PRESS RELEASE

FOR IMMEDIATE RELEASE:

Village of Kronenwetter Administrator Search Comes to an End

Wausau native slated to fill the position

Kronenwetter – During the September, 11, 2023 regular meeting of the Kronenwetter Village Board, board members interviewed three candidates for the open Village Administrator position.

As a result of the interviews, Peter Kampfer was offered the position. Kampfer, a native of Wausau, currently works and lives in Texas. He brings 34 years of experience in different levels of the government, both at the local and county levels. He also has experience leading public utilities.

“While all the candidates did a nice job interviewing, one stood out from the rest,” said Kronenwetter Interim Administrator Kim Manley. “The Village is excited to start a new chapter with Mr. Kampfer.”

Kampfer’s start date is expected in October.
