Letter from the Mayor

Hello Everyone,

Even in the world today one person can make a difference. A simple way is to stand up and be counted. We are in the midst of the 2020 Census. Every year Michigan receives about 29 Billion dollars in federal funding based on this information. Funding for schools, health care, police, fire and so much more. The data is also used to allot your representatives in the House of Representatives. It is critical to get this count right. The census is about ten questions and takes about ten minutes to fill out. Like everything else, it can be done on-line at 2020census.gov. You will not be questioned about citizenship status, and it is a federal crime for the census bureau to share individual census information with any person, organization or public body. This includes law enforcement. So please complete your 2020 census so Lincoln Park and Michigan can receive its full share of the resources we rely on.

We now have a new city manager, James R. Krizan. Mr. Krizan is a former Village Manager in Decatur, Michigan and most recently Assistant to the City Manager in Royal Oak. Mr. Krizan was selected from a strong field of candidates in a nationwide search through GovHR USA. We thank Mr. James Vettraino of GovHR for his assistance in the hiring process. Mr. Krizan is familiar with the City as he lives downriver. He has a Bachelor of Social Work and a Master of Public Administration from Eastern Michigan University. We look forward to what he brings to Lincoln Park.

Our search for a city manager took a little while to accomplish but it was important to get it right. We were fortunate to have an interim City Manager with the qualifications of John Zech. Mr. Zech

was the longtime City Manager of Wayne, Michigan and had assisted in Southgate and Allen Park when they needed someone on a temporary basis. We owe Mr. Zech a debt of gratitude for his hard work and dedication in our time of need.

We live in interesting times. As of this writing we are dealing with the CoVid 19 or Corona Virus and I don't know how it is all going to work out. I can say that I am proud of the response our Fire, Police and ambulance service in their handling of this crisis, and I thank them for their dedication and service. They are not alone though; all of our employees have stepped forward to get us through this safely.

Mayor Karnes

Each Memorial Day we remember the 130 young men who made the ultimate sacrifice in defending our freedom. They are listed on our war memorial in Memorial Park. This year we will be adding the names of 5 individuals who lost their lives in the service of our country. One from WWII and four from Vietnam will have their names added to the Memorial. In addition, there will be a correction of a middle initial on a name so that it can finally be right. Thanks to Jeff Day, Historical Museum Curator, for his efforts on this. Please join us as we honor these young men.

Have a great spring!

—Mayor Tom Karnes

CRIME AWARENESS PROGRAMS

Lincoln Park Neighborhood Watch Program

The Neighborhood Watch Program assists the Police Department by providing “eyes and ears” support. Members report suspicious activity directly to the Police Department but do NOT engage with any individuals. Members receive regular updates on criminal activity along with personal and crime prevention tips. Meetings are held on the 2nd Thursday (January, March, May, July, September and November) at 7 p.m. in the Lincoln Park Community Policing Building. To join or for information, visit www.lpnwp.org or call (313) 381-3217.

Lincoln Park Citizen's Patrol Watch

The Citizen's Patrol Watch was formed to be an assist to the Police Department. Police Officers can't be everywhere and the CPW fills the void by being eyes & ears for the department. They are volunteers from the city that go on regular patrols and report suspicious circumstances. Their patrols on Angel's Night & Halloween have reduced vandalism in the city, and they are also a great help at times of crisis in the city through extra patrols during power outages and special events. Meetings are held on the second Wednesday of each month at 7 p.m. in the LP Community Policing Building. For information call (313) 381-3217.

Lincoln Park CERT

The LP Community Emergency Response Team (CERT) provides emergency and non-emergency assistance to LP Police & Fire Departments as well as assistance with various community events. All members receive FREE training including CPR/AED/First Aid with the opportunity for endless more training. For more information or an application, please visit www.lpcert.org. DEPARTMENT OF PUBLIC SERVICE

The spring and summer months are always a very busy time for the DPS. We have a variety of road projects planned, the sidewalk program will be running, crews will be out patching the roadways, street sweepers will be out, tree work will be completed along with many other tasks. The following are some guidelines that will make it easier for the DPS and City Contractors to do their job and allow us to provide the residents with better City Services.

PARKING

Please follow the No Parking times posted on the signs on each city block. The DPS tries to plan work during these times so there are less obstructions. This includes filling potholes, street sweeping, removing and/or trimming trees among other things.

TRASH, RECYCLING & YARD WASTE

The City of Lincoln Park has contracted with Green for Life (GFL) for trash pickup. Any problems with your trash or recycling cart should be directed to them by calling 888-877-4996. To report a missed pickup please call the DPS office at 313-386-9000.

Please put your trash and recycling containers on the back of the curb, NOT ON THE STREET. Receptacles need to be placed out no earlier than 6:00 p.m. the evening prior to and no later than 7:00 a.m. on your designated trash day. Containers should be at least 3 feet apart to allow the arms from the truck to grab the can to dump it. Trash cans are only to be used for household trash that contains nonhazardous material and recycling containers can only be used for recyclable materials. Relabeling your cans is prohibited and it will not be picked up. Each household is allowed one additional large item out weekly for trash. This can include items like a couch, chair, mattress, etc. If you put out an item like a refrigerator, the doors must be taken off and the freon removed.

Federal Law mandates that yard waste must be kept separate from regular trash. Yard Waste must be placed in paper yard waste bags or cans marked with a compost sticker no larger than 32 gallons and weighing no more than 50 lbs. Compost stickers are available free of charge at the DPS Building located at 500 Southfield Rd. or at City Hall located at 1355 Southfield Road. Concrete and fill dirt cannot be mixed in or disposed of with yard waste. Items like tree branches should be bundled with twine no more than 3 feet in length.

