS

Sec. 97.1900 Definitions.

As used in this Chapter, the following terms shall have the following meanings:

(A) "Taxpayer" means any person required to pay any City tax. The term "taxpayer" generally includes the person upon whom the legal incidence of such tax is placed and, with respect to consumer taxes, includes the business or entity required to collect and pay the City tax to the City.

(B) "City tax" means a tax imposed, and collected or administered, by the City. "City tax" does not include a tax imposed upon real property under the Illinois Property Tax Code or fees collected by the City, except, however, that "City tax" does include the City's infrastructure maintenance fees.

(C) "City Tax Administrator" means the City's Director of Finance or his or her authorized designee.

Sec. 97.1901 Application of Payments.

The City shall apply any payment or remittance received pursuant to a City tax for a tax period in the following order:

- (A) First: to the tax due for that period; and
- (B) Second: to interest due for the period; and
- (C) Third: to penalties due for the period.

Sec. 97.1902 Limitations.

(A) Limitation on Determination of Tax or Assessment. Subject to the provisions of Subsection B of this Section, and unless a specific section of this Code provides for a shorter time period, the City shall not issue a determination of tax due or assessment:

(1) More than four years after the end of the calendar year that the return for the period was filed, or the end of the calendar year that the return for the period was due, whichever occurs later; or

(2) More than six years after the end of the calendar year that the return for the period was due or the end of the calendar year that the return for the period was filed, whichever occurs later, if a taxpayer failed to file a tax return, or if the taxpayer paid or remitted less than seventy-five percent (75%) of the tax due during any four-year period that the City may issue a notice of tax determination or assessment.

(B) Exception if Fraud. Notwithstanding the provisions of Subsection A of this Section, there shall be no time limitation imposed on a determination or assessment of a City tax if the taxpayer filed a fraudulent tax return.

Sec. 97.1903 Audit Procedures.

(A) Notice. The City shall notify a taxpayer in writing of a proposed City audit of that taxpayer's books and records.

(B) Content of Notice. Such notice shall specify the tax and time period to be audited and shall detail the minimum documentation or books and records that the taxpayer must make available to the City auditor.

(C) Audit Timing. Audits shall be held only during reasonable times of the day and, unless impracticable, at times agreed to by the taxpayer.

(D) Overpayments. A City auditor who determines that there has been an overpayment of tax during the course of the audit shall identify the overpayment to the taxpayer so that the taxpayer can take the necessary steps to recover the overpayment. If the overpayment is the result of the application of some or all of the taxpayer's tax payment to an incorrect City entity, then the auditor shall notify the correct City entity of the taxpayer's application error.

Sec. 97.1904 Notice of Tax Assessment.

(A) Notice of Rights. Whenever the City sends a protestable notice of (1) tax due, or (2) a bill, or (3) a claim denial, or (4) a notice of claim reduction regarding any tax to a taxpayer, such notice shall include a written statement of rights, which shall include the following information:

- (1) The reason for the assessment; and
- (2) The amount of the City tax liability proposed; and
- (3) The procedure for appealing the assessment; and
- (4) The obligations of the City during the audit appeal, refund, and collection process; and
- (5) A statement that the taxpayer shall have 45 days after service of the notice to protest a notice of tax determination or notice of tax liability; and
- (6) A statement that the taxpayer may request a hearing with the City Tax Administrator.

(B) Delivery; Receipt. The City shall send such notice by United States registered or certified mail. Such notice shall be deemed received by the taxpayer upon actual receipt or on the third business day after the City deposits the notice in any main or branch United States post office.

(C) Time Extension if Good Cause. Upon a showing of good cause by the taxpayer satisfactory to the City Tax Administrator, the City Tax Administrator may extend the 45-day protest period by an additional period of time not exceeding 30 days. The City Tax Administrator, upon a showing of good cause, also may open up any closed protest period, but only for a period of time not exceeding 30 days.

Sec. 97.1905 Appeals Process for Credits, Refunds, and Protest.

(A) Appeal; Procedure. Any taxpayer who desires to seek a credit or a refund or desires to appeal a determination of tax due or an assessment pursuant to a City tax shall adhere to the following procedures:

(1) File a request for credit or refund with the City Tax Administrator on a form provided by the City or, within 45 days after receipt of the City's protestable notice, file a written protest on a form provided by the City; and

(2) Provide any supportive documents or other evidence that may display that the City's assessment of the tax was unauthorized, and direct such protest or request to the City Tax Administrator; and

(3) Make any books or records of its business or activity available for audit or inspection upon the written request of the City.

(B) Hearing. Whenever a taxpayer or a tax collector has filed a request for credit or refund or a timely written protest, and has requested a hearing, the City Tax Administrator shall conduct a hearing in the following manner:

(1) The City Tax Administrator shall fix the time and place for a hearing and shall give written notice to the taxpayer. The hearing shall be scheduled for a date within 14 days after receipt of the request for the hearing, unless the taxpayer requests a later date convenient to all parties.

(2) No continuances of the hearing shall be granted after it has been scheduled, except in cases when a continuance is absolutely necessary to protect the rights of the taxpayer. Any continuance granted shall not exceed 14 days.

(3) The City Tax Administrator shall preside at the hearing and shall hear testimony and accept any evidence relevant to the tax determination, audit, or assessment. The strict rules of evidence applicable to judicial proceedings shall not apply.

