Purchaser shall have up to and including the Termination Date to obtain any and all Governmental Approvals. If Purchaser does not obtain the Governmental Approvals on or before the Termination Date, then Purchaser shall have the right to (i) terminate this Agreement by notifying Seller or Seller's Attorney of such termination on or before the Termination Date or (ii) waive this contingency. If this Agreement is terminated by Purchaser, the Earnest Money shall be refunded to Purchaser by the Escrow Agent and thereafter neither party hereto shall have any further rights, obligations, or liabilities hereunder except to the extent that any right, obligation or liability set forth herein expressly survives termination of this Agreement.

The parties acknowledge and agree that Purchaser's right to terminate under this Section 10 may be exercised upon the denial or any non-approval of any one of the various Governmental Approvals necessary to purchase the Property and develop the Property for its intended use as a wastewater pump station and related uses and facilities. By way of example, if the Council of Islamorada, Village of Islands fails to approve the purchase of the Property and this Agreement, Purchaser may exercise its right to terminate hereunder without having to wait until the Termination Date to do so.

Seller consents to Purchaser filing and processing the necessary Governmental Approvals and agrees at Purchaser's request to execute any reasonable documentation necessary or appropriate in connection with Purchaser obtaining the Governmental Approvals, including applications and documentation required in connection with approval of the Minor Conditional Use Approval, Site Plan Approval and setback variances for the Property. Notwithstanding the foregoing, any changes or approvals applied for and sought by the Purchaser on the Property or the uses thereon, including but not limited to site plans, development approvals, permits and zoning requests, shall not bind or obligate the Seller or the Property should the Purchaser terminate this Agreement and elect not to close on the Property.
SECTION 11: CLOSING

Subject to the satisfaction of all conditions on or before Closing, the Closing Date shall take place within thirty (30) days of the Governmental Approvals, unless the Closing Date is otherwise extended pursuant to the provisions of this Agreement or by written agreement of the parties, or unless the Purchaser elects, in its sole discretion, an earlier Closing Date by providing written notice of its election to close early to Seller at least ten (10) days prior to the elected Closing Date. The Closing shall be held at the offices of Purchaser's Attorney, at a time mutually acceptable to both parties. If no such selection is timely made, the Closing shall be held at 10:30 a.m. local time on the Closing Date or at such other time or such other place as may be mutually agreed in writing by the parties hereto.

11.1 Delivery: Possession. At Closing, Seller shall deliver to Purchaser the items required of Seller under this Agreement, and Purchaser shall deliver to Seller the balance of the Purchase Price (after crediting the Earnest Money and making other adjustments and prorations as provided herein) and the other items required of Purchaser under this Agreement. Seller shall deliver possession of the Property to Purchaser, subject only to the Permitted Exceptions at the time of Closing. Risk of loss shall remain with Seller until Closing.

11.2 Closing Costs.

11.2.1 Seller's Costs. Seller shall pay (i) property transfer, conveyance, sales and other taxes due on the transfer of the Property, (ii) the fees and expenses of Seller's attorneys, (iii) the documentary stamps and surtaxes due on the Deed, and (iv) the cost of recording any corrective instruments.

11.2.2 Purchaser's Costs. Purchaser shall pay (i) any costs incurred by Purchaser in preparing and performing its due diligence investigations, (ii) the cost of the Title Commitment, (iii) the premium for the Owner's Title Policy, (iv) the cost of recording the Deed, (v) the cost of the Survey, and (vi) the fees and expenses of Purchaser's Attorney.

11.2.3 Other Costs. Any other costs not specifically provided for in subsection 11.2.1, subsection 11.2.2 or otherwise pursuant to the terms of this Agreement shall be paid by the party who incurred those costs, or if neither party is charged with incurring any such costs, then by the party customarily assessed for such costs in the place where the Property is located. Any escrow fees, document preparation charges of the Title Company and other escrow related charges of the Escrow Agent in its capacity as escrow agent only shall be paid equally by Seller and Purchaser.
11.2.4 **Survival.** The provisions of this subsection 11.2 shall survive the Closing and the delivery of the Deed.

