TERM OF INTERLOCAL AGREEMENT. The term of this Agreement shall be for ninety-nine (99) years from the date of final execution, or until such time as the parties otherwise agree by a fully executed amendment to this Agreement. The Village and County shall review the operating costs of the Sanitary Wastewater Connection every five (5) years after final execution and may amend this Agreement accordingly to reflect any changes to and division of the operating costs.

RELATIONSHIP OF PARTIES. The Village is a municipal corporation of the State of Florida and not an agent, contractor, or servant of the County. The Village shall have no authority whatsoever to act on behalf of or as agent of the County in any promise, agreement or representation other than as specifically provided for in this Agreement. The County shall have no obligation to the Village with respect to the Sanitary Lift Station and associated piping and electrical devices other than as specifically provided for in this Agreement. The County shall at no time be legally responsible for any negligence on the part of the Village, its employees, agents or contractors resulting in either bodily or personal injury or property damage to any individual, property or corporation. The Village shall at no time be legally responsible for any negligence on the part of the County, its employees, agents or contractors resulting in either bodily or personal injury or property damage to any individual, property or corporation.

defend, release, discharge, indemnify and hold harmless the other, its members, elected officials,

of action, losses, costs and expenses of whatever type that arise out of or are attributable to their

County’s and the Village’s purchase of the insurance required under this Agreement does not
release or vitiate their obligations under this paragraph. The County and the Village do not waive
any of its sovereign immunity rights including but not limited to those expressed in Section
768.28, F.S.

ADJUDICATION OF DISPUTES OR DISAGREEMENTS. The County and the Village
agree that all disputes and disagreements shall be attempted to be resolved by meet and confer
sessions between representatives of each of the parties. If no resolution can be agreed upon within
30 days after the first meet and confer session, the issue or issues shall be discussed at a public

to the satisfaction of the parties, then any party shall have the right to seek such relief or remedy
as may be provided by this Agreement or by Florida law.

of the services under this Agreement. County and Village specifically agree that no party to this
Agreement shall be required to enter into any arbitration proceedings related to this Agreement.

COVENANT OF NO INTEREST. The parties covenant that neither presently has any interest,
and shall not acquire any interest, which would conflict in any manner or degree with its
performance under this Agreement, and that only interest of each is to perform and receive
benefits as recited in this Agreement.

FLORIDA CODE OF ETHICS. The parties agree that their officers and employees will be
required to comply with the standards of conduct for public officers and employees as delineated

it has neither employed nor retained any company or person, other than a bona fide employee
working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay
any person, company, corporation, individual, or firm, other than a bona fide employee working
solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or

provision, the parties agree that they shall have the right to terminate this Agreement without
liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount
of such fee, commission, percentage, gift, or consideration.
NON-WAIVER OF IMMUNITY. Notwithstanding the provisions of Section 786.28, F.S., the participation of the County and the Village in this Agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the County or the Village be required to contain any provision for waiver.

PRIVILEGES AND IMMUNITIES. All of the privileges and immunities from liability, exemptions from laws, ordinances, and rules and pensions and relief, disability, workers’ compensation, and other benefits which apply to the activity of officers, agents, or employees of any public agents or employees of the County or the Village, when performing their respective functions under this Agreement within the territorial limits of the County shall apply to the same degree and extent to the performance of such functions and duties of such officers, agents, volunteers, or employees outside the territorial limits of the County.

LEGAL OBLIGATIONS AND RESPONSIBILITIES. This Agreement is not intended to, nor shall it be construed as, relieving any participating entity from any obligation or responsibility imposed upon the entity by law except to the extent of actual and timely performance thereof by any participating entity, in which case the performance may be offered in satisfaction of the obligation or responsibility. Further, this Agreement is not intended to, nor shall it be construed as, authorizing the delegation of the constitutional or statutory duties of either party, except to the extent permitted by law.

NON-RELIANCE BY NON-PARTIES. No person or entity shall be entitled to rely upon the terms, or any of them, of this Agreement to enforce or attempt to enforce any third-party claim or entitlement to or benefit of any service or program contemplated hereunder, and the County and the Village agree that neither the County nor the Village or any agent, officer, or employee of either shall have the authority to inform, counsel, or otherwise indicate that any particular individual or group of individuals, entity or entities, have entitlements or benefits under this Agreement separate and apart, inferior to, or superior to the community in general or for the purposes contemplated in this Agreement.

EXECUTION IN COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be regarded as an original, all of which taken together shall constitute one and the same instrument and any of the parties hereto may execute this Agreement by singing any such counterpart.

TERMINATION. This Agreement may be terminated by either party due to a breach of any provisions of this Agreement if, after written notice of the breach is delivered to the other party, the other party does not cure the breach within ten (10) days following delivery of notice of breach. The parties may terminate this Agreement upon giving sixty (60) days prior written notice to the other party. Any waiver of any breach of covenants herein contained shall not be deemed to be a continuing waiver and shall not operate to bar either party from declaring a forfeiture for any succeeding breach either of the same conditions or covenants or otherwise. Termination of this Agreement for this project shall have no effect on any other agreement between the County and the Village.
ASSIGNMENT. Neither the Village nor the County shall have the power to assign rights or obligations created by this Agreement to any third party without the prior written consent of the other party. All of the obligations of this Agreement will extend to and bind the legal representatives, successors and assigns of the Village and the County.
