## **Breton Avenue to be Closed Between 29th and 32nd Streets Next Week for Railroad Crossing Repair**

**Kentwood, Michigan, July 1, 2020** – Beginning Tuesday, July 7, Breton Avenue will be closed for at least two days between 29th and 32nd streets while CSX Railroad repairs a railroad crossing.

Drivers are asked to plan ahead as the work will require a full closure with a posted detour from 29th Street to Shaffer Avenue to 32nd Street and back.

Due to the deterioration of the crossing, CSX will be replacing the entire concrete crossing, ties and repaving the asphalt at that intersection.

The work is expected to be completed within two days with the road reopening on the evening of Thursday, July 9, but a third day of work may be necessary for unforeseen circumstances.
