City of Lincoln Park

Letter from the Mayor

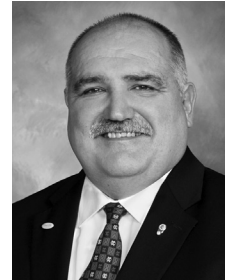

Hello everyone,

We live in interesting times to say the least. Fire Chief Martin first briefed the Emergency Operations team on the seriousness of the Covid-19 virus in early March. The Emergency Operation then began making plans of how to keep our employees and residents safe. It was a real challenge to find the necessary equipment such as masks and gloves when everyone was looking for them. The city managed to get what was needed through Federal, State and County resources. US Congresswoman Dingell, State Rep Clemente, and Wayne County Commissioner Varga each played a strong role. Chief Martin, by thinking outside of the box, was able to secure protective respirators that could be reused. He first obtained enough for the fire personnel and then had the police outfitted as well. These items came not from a medical supply center but from our local business, Painter's Supply.

As the virus continued to spread difficult decisions had to be made to try to keep everyone safe. City offices were closed. A skeleton staff was kept on hand to continue necessary operations, but most employees were sent home. Those that had the capabilities of working from home did so but everyone continued to receive their salary. The drop box at city hall was replaced with a larger version and most city business was conducted via email or phone. The Emergency Operations Team met daily to address needs and concerns. All our employees did a good job for us during this time but the actions of our first responders were outstanding. Fire, Police and Beaumont personnel responded to their calls and entered homes in which people were suffering from the virus. They had concerns about their safety and the safety of their families, but they still did their jobs. We could not have gotten through this without them. The title, Hero, definitely applies to them.

Lincoln Park was hit hard by the Covid-19 virus. As of late July, there have been 452 confirmed cases and 31 deaths attributed to the virus. Everyone knows of a family that has suffered a loss. Victims in the hospital were left without family or friends being able to visit. School classrooms were shut down in mid-March and would not reopen the rest of the school year. In times of hardship Lincoln Park comes together as a community and this time is no different. There were some great and some small acts of kindness that were done during this time. Whether it was groceries being delivered or a simple phone call, people did what they could to lift the spirits of others. The Lincoln Park School District came through with Breakfast and Lunch meals for school kids each week.

The world keeps turning even in a pandemic and life events. There were babies born that couldn't be held by grandparents, birthdays and weddings that were drive-by celebrations and deaths that could not be mourned at a funeral. Some carefully planned celebrations did take place such as graduation ceremonies for the Lincoln Park High School 2020 class. Elaborate safety precautions were taken, and the students were given their diploma on stage by a family member. Not as originally planned but special nonetheless. All of you faced hardships during this time and I am proud of the resiliency you have shown. We are not through with the virus but if we continue with our safety precautions, we can put this behind us.

CRIME AWARENESS PROGRAMS

Lincoln Park Neighborhood Watch Program

The Neighborhood Watch Program assists the Police Department by providing “eyes and ears” support. Members report suspicious activity directly to the Police Department but do NOT engage with any individuals. Members receive regular updates on criminal activity along with personal and crime prevention tips. Meetings are held on the 2nd Thursday (January, March, May, July, September and November) at 7 p.m. in the Lincoln Park Community Policing Building. To join or for information, visit www.lpnwp.org or call (313) 381-3217.

Lincoln Park Citizen's Patrol Watch

The Citizen's Patrol Watch was formed to be an assist to the Police Department. Police Officers can't be everywhere and the CPW fills the void by being eyes & ears for the department. They are volunteers from the city that go on regular patrols and report suspicious circumstances. Their patrols on Angel's Night & Halloween have reduced vandalism in the city, and they are also a great help at times of crisis in the city through extra patrols during power outages and special events. Meetings are held on the second Wednesday of each month at 7 p.m. in the LP Community Policing Building. For information call (313) 381-3217.

