Chapter 76-441, Laws of Florida, said law having been amended from time to time, for purposes of obtaining, supplying and distributing an adequate supply of water to the Florida Keys and to purchase, construct, acquire, operate, manage and control wastewater systems; and

WHEREAS, the Village is a Florida municipality and has created a wastewater utility to service the Village; and

WHEREAS, the Authority generates records of water usage by its customers within the boundaries of the Village, which records are capable of being used to calculate wastewater charges imposed by the Village, and the Authority has in place a billing system capable of being modified to incorporate billing for Village wastewater charges; and

WHEREAS, on May 23, 2006, the Authority and the Village entered into an Interlocal Agreement whereby the Authority, for compensation, bills Village customers for Village wastewater charges and collect and transmit those charges, net of Authority fees, to the Village; and

WHEREAS, the parties desire to continue to have the Authority provide wastewater billing services to the Village; and

WHEREAS, the parties have the legal authority to enter into this agreement and to implement its provisions;

NOW, THEREFORE, in consideration of the mutual covenants, representations and promises set forth in this Agreement and for other good and valuable consideration each to the other, receipt of which is hereby acknowledged by each party, the Authority and the Village hereby agree, stipulate, and covenant as follows:

SECTION 2.01. PURPOSE OF INTERLOCAL AGREEMENT. The purpose of this Agreement is to establish a mechanism whereby the Authority, for compensation, uses its existing billing mechanism to bill Village customers on behalf of the Village, collects Village wastewater charges, and transfers to the Village the wastewater charges collected, net of agreed Authority charges for this service.

SECTION 2.02. TERM OF INTERLOCAL AGREEMENT. The term of this Agreement shall be for a period of two (2) years (the “Term”), and shall automatically renew on the same terms and conditions for successive two-year terms unless either party elects to terminate this Agreement pursuant to the provisions of Section 2.03.
SECTION 2.03 TERMINATION. Either party may terminate this Agreement without cause upon written notice to the other party. The Authority shall provide notice of termination of not less than one hundred and eighty (180) days. The Village shall provide notice of termination of not less than sixty (60) days. Upon termination, the Authority shall timely provide the Village with all records related to its Customers and upon request, shall provide the documents in electronic format.

(1) Either party may terminate this Agreement for default pursuant to the provisions of Article V of this Agreement.

SECTION 2.04 SCOPE OF WORK. The Authority shall perform the following services for the Customers of the Village:

(1) The Authority shall prepare monthly Customer billing for Wastewater Charges using the rate structure adopted by the Village Council and as may be subsequently amended. The bill shall be consolidated with the Authority’s monthly water bill. Charges shall be delineated on the face of the bill by type.

All matters relating to the Village’s rates, policies, procedures and operations will be referred to the Village.

SECTION 2.05 CHARGES FOR SERVICE. The Village will pay the Authority for the above services each month through an electronic debit to the Village’s designated bank account. The total monthly charge will be calculated based on a rate of $1.17 per bill generated for that month (the “Authority Charges”).
