- The court has the right to terminate participants in the hearing if the video experience is not acceptable.
- The judge has power over the proceeding and participants as if they were present in the physical court room.

- Directions for testing your device and networking prior to the proceeding can be found [here](#).
- Remote participants should take time prior to the call to become familiar with the Zoom controls and test devices, mic and speaker controls.
- If you are having technical issues with your equipment, review Zoom training and support materials at [Zoom.us](#).