Lincoln Park CERT

The LP Community Emergency Response Team (CERT) provides emergency and non-emergency assistance to LP Police & Fire Departments as well as assistance with various community events. All members receive FREE training including CPR/AED/First Aid with the opportunity for endless more training. For more information or an application, please visit www.lpcert.org. Also, you can find us on Facebook at www.facebook.com/lpcert. Our phone number is (313) 381-3217.

DEPARTMENT OF PUBLIC SERVICE

TRASH

The City of Lincoln Park has contracted with GFL Environmental, Inc. (Greener for Life) for Trash pickup. Trash must be placed on your curb no earlier than 6pm the night before and no later than 7am on your scheduled trash day. Trash put out after 7am may not be picked up. Trash bins must be placed on the curb, not in the roadway. If you have any issues regarding your trash pickup or your trash was missed, please contact GFL Environmental, Inc. directly at (844) 464-3587, or the Department of Public Services at (313) 386-9000. The City of Lincoln Park no longer provides for special pickups. Every residence is permitted one bulk item per week out with your regular trash. If a residence has more than the allotted amount of bulk trash, these items may be taken to the Department of Public Services for a fee. Please contact The Department of Public Services for any dumping questions.

CHRISTMAS TREE DISPOSAL

What do you do with your Christmas Tree when Christmas is over? Well the City, with GFL Environmental, Inc., provides a means for residents to safely dispose of your Christmas Tree. If your tree is 6 feet or less in height, you may place it at the curbside on your designated trash day and GFL Environmental, Inc. will pick it up. Trees that are over 6 feet will need to be cut in half before putting it to the curbside. This is a service the City provides to make your holidays easier.

SNOW: As the snow begins to fall, it is vital that the Department of Public Service be able to remove it from the streets so as to provide you with safe access. If a snow emergency is declared, all vehicles must be moved off of the City streets. Vehicles left on the streets may be ticketed and/or towed. Snow Emergencies will be posted on the City website, City marquee, City cable channel and the local news channels. In the event of a snow fall where there is a snow emergency declared, it is extremely helpful

to the DPS for cars to be off the road so we may plow and salt in a faster more efficient manner. The DPS will work as quickly as possible to remove snow from the roadway. Cooperation from residents is vital to this operation. During the course of snow removal, snow will be pushed into driveway approaches. Unfortunately there is nothing that can be done to prevent this from occurring. Please do not shovel or push this snow back into the roadway. **It is important that you keep your children away from the roadways when the snow plows are present. The snow is extremely heavy and can cause serious injuries.**

WATERMAIN BREAKS

If you witness water bubbling out of the ground, it may be an indication of a watermain break. To report a watermain break during normal operating hours (Monday-Friday 7:30am-3pm), please call (313) 386-9000, or stop in at the Department of Public Services at 500 Southfield Road. After hours, weekends and/or holidays, please call the Police Department at (313) 381-1800 and they will contact the Water Department personnel on call. The sooner the main break is discovered and repaired, the less inconvenience and water loss there will be.

HOME PLUMBING

Please remember while preparing your home for another Michigan winter, take the time to inspect your plumbing and take the necessary measures to prevent it from freezing. If you have a crawlspace, make sure all exposed pipes and meters are protected from cold air. Whenever possible, all pipes should be in a heated area or wrapped with pipe insulation. If your meter and/or pipes are located inside of a cabinet, it is best to leave the door open to expose them to warmer air. If you are going away for an extended period of time this winter, your home should remain heated at 40 degrees Fahrenheit, or your water shut off and the water system drained to eliminate the possibility of frozen/broken pipe. If your pipes break or your meter freezes, you as the homeowner are responsible for any water loss, meter replacement costs, and any other damages caused by the break.

