

## PBC Videographer/Technology Officer Reyes Montemayor

Officer Montemayor has been employed with the City of Highland Park since 1999. Having been raised in the North Shore, he started his career as a Community Service Officer, evidence technician, and telecommunicator. His ambition to serve the community led him to apply to be a police officer. In 2004, he attended and graduated from the Suburban Law Enforcement Academy and after completing his field training period was placed on the Patrol Division. Ofc. Montemayor was later assigned as a canine handler and paired with his German Shepherd partner Atlas who was trained to be a full service dog able to track, search, detect narcotics, and provide protection work. Atlas's largest find on a traffic stop was 2.5 kilos of heroin. Canine Atlas and Ofc. Montemayor were also members of the NIPAS Mobile Field force Team having received a service medal. Ofc. Montemayor is a bilingual Spanish speaker and continues serving on the Patrol Division. As of January of 2019, he was named the UAV Program Coordinator and holds an FAA certification to fly and operate unmanned aerial vehicles. Ofc. Montemayor's hobbies include photography and videography and you may have seen his work with the Highland Park Police Department's Lip Sync video.