11.3 **Purchaser’s Conditions to Closing.** Purchaser’s obligation to purchase the Property or otherwise to perform any obligation provided in this Agreement is expressly conditioned upon the fulfillment or satisfaction of each of the following conditions precedent on or before the Closing Date (any of which may be waived only in writing by Purchaser in its discretion):

11.3.1 Purchaser shall have obtained all Governmental Approvals necessary to purchase the Property and develop the Property for its intended use as a wastewater pump station and related uses and facilities;

11.3.2 Seller shall have fully performed each undertaking and covenant and agreement to be performed by Seller under this Agreement including, but not limited to, delivery of all items and documents required under Section 13 below;

11.3.3 Each representation and warranty made in this Agreement by Seller shall be complete, true and accurate;

11.3.4 The Owner’s Title Policy shall be issued, or in lieu of issuance of the foregoing at Closing, the Title Company shall have delivered a “marked up” Title Commitment, subject only to the Permitted Exceptions, with gap coverage, deleting all requirements and deleting the standard exceptions;

11.3.5 Without additional cost or charge to Purchaser, the Intangible Property shall be assigned to Purchaser;

11.3.6 Except as cured by Seller or otherwise approved or waived in writing by Purchaser, no event shall have occurred which may have an adverse effect on the physical condition of the Property;

11.3.7 No amendments, restatement, adoption or repeal of any laws, statutes, codes, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements of all governmental authorities, officials, agencies and officers, ordinary or extraordinary, shall have occurred which is applicable to the Property and has or could have an adverse effect upon the value, use, operation, zoning, development or condition thereof.
11.3.8 The Property shall have been subdivided from all other property in accordance with all applicable governmental requirements and shall be assessed as a separate tax lot or tax parcel, independent of all other parcels of land not being conveyed hereunder.

If any of the foregoing conditions are not satisfied at or before Closing, then in addition to any remedy available to Purchaser under this Agreement, Purchaser may terminate this Agreement by written notice to Seller, in which event the Earnest Money shall be returned to Purchaser and the parties shall be released from all obligations and liabilities under this Agreement except those that expressly survive termination of this Agreement.

SECTION 12: PRORATIONS AND CREDITS AT CLOSING

All prorations provided to be made “as of the Closing Date” shall each be made as of 11:59 p.m. local time on the date immediately preceding the Closing Date. In each proration set forth below, the portion thereof allocable to periods beginning with the Closing Date shall be credited to Purchaser, or charged to Purchaser, as applicable, at Closing or, in the case of allocations made after Closing, upon receipt of such payments or invoice as of the Closing Date. Except as may otherwise be specified herein, the following items shall, as applicable, be prorated between Purchaser and Seller or credited to Purchaser or Seller:

12.1 Property Taxes and Assessments.

12.1.1 Taxes. Seller acknowledges and agrees that the Property is being purchased by an exempt governmental entity and that the Seller must comply with Section 196.295, Florida Statutes, regarding real estate taxes.

12.1.2 Special Assessments. Certified, confirmed, adopted, approved or ratified special assessments as of Date of Closing (and not as of the date of this Agreement) shall be paid by Seller on the Date of Closing or Purchaser shall receive a credit therefor, whether or not the improvements for which the special assessment was levied have been completed. Seller and Purchaser acknowledge and agree that Islamorada, Village of Islands, has adopted Phase I and Phase II Remaining Service Area Wastewater Assessments as of the date of this Agreement and that said assessments as applicable to the Property shall be paid in full by Seller as of the Closing Date.

12.2 Other Matters. Seller and Purchaser shall make such other adjustments and apportionments as are expressly set forth in this Agreement.
12.3 **Survival.** The provisions of this Section 12 shall survive the Closing and the delivery of the Deed. In the event final figures have not been reached on any of the adjustments, prorations or costs which are to be adjusted at or prior to Closing pursuant to this Section 12, the parties shall close using adjustments and prorations reasonably estimated by Seller and Purchaser, subject to later readjustment when such final figures have been obtained. The parties hereto agree that they shall seek to determine the amounts of all prorations and adjustments required hereunder on or before the Closing Date, if possible, and to the extent not then obtainable within one (1) year of Closing.

**SECTION 13: CONVEYANCES AND DELIVERIES AT CLOSING**

13.1 **Warranty Deed.** At Closing, Seller shall convey the Land to Purchaser by a duly executed and recordable statutory warranty deed in substantially the form attached hereto as Exhibit "B" (herein referred to as "Deed"), subject only to the Permitted Exceptions.

13.2 **Section 1445 Certificate.** At Closing, Seller shall execute and deliver to Purchaser and the Title Company a certificate substantially in the form as Exhibit "C" attached hereto stating that Seller is not a "foreign person" as defined in Section 1445 of the Internal Revenue Code and the regulations thereunder.