HISTORICAL SOCIETY & MUSEUM

1335 Southfield Road at Fort Park
Lincoln Park 48146, 313-386-3137

Due to the advanced coronavirus pandemic and health guidelines and restrictions on public gatherings put in place by the State of Michigan, the historical museum continues to be closed to the general public at this time. Lincoln Park Historical Society members are able to access the museum by appointment only. If you are not a member of the historical society and would like to become one, please contact us.

Members of the Historical Society will also be invited to attend the fall dedication – date TBA – of the Depression-era Post Office Mural replica. The original mural, “Hauling in the Net” by Cranbrook artist Zoltan Sepeshy, measuring some 5 feet by 14 feet, was installed here in the post office building (now the museum) in 1940. The mural was later moved, in 1967, to the care of the Beaver Island Historical Museum in northern Lake Michigan. After recently concluding an extensive six-month conservation process, the mural will be re-dedicated on Beaver Island at the same time the full-size replica will be installed and dedicated here in Lincoln Park.

Annual Veterans Day Commemoration & Bell Ringing Ceremony

Held on the museum grounds on Wednesday, November 11th at 11:00 a.m. All area veterans and their families are invited to join for this ceremony, which will be led by local officials.

For any questions about the Museum status during the pandemic, or joining the Historical Society, please contact us at 313-386-3137 or via email at lpmuseum@gmail.com.

In addition, for the most up-to-date museum information, please check the ‘**Lincoln Park Historical Museum**’ page on Facebook – accessible to anyone with or without a Facebook membership.

TREASURER'S OFFICE

Patricia Lulko, Treasurer • Tina Turner, Assistant Treasurer
(313) 386-1800, ext 1250

The 2020 summer tax bills were mailed July 1 and were due August 20. The deadline to defer the payment of your summer taxes is September 15. Please contact the Treasurer's Office for an application.

If you are paying your summer tax bill in installments, your second payment is due October 15. Your Wayne County winter bill is expected to be mailed early December and is due February 15, 2021.

To view your tax and assessing information, or to make a payment, please visit www.citylp.com and click on the How Do I link, then Online Water & Tax Payments link. Except for the designated summer installments, partial payments will be rejected.

The LP Community Credit Union, located at 1400 Emmons, is now accepting water and tax payments for the City of Lincoln Park. You do not have to be a member to make a payment. Make sure you bring your bill with you. They accept cash or checks, no credit cards. We hope this will be convenient for you.

Credit card payments made in person or online will be charged a 3% convenience fee.

Avoid the long lines at City Hall. Pay your taxes and water bills:

- By mail (we honor post marks!)
- At the Lincoln Park Community Credit Union (do not have to be a member)
- Online at www.citylp.com (easy and convenient)
- Put your payment in our drop box after hours (please checks only)

Remember, tax payments must be for the entire full amount for either the full bill or the full installment amount. Partial payments will be rejected.

MESSAGE FROM THE FIRE CHIEF

With summer activities in full swing, we start thinking about the kids returning to school and raking the fall leaves. This is also a good time to replace the batteries in your smoke detectors and practice some safety tips:

Outside and Around the Yard

- Make sure your address numbers are up and visible from the street
- Use eye and ear protection while operating machinery.
- Keep children and pets at a safe distance while operating outdoor equipment.
- Add fuel before starting gas powered engines, not when they are running or hot.
- Fuel should be stored in approved containers, away from ignition source. An outdoor shed is the ideal location for fuel storage.

Outdoor Cooking

- The grill should be placed well away from the home, deck railings and out from under eaves and overhanging branches
- Keep children and pets at least three feet away from the grill area.
- Never leave your grill unattended.

Inside the Home

- Check your fire extinguishers
- Check for overloaded or damaged extension cords
- Replace or clean your furnace filter. A dirty filter can lower the efficiency of the heating/cooling system, increase heating costs and cause fires.
- Clean the clothes dryer exhaust duct, damper, and space under the dryer. Poor maintenance allows lint to build up in the exhaust duct and cause fire.

