Dear Water User,

City of Highland Park is excited to introduce you to the My Water Use Program. My Water Use provides a secure, web based portal with your water usage, leak notices, tailored recommendations and more. You can also set water use alerts based on your preferences. This service is part of our commitment to provide you with the best tools to manage your water use and bill.

To receive notifications of high water use during summer months, potentially high bills, and other abnormal water use, you will need to log on and receive billing alerts. So log on today and monitor your water bill!

Sincerely,
City of Highland Park
