Employment, professional, and volunteer background:
See attached background, page 2 of 3

Employment, professional, and volunteer background:

Mechanical Engineer and Licensed Professional Engineer. Retired from Portland General Electric. Mechanical engineer and engineering supervisor for power plant design and modification projects.

Served as PGE's Industrial Specialist at PGE's Energy Resource Center, Assisted PGE industrial customers to assess electrical energy use and make recommendations regarding cost effective energy efficiency projects. I volunteered and served on the Board of the Association of Professional Energy Managers (APEM) in Oregon and served as President of APEM for two terms. I conducted classes and seminars on Commercial and Industrial Power systems and Electrical Energy Efficiency.

1. What experience /training/qualifications do you have?

I have no previous government or municipal board experience. Becoming involved in the KTMP issues has put me on a steep learning curve regarding state land use ordinances, city municipal code, and Metro urban growth, etc.

2. What specific contribution do you hope to make? And3. What community topics concern you that relate to this position? Why do you want to become a member?

I want to help the city council to provide oversight and direction for city management to meet the Municipal code and State and county ordinances. I want to be a councilor that represents and protects the interests of current and future King City residents. Implementing the Kingston Terrace Master Plan will affect existing and future residents and the environment. I want to help the city council resolve citizens' concerns regarding impacts of the TSP on the environment and existing neighborhoods. I want to help the council to provide oversight to improve city management.

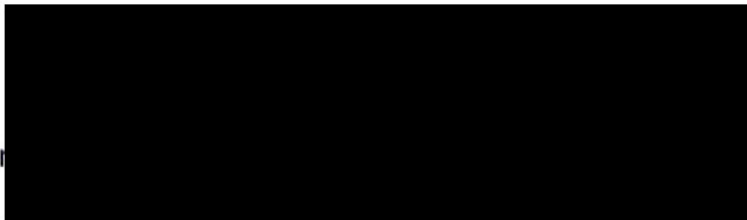

3. Describe your involvement in relevant community groups and activities.

I have become involved in the community to get feedback about issues and concerns they have about city government and about the Kingston Terrace transportation system plan. I have been active over the past two+ years by attending City Council Meetings, Planning Commission Meetings, and city hearings. and I have testified at council and planning commission meetings and hearings. I served the community as a recall petition circulator to gather signatures and explain the issues.

4. Describe your involvement in relevant community groups and activities. (Lack of previous involvement will not disqualify you from consideration.)
