The City of Hueytown, Alabama has partnered with Net Assets to provide Municipal Assessment letters instantly online. Beginning Thursday December 1, 2022, the City of Hueytown will require all Municipal Assessment letter requests to be handled through Conduits.

Conduits is an online web application that provides search and title companies access to municipal property interest reports. To register with Conduits please use the following link : https://conduits.netassets.net/conduits/al/hueytown/getting_started.html.

Once registered, users are able to pre-purchase searches via credit card and use them at any time to search parcels within the city limits of Hueytown.

Conduits is a service of Net Assets Corporation. For customer support regarding the use of Conduits, please contact support@netassets.com or call (541)485-8876.
