

## BLUE HIKE AND SEEK

- Step 1: Starting at the Blue Trailhead, head West.
- Step 2: Follow the curve until you are facing South. Notice the Creek up ahead.
- Step 3: Continue walking the trail. Pause when you have a small building directly to the East of the trail.
- Step 4: Continue walking the trail until you come out of the trees. Face West and see the Creek again.
- Step 5: Continue till the bend in the trail. Notice the Creek to the South-West. A little further on notice the Creek right next to the trail.
- Step 6: Continue until the Pond it directly North of you. Do you see any Birds in or near the Pond?

Write down what Birds you see here:

- Step 7: Continue down the trail until there is an odd circle patch of weeds to the East and Pine Trees to your West. What do you think caused this circle of weeds to grow like that?

Pro Tip: a pine tree can have needles like this

and this

- Step 8: Round the corner of the Pine Tree patch and you will see the Clubhouse to your North.
- Step 9: Continue on the trail back to the Clubhouse.

### How to navigate with a compass:

1. Hold the compass flat/level.
2. Turn the dial so that the N lines up with the arrow and the S lines up with the string.
3. Turn yourself and the compass till the red side of the needle is pointing at the N.
4. You are now facing North.
5. As you turn, the red side of the needle will continue to point in the North direction.
6. Whenever you need to re-orient yourself, start with step 1.