Reminder: There is NO leaf or debris burning allowed in Lincoln Park. Outdoor fire-pits must be used in accordance with the manufacturer recommendations. Only approved containers will be permitted, and dry, seasoned firewood must be used. Always make sure fire is attended by an adult with a UL rated fire extinguisher or garden hose nearby. Please look for our Public Service Announcement YouTube video which deals specifically with recreational fires.

Emergency Preparedness at Home

Dealing with the current COVID-19 pandemic has been challenging for all of us and is unlike anything most of us have ever seen in our lifetime. This uncertainty reminds us of the importance of being prepared for emergencies and disasters, since we never know when they will happen. That is why it is a good time to develop or update emergency preparedness plans at home. But first, here are 6 important things to know before an emergency occurs:

- Know where your gas shut-off is located – this can help avoid gas leaks and explosions
- Know where the electrical shut-off is located – there are approximately 26,000 electrical related housefires each year. Knowing how to shut off the electricity in an emergency can help avoid electrical issues.

- Have an emergency communications plan for your household – this plan should cover what to do, where to go, and how to reconnect if you are separated from family members during an emergency.
- Make sure you have the proper insurance for your area – we don't need to worry too much about earthquakes in Lincoln Park, but it may make sense to carry flood riders or sewer back-up insurance if available.
- Know your evacuation routes
- Have a plan for your pets

It is also a good idea to have an emergency preparedness kit ready in case of emergencies. Since we don't know exactly when a disaster could happen, it is a good idea to have a kit in your home, car, and even at work. The following are examples of useful items to be included in your emergency kit:

Additional Emergency Supplies

- Water (one gallon per person per day for at least three days, for drinking and sanitation)
- Food (at least a three-day supply of non-perishable food)
- Battery-powered or hand crank radio and a NOAA Weather Radio with tone alert
- Flashlight
- First aid kit
- Extra batteries
- Whistle (to signal for help)
- Dust mask (to help filter contaminated air)
- Plastic sheeting and duct tape (to shelter in place)
- Moist towelettes, garbage bags and plastic ties (for personal sanitation)
- Wrench or pliers (to turn off utilities)
- Manual can opener (for food)
- Local maps
- Cell phone with chargers and a backup battery

Since Spring of 2020, the CDC has recommended people include additional items in their kits to help prevent the spread of coronavirus or other viruses and the flu. Consider adding the following items to your emergency supply kit based on your individual needs:

- Cloth face coverings (for everyone ages 2 and above), soap, hand sanitizer, disinfecting wipes to disinfect surfaces
- Prescription medications
- Non-prescription medications such as pain relievers, anti-diarrhea medication, antacids or laxatives
- Prescription eyeglasses and contact lens solution
- Infant formula, bottles, diapers, wipes and diaper rash cream
- Pet food and extra water for your pet
- Cash or traveler's checks
- Important family documents such as copies of insurance policies, identification and bank account records saved electronically or in a waterproof, portable container
- Sleeping bag or warm blanket for each person
- Complete change of clothing appropriate for your climate and sturdy shoes

Community Bulletin

Message from the Fire Chief continued

- Fire extinguisher
- Matches in a waterproof container
- Feminine supplies and personal hygiene items
- Mess kits, paper cups, plates, paper towels and plastic utensils
- Paper and pencil
- Books, games, puzzles or other activities for children

After assembling your kit remember to maintain it so it's ready when needed:

- Keep canned food in a cool, dry place.
- Store boxed food in tightly closed plastic or metal containers.

- Replace expired items as needed.
- Re-think your needs every year and update your kit as your family's needs change.

All of this information and more can be found at www.ready.gov to help prepare for emergencies and disasters. Stay safe!

Your Lincoln Park Fire Department will be on-duty 24/7 to handle your emergencies. We hope you have a safe fall season!

—Chief Steve Martin, Lincoln Park Fire Department

Note: No Fire Open House this year.
