## **Mission**

The Lincoln Park Social Development Coalition is an ad-hoc collective of leaders, neighbors, and service providers committed to promoting social equity and improving residents' access to quality resources in Lincoln Park, Michigan.

## **LPSDC HISTORY**

In fall 2019, a group of Lincoln Park volunteers—representing elected officials, clergy, schools, and service organizations—began meeting to address community struggles, focusing on education, housing, employment, safety, and belonging. A small grant was secured to host a Community Forum in January 2020, laying the foundation for the Lincoln Park Social Development Coalition (LPSDC). A minister connected by the Mayor linked the group to the City Planner and economic development staff.

The group has partnered with local church and student interns in social work to identify social service providers and conduct key research. Over the past years, LPSDC has held a forum (2020), conducted a Community Needs Assessment (2021–2022) and an Agency and Provider Survey (2022), maintained the Community Resource Guide, and fostered connections with local service providers via social media and outreach efforts. Monthly meetings have focused on improving connections between Lincoln Park residents and available support services.

## **Misión**

La Coalición de Desarrollo Social del Lincoln Park es un colectivo de líderes, vecinos y proveedores de servicios comprometidos con la promoción de la equidad social y el mejoramiento del acceso de los residentes a recursos de calidad en Lincoln Park, Michigan.

## **Historia de LPSDC**

En otoño de 2019, un grupo de voluntarios de Lincoln Park, representados por funcionarios electos, clero, escuelas y organizaciones de servicios, comenzaron a reunirse para abordar las luchas comunitarias, enfocando en educación, vivienda, empleo, seguridad y pertenencia. Se obtuvo una pequeña subvención para acoger un Foro Comunitario en Enero de 2020, que sentó las bases de la Coalición de Desarrollo Social de Lincoln Park (LPSDC). Un ministro conectado por el alcalde vinculó al grupo con el planificador de la ciudad y el personal de desarrollo económico.

El grupo se ha asociado con la iglesia local y estudiantes pasantes en trabajo social para identificar a los proveedores de servicios sociales y realizar investigaciones clave. En los últimos años, LPSDC ha tenido un Foro (2020), ha realizado una evaluación de Las Necesidades Comunitarias (2021-2022) y una encuesta de Agencia y Proveedores (2022), ha mantenido la Guía de Recursos comunitarios y ha fomentado las conexiones con los proveedores locales a través de medios sociales y actividades de divulgación. Las reuniones mensuales se han centrado en mejorar las conexiones entre los residentes del Parque Lincoln y los servicios de apoyo disponibles.
