Intermittent Road Closures Planned for Repaving of 32nd Street SE From Pheasant Ridge Drive to Breton Avenue Until Sept. 8

Kentwood, Michigan, Aug. 31, 2021 – Intermittent road closures are expected on 32nd Street SE in Kentwood from the west city limits, about 170 feet west of Pheasant Ridge Drive, to Breton Avenue while the section of roadway is repaved.

The street will be closed between Pheasant Ridge Drive and Breton Avenue on Wednesday, Sept. 1 and Friday, Sept. 3. Additionally, the street may be closed in one direction or fully closed intermittently during construction. Barring any unforeseen circumstances, the work is expected to be completed by Wednesday, Sept. 8.

Drivers are encouraged to plan ahead and seek an alternate route or take the detour from Kalamazoo Avenue to 28th Street to Breton Avenue. Emergency, residential and business access will remain open. Area businesses and residents should utilize Breton Avenue or 32nd Street west of the project limits whenever possible.

Community members may sign up to receive biweekly updates on the City's road construction projects. To sign up for these updates, contact Kentwood City Engineer Brad Boomstra at boomstrab@kentwood.us or 616.554.0740.

More information is available at kentwood.us/construction.