TREES

Trees located in the easement area of the property (between the sidewalk and the street) are the responsibility of the City of Lincoln Park and may not be cut down or trimmed without the permission of the Department of Public Services. If you have a tree in the easement that you believe is dead or diseased, please contact the DPS to have it evaluated. An employee of the DPS will inspect the tree and determine the best course of action. Trees that are deemed healthy will not be removed, even if it is damaging the sidewalk. The City does have a cost sharing program with homeowners if the sidewalk is damaged or lifted from an easement tree. Please call the DPS at 313-386-9000 to inquire about this program.

POTHoles

There are two ways to report a pothole that is located on a roadway maintained by the City. There is a tab on the City Website, www.citylp.com labeled "report a pothole". Please fill in as much information as possible and submit the concern. You may also call the DPS at 313-386-9000 to report your concern. The roadways of Fort Street, Southfield, Dix and Outer Drive are not maintained by the City. To report a pothole on those roadways please call Wayne County Roads Division at 1-888-762-3273.

CATCH BASINS

Catch Basins take rainwater and snow melt off away from the streets through the storm water system. This is a separate system from the Sanitary Sewer System. It is important that Catch Basins remain clean and free of debris. Residents that have a catch basin in front of their home are asked to periodically check it and sweep or clean it off when necessary. It is also against City Ordinance to blow leaves or grass clippings in the street. They can block the catch basins and stop the water from flowing into the system thus causing flooding in the roadway.

WATER MAIN BREAK

If you see water bubbling out of the ground, it may indicate a water main break. To report a water main break Monday through Friday from 9:00 a.m. to 3:00 p.m. please call the DPS at 313-386-9000. If it occurs after these hours, reports can be made by calling the non-emergency police phone number at 313-381-1800.

UTILITY INFORMATION ONLINE

Access your utility billing information online 24 hours a day by going to www.citylp.com, click on online payment at the top, then tab on left. Your current balance and history are posted.

Community Bulletin

City of Lincoln Park FIRE DEPARTMENT

1355 Cleophus Parkway • Lincoln Park, Michigan 48146-9987 • (313) 381-1100

Dear Citizens

I would like to take this opportunity to remind everyone to follow the guidelines that have been put in place by the State of Michigan Department of Health & Human Service and the Center for Disease Control (CDC) to prevent the spread of the Coronavirus.

Symptoms of COVID-19 are difficulty breathing, shortness of breath, cough and fever.

If you have questions about the COVID-19 regarding where to get tested or think you may have been exposed but don't have life threatening symptoms, please call your primary physician, Wayne County Health Department at 211 or 734-287-7870, www.waynecounty.com or the State of Michigan Dept of Health & Human Services by visiting www.Michigan.gov/coronavirus.

What to expect when you call 911:

If you need emergency service, please do not hesitate to call 9-1-1. We are responding to all emergency calls. Our dispatchers will ask questions to determine if you have been exposed to the Coronavirus or are experiencing symptoms of the virus. You may only see one EMS responder at first, with the rest of the response team waiting outside and they may ask questions from a distance before making physical contact. EMS responders may be wearing protective equipment such as masks, gowns and eye protection. Do not be alarmed - this is to protect both the patients and EMS personnel to reduce the possibility of spreading the virus.

Remember the best way to protect yourself and family is to practice social distancing, which means avoiding close contact with people and staying at least 6 feet away. Wash your hands OFTEN for at least 20 seconds, avoid touching your eyes, nose and mouth, cover your cough or sneeze with tissue or cough into your elbow, and clean and disinfect frequently touched objects and surfaces using a disinfectant.

Lastly, please look out for any of your neighbors that may need assistance, or those who are most susceptible to the virus.

Thank you.

Steve Martin,
Fire Chief,
Lincoln Park Fire Department

MESSAGE FROM THE FIRE CHIEF

Now that our clocks have been moved forward for Daylight Savings, the batteries in our smoke detectors need to be changed on Easter. It's also time to start thinking about some warmer weather safety tips. As we see the days beginning to get longer, we all tend to spend more time outside in the fresh air. Please keep these safety tips in mind:

Outside and Around the Yard

- Make sure your address numbers are up and visible from the street
- Use eye and ear protection while operating machinery.
- Keep children and pets at a safe distance while operating outdoor equipment.
- Add fuel before starting gas powered engines, not when they are running or hot.
- Fuel should be stored in approved containers, away from ignition source. An outdoor shed is the ideal location for fuel storage.

Outdoor Cooking

- The grill should be placed well away from the home, deck railings and out from under eaves and overhanging branches
- Keep children and pets at least three feet away from the grill area.
- Never leave your grill unattended.

Inside the Home

- Check your fire extinguishers
- Check for overloaded or damaged extension cords
- Replace or clean your furnace filter. A dirty filter can lower the efficiency of the heating/cooling system, increase heating costs and cause fires.
- Clean the clothes dryer exhaust duct, damper and space under the dryer. Poor maintenance allows lint to build up in the exhaust duct and cause fire

We would also like to remind the residents about the importance of safety while using a fire-pit: Outdoor fire-pits must be used in accordance with the manufacturer recommendations. Only approved containers will be permitted, and dry, seasoned firewood must be used. Always make sure fire is attended by an adult with a UL rated fire extinguisher or garden hose nearby. Please look for our Public Service Announcement YouTube video which deals specifically with recreational fires.

Reminder:

There is NO leaf or debris burning allowed in Lincoln Park.

Your Lincoln Park Fire Department will be on-duty 24/7 to handle your emergencies. We hope you have a safe Spring/Summer!

Steve Martin, Fire Chief