(C) City Determination. The City Tax Administrator, by United States registered or certified mail, shall send to the taxpayer the Tax Administrator's written determination regarding the taxpayer's protest within 45 days after receiving the taxpayer's written protest or credit or refund form if the taxpayer does not request a hearing, or within 30 days after the conclusion of a hearing. Such determination shall include:

(1) A ruling as to whether the City tax as a whole or any portion of it was unauthorized; and

(2) A written determination as to why the City tax or any portion of it was authorized; and

(3) If appropriate, a certified check equaling the unauthorized amount paid by the taxpayer and the applicable amount of interest.

(D) No Refund if Voluntary Payment. The City shall not be required to refund or credit any taxes voluntarily paid without written protest at the time of payment in the event that a City tax is declared invalidly enacted or unconstitutional by a court of competent jurisdiction. However, a taxpayer shall not be deemed to have paid a City tax

voluntarily if the taxpayer lacked knowledge of the facts upon which to protest the City taxes at the time of payment or if the taxpayer paid such taxes under duress.

(E) No Credits or Refunds if No Remittance. The City shall not be required to grant a credit, refund of taxes, interest, or penalties to a person who has not paid or remitted the amounts directly to the City.

(F) Four-Year Limitation. Unless otherwise specifically provided in this Code or other City ordinance authorizing a City tax, no claim for a credit or refund shall be made more than four years after the date of the erroneous payment.

(G) Interest if Overpayment. The City shall pay interest in the amount of [six percent (6%)] per year for a taxpayer's overpayment of tax.

Sec. 97.1906 Interest.

Except as otherwise provided by law, interest in the amount of nine percent (9%) per year shall be assessed against all late payments, underpayments, and non-payments of a City tax.

Sec. 97.1907 Installment Contracts.

If the City shall enter into an agreement allowing a taxpayer to make payments by installments, then the City shall not cancel such installment agreement except if:

(A) The taxpayer fails to pay any amount due on time and fails to cure the delinquency in the allowable time provided by the City; or

(B) The taxpayer fails to demonstrate good faith in restructuring the installment agreement.

Nothing in this Section shall be construed or applied to require the City to enter into any installment agreement.

Sec. 97.1908 Voluntary Disclosure.

(A) Application. A taxpayer may file an application, on a form prepared by the City, with the City Tax Administrator for a voluntary disclosure of the tax due for any City tax that a taxpayer has not received a written notice of an audit, investigation, or assessment from the City Tax Administrator.

(B) Payment and Interest Required. A taxpayer who files a voluntary disclosure application must agree to pay the amount of the City tax due, plus interest of one percent (1%) per month, for all periods prior to the filing of the application, but not more than four years before the date of filing the application.

(C) No Extra Liability. Except for the payment of the full amount of tax and interest due under this Section, a taxpayer filing a valid voluntary disclosure application shall not be liable for any additional tax, interest, or penalty for any period before the date the application was filed; provided, however, that if the taxpayer incorrectly determined and underpaid the amount of tax due as provided in this Section, then the taxpayer is liable for the underpaid tax along with applicable interest on the underpaid tax. If the underpayment was the result of fraud on the part of the taxpayer, then the application shall be deemed invalid and void.

(D) Time Limitation for Payment. The payment of tax and interest required under this Section shall be made within 90 days after the filing of the voluntary disclosure application, or the date agreed to in writing by the City Tax Administrator, whichever is longer. However, any additional amounts owed as a result of an underpayment of tax and interest previously paid under this Section must be paid within 90 days after a final determination and the exhaustion of all appeals of the additional amount owed, or the date agreed to by the City Tax Administrator, whichever is longer.

Sec. 97.1909 Review of Liens.

The City Tax Administrator shall establish, by administrative order of the City, a process of reviewing liens filed by the City against taxpayers. If any lien is determined to be improper, then the City Tax Administrator shall cause such lien to be removed at the City's own expense, shall correct the taxpayer's credit record, and shall correct any public disclosure of the improperly imposed lien.

Sec. 97.1910 Publication of Tax Ordinances.

The City shall publish its taxing ordinances and shall make copies of its taxing ordinances readily available to the public on request. The posting of such tax ordinances on the Internet shall be deemed to satisfy the publication requirement of this Section.

Sec. 97.1911 Penalties.

(A) Late Filing and Payment Penalty. If a return is filed late, then the taxpayer shall pay a penalty for such late filing of five percent (5%) of the amount of tax required to be shown as due on a return. If the taxpayer makes a late payment, then the taxpayer shall pay a penalty of five percent (5%) of the tax due and not timely paid or remitted. Late filing and payment penalties shall not apply to a particular taxpayer if, but only if, a failure to file penalty is imposed on that taxpayer by the City. The City Tax Administrator may determine, in the sole exercise of his or her sound judgment, that the late filing or late payment was due to a reasonable cause and abate some or all the penalty.

(B) Failure to File Penalty. If no return is filed before the issuance of a notice of tax deficiency or of tax liability to the taxpayer, then the penalty for such failure to file shall be twenty-five percent (25%) of the total tax due for the applicable reporting period for which the return was required to have been filed. A City Tax Administrator may determine, in the sole exercise of his or her sound judgment, that the failure to file a return was due to reasonable cause and abate some or all of the penalty.

(C) Additional Penalties. In the event that any taxpayer non-compliance with the provisions of a City tax is a result of willful or fraudulent disregard of the City tax laws, such taxpayer shall be additionally subject to the general penalty provisions of this Code (including any criminal penalties) and, in addition, shall be liable in a civil action for the full amount of the tax due plus the applicable amount of interest. (Article XIX added by Ord. 82-2000, J.26, p. 372-383, passed 12/11/00)