13.3 **Affidavit of Title.** At Closing, Seller shall execute and deliver to Purchaser and to the Title Company a no-lien, possession and gap title affidavit in the form required by the Title Company, together with such resolutions, affidavits, documents and certificates as the Title Company may reasonably require to issue the Owner's Title Policy in accordance with the terms of this Agreement.

13.4 **Closing Statement.** At Closing, Seller and Purchaser shall execute and deliver a Closing Statement which shall, among other items, set forth the Purchase Price, all credits against the Purchase Price, the amounts of all prorations and other adjustments to the Purchase Price and all disbursements made at Closing on behalf of Purchaser and Seller in accordance with the terms of this Agreement.

13.5 **Evidence of Authority.** At Closing, Seller shall update Evidence of Authority dated not more that five days before the Closing Date.

13.6 **Disclosure Affidavit.** At least ten (10) days prior to Closing, Seller shall execute and deliver to Purchaser an affidavit in recordable form as required by the provisions of Section 286.23, Florida Statutes.

13.7 **Physical Possession.** At Closing, Seller shall deliver to Purchaser possession of the Property free of any tenants, lessees, occupants, or other ownership or possessory interests in the Property.
13.8 **Other Documents.** At Closing, Seller and Purchaser shall deliver to each other any other documents expressly required to be delivered or furnished pursuant to any other provisions of this Agreement or reasonably required to carry out the purpose and intent of this Agreement.

**SECTION 14: NOTICES**

All notices, consent, approvals and other communications which may be or are required to be given by either Seller or Purchaser under this Agreement shall be properly given only if made in writing and sent by (a) hand delivery, (b) electronic facsimile or other transfer device with telephone or other confirmation of receipt, provided that a hard copy of such notice is mailed by US first class mail, postage prepaid, on or before the next Business Day following such telecopy delivery or (c) a nationally recognized overnight delivery service (such as Federal Express, UPS Next Day Air or DHL Express), with all delivery charges paid by the sender and addressed to the Purchaser or Seller, as applicable, as follows, or at such other address as each may request in writing. Such notices shall be deemed received, (1) if delivered by hand or overnight delivery service on the date of delivery and (2) if sent by electronic transfer on the date transmission is confirmed by telephone or return electronic transfer from the receiving party, provided that a hard copy of such notice is mailed by US first class mail, postage prepaid, on or before the next Business Day following such telecopy delivery. The refusal to accept delivery shall constitute acceptance and, in such event, the date of delivery shall be the date on which delivery was refused. Said addresses for notices are to be as follows:

**IF TO PURCHASER:**
SECTION 15: CASUALTY AND CONDEMNATION

15.1 Casualty. Prior to the Closing Date, and notwithstanding the pendency of this Agreement, the entire risk of loss or damage by fire or other casualty shall be borne and assumed by Seller, except as otherwise provided in this subsection 16. Until the Closing has occurred, Seller shall keep all insurance policies in effect with respect to the Property. If, prior to the Closing Date, any part of the Property is damaged or destroyed by fire or other casualty, Seller shall immediately notify Purchaser of such fact. If such damage or destruction is material (as defined below), Purchaser shall have the option to terminate this Agreement upon written notice to Seller given not later than thirty (30) days after receipt of Seller's notice. For purposes hereof "material" shall be deemed to be any uninsured damage or destruction to the Property (except that a casualty shall not be deemed uninsured solely because all, or a portion of, the cost of the casualty is subjected to a deductible) or any insured damage or destruction (i) where the cost of repair or replacement is estimated, in Purchaser's good faith judgment, to be Thirty-Five Thousand and No/100 Dollars ($35,000.00) or more for the Improvements, or (ii) where the repair or replacement is estimated, in Purchaser's good faith judgment, to require more than one hundred twenty (120) days to repair. If Purchaser does not exercise this option to terminate this Agreement, or if the casualty is not material, neither party shall have the right to terminate this Agreement, and the parties shall proceed to the Closing pursuant to the terms hereof without modification of the terms of this Agreement and without any reduction in the Purchase Price but, Seller, at Closing, shall assign to Purchaser, and Purchaser shall be entitled to receive and keep, all insurance proceeds payable with respect to such casualty, plus Seller shall pay over to Purchaser the sum of (a) all insurance proceeds previously paid to Seller with respect to such casualty (other than amounts expended by Seller for emergency repairs or for repairs which are approved in writing by Purchaser) and (b) an amount equal to the deductible amount with respect to the insurance. In such event, Seller shall not be obligated to repair or restore the Property. If Purchaser does not elect to terminate this Agreement by reason of any casualty, Purchaser shall have the right to participate in any adjustment of the insurance claim and, in such event, Purchaser and Seller shall cooperate each with the other in good faith.
15.2 **Condemnation.** At Closing, Seller shall assign to Purchaser all of Seller’s right, title and interest in and to the beds of streets, roads, alleys, avenues and highways abutting the Property and all of Seller’s right, title and interest in and to all awards in condemnation, or damages or any kind, to which Seller is entitled at the time of Closing, by reason of any exercise of power of eminent domain with respect thereto or for the taking of the Property or any part thereof or by reason of any other event affecting the Property which gives rise to a damage claim against a third Party after the date hereof. Prior to the Closing Date, if all or any portion of the Property is taken, or if access thereto is reduced or restricted by eminent domain or otherwise (or if such taking, reduction or restriction is pending, threatened or contemplated) (hereinafter a “Condemnation Proceeding”), Seller shall immediately notify Purchaser of such fact. In the event that such notice related to the taking of all or any portion of the Property, Purchaser shall have the option, in its sole and absolute discretion, to terminate this Agreement upon written notice to Seller given not later than thirty (30) days after receipt of Seller’s notice; whereupon the Earnest Money shall be refunded to Purchaser and thereafter neither Party shall have any rights, obligations or liabilities hereunder except with respect to those rights, obligations or liabilities which expressly survive the termination of this Agreement. If Purchaser does not elect to terminate this Agreement as herein provided, Seller shall pay to Purchaser any award received by Seller prior to Closing and Purchaser shall have the right to participate with Seller in any Condemnation Proceeding affecting the Property; provided, that in doing so Purchaser shall cooperate with Seller in good faith.

**SECTION 16: BROKERS**

Each party represents to the other that such party has not incurred any obligation to any broker, finder or real estate agent with respect to the purchase or sale of the Property. Each of Seller and Purchaser warrants and represents to the other that such party has not employed (expressly or impliedly) any broker, agent or other such Person as to which a commission or other such fee is or would become due or owing as a result of the purchase and sale contemplated hereby and has made no agreement (express or implied) to pay any broker’s commission or other such fees in connection with the purchase and sale contemplated by this Agreement. Seller shall be solely responsible for the payment of any broker, finder or real estate agent fee(s) and/or commission(s) due in connection with the purchase and sale of the Property. Each of Seller and Purchaser agrees to indemnify and defend the other against, and to hold the other harmless of and from all claims, demands and liabilities (including reasonable attorney’s fees and expenses incurred in defense thereof) for any commission or fees payable to, or claimed by, any broker, agent or other such Person arising out of the employment or engagement of such Person employed (expressly or impliedly) by Seller of Purchaser, as applicable, or with whom Seller or Purchaser, as applicable, has or is claimed to have, made an agreement (express or implied) to pay a commission or other such fee; provided, however, Purchaser’s indemnification obligations under this Section 16 are subject to the provisions and monetary limitations of Section 768.28, Florida Statutes. The representation, warranties, undertakings and indemnities of this Section 16 shall survive the Closing hereunder and any termination of this Agreement.
SECTION 17: INDEMNITIES

17.1 Seller’s Indemnity. Seller hereby agrees to indemnify, protect, defend (through attorneys reasonably acceptable to Purchaser) and hold harmless Purchaser and its council members, administrative officials, agents, employees, successors and assigns from and against any and all claims, damages, losses, liabilities, costs and expenses (including reasonable attorneys’ fees actually incurred) which may at any time following the Closing Date be asserted against or suffered by Purchaser arising out of or resulting from the following (whether asserted or accruing before or after Closing):

17.1.1 any personal injury or property damage occurring prior to the Closing Date unless caused by the negligence of Purchaser or its agents or contractors;

17.1.2 any taxes payable in connection with this transaction or with respect to the Property prior to Closing;

17.1.3 Seller’s failure to comply with the provisions of this Agreement which require performance or payment on the part of Seller after Closing.

17.2 Survival. The provisions of Section 17 shall survive the Closing hereunder and the delivery of the Deed.

SECTION 18: DEFAULT/REMEDIES

18.1 Seller’s Default/Purchaser’s Remedies. Notwithstanding any other remedy provided for herein, if Seller defaults in the observance or performance of its covenants and obligations hereunder, Purchaser may, at its option, terminate this Agreement and receive a refund of the Earnest Money or seek specific performance of this Agreement.

18.2 Purchaser’s Default/Seller’s Remedies. If Purchaser defaults in the observance or performance of its covenants and obligations hereunder, then Seller, as its sole and exclusive remedy, shall (as an election of remedies) receive the Earnest Money from Escrow Agent as liquidated damages. Purchaser and Seller acknowledge the difficulty of ascertaining the actual damages in the event of such default, that it is impossible to more precisely estimate the damages to be suffered by Seller upon such default, that the retention of the Earnest Money by Seller is intended not as a penalty but as full liquidated damages and that such amount constitutes a good faith estimate of the potential damages arising therefrom. Seller’s right to so terminate this Agreement and to receive liquidated damages as aforesaid is Seller’s sole and exclusive remedy. Seller hereby waives, relinquishes and releases any and all other rights and remedies, including but not limited to: (1) any right to sue Purchaser for damages or to prove that Seller’s actual damages exceed the amount which is hereby provided Seller as fully liquidated damages or (2)
any other right or remedy which Seller may otherwise have against Purchaser, either at law, or
equity or otherwise.

SECTION 19: ESCROW AGENT

19.1 Performance of Duties. Escrow Agent undertakes to perform only such duties as
are expressly set forth in this Agreement. Escrow Agent shall not be deemed to have any implied
duties or obligations under or related to this Agreement.

19.2 Reliance. Escrow Agent may (i) act in reliance upon any writing or instrument or
signature which it, in good faith, believes to be genuine; (ii) assume the validity and accuracy of
any statement or assertion contained in such a writing or instrument; and (iii) assume that any
person purporting to give any writing, notice, advice or instructions in connection with the
provisions of this Agreement has been duly authorized to do so. Escrow Agent shall not be liable
in any manner for the sufficiency or corrections as to form, manner of execution, or validity of
any instrument deposited in escrow, nor as to the identity, authority, or right of any person
executing any instrument; Escrow Agent's duties under this Agreement are and shall be limited to
those duties specifically provided in this Agreement.

19.3 Right to Interplead. If the parties (including Escrow Agent) shall be in
disagreement about the interpretation of this Agreement, or about their respective rights and
obligations, or about the propriety of any action contemplated by Escrow Agent, Escrow Agent
may, but shall not be required to, file an action in interpleader to resolve the disagreement; upon
filing such action, Escrow Agent shall be released from all obligations under this Agreement.

19.4 Attorney's Fees and Costs. In any suit between Purchaser and Seller wherein
Escrow Agent is made a party because of acting as Escrow Agent hereunder, or in any suit
wherein Escrow Agent interpleads the subject matter of the Escrow, Escrow Agent shall recover
reasonable attorney's fees and costs incurred with the fees and costs to be paid from and out of
the escrowed funds or equivalent and charged and awarded as court costs in favor of the
prevailing party. The parties hereby agree that Escrow Agent shall not be liable to any party or
person for misdelivery to Purchaser or Seller of items subject to this escrow, unless such
misdelivery is due to willful breach of this Agreement or gross negligence of Escrow Agent.

19.5 Escrow Agent as Counsel for Purchaser. It is acknowledged that Escrow Agent
is counsel for Purchaser. It is agreed that Escrow Agent shall not be disabled or disqualified
from representing Purchaser, its council members, parents, officers, directors or agents in
connection with any dispute or litigation which may arise out of or in connection with this
transaction or this Agreement as a result of Escrow Agent acting as the escrow agent under this
Agreement and the Seller, waives any claim or right to assert a conflict arising out of or in
connection with the foregoing.
SECTION 20: GENERAL PROVISIONS

20.1 Entire Agreement. This Agreement, and all the Exhibits referenced herein and annexed hereto, contain the final, complete and entire agreement of the parties hereto with respect to the matters contained herein, and no prior agreement or understanding pertaining to any of the matters connected with this transaction shall be effective for any purpose. Except as may be otherwise expressly provided herein, the agreements embodied herein may not be amended except by an agreement in writing signed by the parties hereto.

20.2 Governing Law. This Agreement shall be governed by and construed under the laws of the State of Florida.

20.3 Further Assurances. Seller and Purchaser each agrees to execute and deliver to the other such further documents or instruments as may be reasonable and necessary in furtherance of the performance of the terms, covenants and conditions of this Agreement. This covenant shall survive the Closing.

20.4 Interpretation. The titles, captions and paragraph headings are inserted for convenience only and are in no way intended to interpret, define, limit to expand the scope or content of this Agreement or any provision hereto. If any party to this Agreement is made up of more than one Person, then all such Persons shall be included jointly and severally, even though the defined term for such party is used in the singular in this Agreement. This Agreement shall be construed without regard to any presumption or other rule requiring construction against the party causing this Agreement to be drafted. If any words or phrases in this Agreement shall have been stricken out or otherwise eliminated, whether or not any other words of phrases have been added, this Agreement shall be construed as if the words or phrases so stricken out or otherwise eliminated were never included in this Agreement and no implication or inference shall be drawn from the fact that said words or phrases were so stricken out or otherwise eliminated.

20.5 Counterparts. This Agreement may be executed in separate counterparts. It shall be fully executed when each party whose signature is required has signed at least one counterpart even though no one counterpart contains the signatures of all of the parties of this Agreement. Facsimile copies shall be deemed originals.

20.6 Non-waiver. No waiver by Seller or Purchaser of any provision hereof shall be deemed to have been made unless expressed in writing and signed by such party. No delay or omission in the exercise of any right or remedy accruing to Seller or Purchaser upon any breach under this Agreement shall impair such right to remedy or be construed as a waiver of any such breach theretofore or thereafter occurring. The waiver by Seller or Purchaser of any breach of any term, covenant or condition herein stated shall not be deemed to be a waiver of any other breach, or of a subsequent breach of the same or any other term, covenant or condition herein contained.
20.7 **Severability.** This Agreement is intended to be performed in accordance with and only to the extent permitted by applicable law. If any provisions of this Agreement or the application thereof to any Person or circumstance shall, for any reason and to any extent, be invalid or unenforceable, but the extent of the invalidity or unenforceability does not destroy the basis of the bargain between the parties as contained herein, the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected thereby, but rather shall be enforced to the greatest extent permitted by law.

20.8 **Exhibits.** The Exhibits referred in and attached to this Agreement are incorporated herein in full by this reference.

20.9 **Attorneys’ Fees.** In the event of any controversy, claim or dispute between the parties arising from or relating to this Agreement (including, but not limited to, the enforcement of any indemnity provisions), the prevailing party shall be entitled to recover reasonable costs, expenses and attorneys’ fees including, but not limited to, court costs and other expenses through all appellate levels.

20.10 **Business Days.** If any date provided for in this Agreement shall fall on a day which is not a Business Day, the date provided for shall be deemed to refer to the next Business Day.

20.11 **Time is of the Essence.** Time is of the essence in this Agreement.

20.12 **No Personal Liability of Council Members, Administrative Officials or Representatives of Purchaser.** Seller acknowledges that this Agreement is entered into by a municipal corporation as Purchaser and Seller agrees no individual council member, administrative official or representative of Purchaser shall have any personal liability under this Agreement or any document executed in connection with the transactions contemplated by this Agreement.

20.13 **Effective Date.** For purposes of calculation of all time periods within which Seller or Purchaser must act or respond as herein described, all phrases such as "the date of this Agreement", "the date of execution of this Agreement" or any other like phrase referring to the date of the Agreement, shall mean and refer to the "Effective Date" of this Agreement.

20.14 **Radon Disclosure.** Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit. Pursuant to §404.056(8), Florida Statutes.

20.15 **Waiver of Trial by Jury.** SELLER AND PURCHASER HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY AND ALL RIGHTS TO TRIAL
BY JURY IN ANY ACTION, SUIT OR COUNTERCLAIM ARISING IN CONNECTION
WITH, OUT OF OR OTHERWISE RELATING TO THIS AGREEMENT AND ANY OTHER
DOCUMENT OR INSTRUMENT NOW OR HEREAFTER EXECUTED AND DELIVERED
IN CONNECTION THEREWITH.

20.16 **No Contract With Other Persons.** Seller agrees not to enter into a contract for
the sale, lease, use or occupancy of the Property with any person or entity other than Purchaser
for so long as this Agreement is in effect.

20.17 **Assignment.** Purchaser may assign its rights under this Agreement.

20.18 **Police/Regulatory Powers.** Purchaser cannot, and hereby specifically does not,
waive or relinquish any of its regulatory approval or enforcement rights and obligations as it may
relate to regulations of general applicability which may govern the Property, any improvements
thereon, or any operations at the Property. Nothing in this Agreement shall be deemed to create
an affirmative duty of Purchaser to abrogate its sovereign right to exercise its police powers and
governmental powers by approving or disapproving or taking any other action in accordance with
its zoning and land use codes, administrative codes, ordinances, rules and regulations, federal
laws and regulations, state laws and regulations, and grant agreements. In addition, nothing
herein shall be considered zoning by Agreement.

20.19 **Negotiated Agreement.** The parties have substantially contributed to the
drafting and negotiation of this Agreement and this Agreement shall not, solely as a matter of
judicial construction, be construed more severely against one of the parties than any other. The
parties hereto acknowledge that they have thoroughly read this Agreement, including all exhibits
and attachments hereto, and have sought and received whatever competent advice and counsel
was necessary for them to form a full and complete understanding of all rights and obligations
herein.

20.20 **No Recordation.** Neither this Agreement nor any notice or memorandum of this
Agreement shall be recorded in any public records.

20.21 **Merger.** Unless expressly set forth herein, the terms and provisions of this
Agreement shall not survive the closing and such terms and provisions shall be deemed merged
into the Deed and extinguished at Closing.

Site Report – 82100 Overseas Highway

This Site Report is prepared for the property located at 82100 Overseas Highway, Islamorada, Florida (the “Property”) pursuant to the Village’s Land Acquisition Procedures and evaluates the Property based on applicable criteria set forth therein. The Land Acquisition or Property Nomination Form is attached to this Site Report. The acquisition category for the Property is wastewater. In connection with the implementation of a Village-wide wastewater system and pursuant to the terms of the Design, Build and Operate Agreement (DBO Agreement) with Reynolds Water Islamorada, LLC (“Reynolds”), the Village is required to acquire a site on which to build a vacuum pump station facility to serve the residents of the Upper Matecumbe Key (UMK) Wastewater Collection System. This Property is part of a larger parcel and was purchased by property owner about 14 years ago. The subject is a proposed split-out and is located adjacent easterly of the existing on-site sewage treatment plant for the resort.

A. Consistency with Comprehensive Plan. The acquisition of this Property would further the Comprehensive Plan directives set forth in the objectives and policies of the adopted plan by providing wastewater treatment (1-4.6.2.). The Property is zoned Tourist Commercial (TC) zoning district and the mixed-use (MU) Future Land Use District, and if developed as a wastewater facility, would be consistent with the Land Development Regulations.

B. Availability. H&C Islander Resort LLC is a willing seller. The timeframe for development of the Property for a vacuum pump station pursuant to the Project Schedule and DBO Agreement is summer, 2014, making the level of urgency for acquisition of the Property very high.

C. Funding. The purchase of the Property would be funded from the Wastewater Utility Enterprise Fund, using funds provided by the wastewater assessment for the Remaining Service Area.

D. Potential for Multiple Benefits. Allows the Village to fulfill the State mandate to provide central wastewater collection and disposal by December 2015.

E. Ecological, Scenic, Geologic, Historic and Archeological Value. From an ecological and environmental perspective, this Property does not contain any known unique features or historical, scenic, geologic, archeological, or cultural value.

F. Wastewater Facilities. Once purchased, this Property would be Village-owned, but be under the control of Reynolds during the construction phase. Following construction, the vacuum pump station facility on the Property would remain under the operational control of Reynolds through their operations partner, Severn Trent, during the operations phase of the wastewater system. Reynolds would be responsible for the Property including performance of all maintenance of the Property. This Property consists of a vacant tract of land located along Old State Road 4A and Carroll Street mile marker 82 and is appropriate for the proposed use. The proposed use is compatible with the Future Land Use Map. Based on engineering design criteria, this site is an appropriate location for the vacuum pump station facility for Upper Plantation Key. There will be no off-site impacts associated with proposed use for this Property. All stormwater will be managed on site. Odor control systems will be
utilized so that there are no detectable odors at the Property line. Equipment will be enclosed in sound attenuating enclosures. Lighting will be minimal and down pointing.

G. **Conceptual Land Management Plan.** The proposed uses and purposes for the Property have been set forth in this Site Report, as well as maintenance and special conditions. A more detailed Land Management Plan would be finalized after acquisition and closing of the Property.
