

## PBC-90 Officer Matthew Tolmie

I have served the city of Highland Park as a Police Officer since 2022. In addition to my role as a Police Beat Coordinator I am also a Juvenile Officer. My biggest goal as a Police Beat Coordinator is to create a positive productive relationship between the citizens of Highland Park, local businesses, and the Police Department. When I'm not on duty I like to spend my time traveling, hiking, and playing with my dog Apollo.
