Is being in an area that's growing quickly a good thing or a bad thing?

Depends on who you ask. Some want bigger, more exciting cities like [Chicago](#) and [Aurora](#), while others want peace and quiet like in [Marseilles](#) and [Robbins](#), thank you very much.

But today we're going to put opinions aside and just look at the cold hard facts -- over the past five years, which cities in Illinois have the grown the fastest.

After getting knee deep in the Census's American Community Survey, we emerged with this set of cities in the Prairie State that have people climbing over each other to get in.

These are the 10 fastest growing cities in Illinois for 2021 according to the most recent census data:
