### **Preliminary Examination Scheduled April 15 in State of Michigan v. George Yzaguirre**

**Kentwood, Michigan, April 13** – The 62-B District Court in Kentwood will hear the preliminary examination of George Edward Yzaguirre, 36 at 9 a.m. on Wednesday, April 15.

Yzaguirre faces first degree murder charges in the death of David Isner, Jr., 34, on Nov. 28, 2019.

The Court remains closed pursuant to Michigan Supreme Court Administrative Order 2020-2 to slow the spread of COVID-19. AO 2020-2 allows preliminary examinations to be conducted but provides that trial courts are ordered to limit access to courtrooms and other spaces to no more than 10 persons, including staff, and to practice social distancing and limit court activity to only essential functions. Pursuant to Michigan Supreme Court Administrative Order 2020-6, the court will allow access to the public and the media on Zoom. Instructions for access are below.

#### **Connecting to the virtual court room at the time of the proceeding:**

- Polycom systems (court rooms, jails, etc.): Dial 162.255.37.11##4280940961.
- Windows desktop PCs and laptops: Go to zoom.us. Click on “join a call” and use meeting ID 4280940961.

- Phone call only: Call 646.876.9923 or 669.900.6833 and join using meeting ID 4280940961. Toll charges may apply depending upon your phone service.

#### **Local court policy:**

- The call is a court proceeding and therefore an extension of the court room; appropriate conduct and attire are required.
- Remote participants must use a private and quiet room free of interruptions. Outdoor, car or public places are not permitted. Video meetings need good, consistent lighting, so avoid rooms with bright windows or back lighting.
- Remote participants must place their mobile devices on a solid surface with the camera at eye level. Do not hand-hold mobile devices and do not lay phones or tablets flat on a desk or tabletop.

- The court has the right to terminate participants in the hearing if the video experience is not acceptable.
- The judge has control over the proceeding and participants as if they were present in the physical court room.

**Participant Technical Responsibilities:**

- The court does not provide technical assistance for testing or troubleshooting. Additionally, the court does not provide time during court proceedings to troubleshoot issues.
- Directions for testing your device and networking prior to the proceeding can be found [here](#).
- Remote participants should take time prior to the call to become familiar with the Zoom controls and test devices, mic and speaker controls.
- If you are having technical issues with your equipment, review Zoom training and support materials at [Zoom.us](#).
- Remote participants should use a good LAN, WiFi or substantial LTE connection to ensure a quality call. (Note: Mobile data use may incur cellular carrier charges, which are the responsibility of the remote participant.)
