

Link Multiple Accounts

For customers with multiple accounts, you are now able to manage multiple water/sewer accounts using the same eUtility account.

Login to your eUtility account. Navigate to *User Profile* tab and click on *Linked Accounts*.

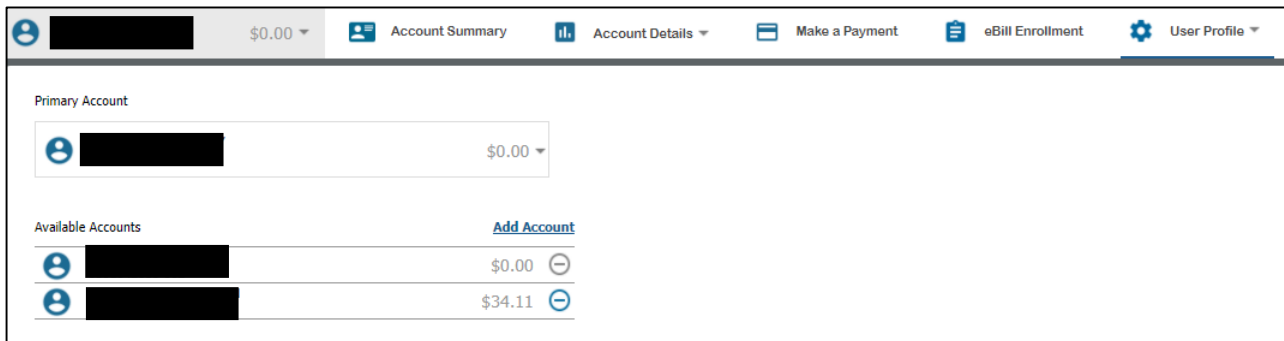

To add an account, click on the [Add Account](#) link.

Enter the *Account Number* and *Full Name**, for the account you would like to add.

*The name you enter must match exactly as it appears on the bill for the account you are adding.

Click on *Confirm Account*

You will now see both accounts are shown.
