

## PBC Supervisor – Sergeant Sean Gallagher

I have been a police officer with the City of Highland Park since 2001. I started my career in the Patrol Division and in 2004 became a detective and worked in the Investigations Division. During my time as a detective I had the opportunity to become a member of the Lake County Major Crime Task Force and the NORTAF Burglary Task Force. I currently serve as the Operations Commander for the NORTAF Burglary Task Force. In addition, I was the CERT Team Coordinator for the Police Department. I currently am assigned to the Patrol Division as a day shift supervisor.

During my career I have enjoyed the opportunity to connect with the community. These connections and the community policing aspect of policing continue to be the most rewarding parts of police work for me. I look forward to exploring avenues to improve communication and connection with our community while serving as the Police Beat Coordinator Supervisor.
